

Penn Power

Prices to Compare – effective December 1, 2023

Here are Penn Power's prices to compare by rate class. Your rate class is on the upper right hand corner of your Usage Report. Use your figure to compare the prices offered by different electric generation suppliers. You will save money if you buy electricity from an electric generation supplier for less than your price to compare. The figures below reflect a State Tax Adjustment Surcharge (STAS) of 0.00% .

Rider H (Price-To-Compare)

Provides default service to the customer (see below by Rate Class)
