GROUND LEASE

This Lease made as of the [___] day of [____], 2016, by and between METROPOLITAN EDISON COMPANY, a Pennsylvania corporation (“Lessor”), and MID-ATLANTIC INTERSTATE TRANSMISSION, LLC, a Delaware limited liability company (hereinafter referred to as “MAIT”).

RECITALS

On the date of this Lease, Lessor has transferred to MAIT all of the electric energy transmission system of Lessor including, without limitation, all high tension electric transmission lines, towers, poles, posts, cables, conduits, transformers, insulators, meters, electrical connections, fuses, junction boxes and other fixtures and equipment, together with various substations and switching stations, all as more particularly described in the Capital Contribution Agreement executed and delivered by Lessor to MAIT on the date hereof (collectively the “Transmission Facilities”).

Pursuant to this Ground Lease, Lessor leases to MAIT all such lands, easements, franchises and other rights as Lessor has or may have upon, under or over which Transmission Facilities are located on the date hereof, for the purposes and on the terms set forth below.

The Premises are leased to MAIT so as to permit continued use of Transmission Facilities on the portion of the Premises on which the same exist on the date of this Lease for an annual rental representing a reasonable return on Lessor’s net book value thereof. Such terms recognize that Lessor has reserved the right to use, and to permit Authorized Users to use, portions of the Premises for all purposes that do not cause Transmission Facilities to violate the National Electric Safety Code (“NESC”) or Applicable Laws or that do not materially impair MAIT’s ability to satisfy its service obligations under applicable tariffs. Additional, or extensions of, uses of the Premises for MAIT facilities relating to transmission of electricity that additionally burden the Premises are subject to Lessor’s prior written approval, which shall not be withheld except as necessary to preserve Lessor’s Compatible Uses (as hereinafter defined), but will require payment to Lessor of the fair market value for the additional burden or limitation upon other uses resulting therefrom as set forth in this Lease.

NOW, THEREFORE, in consideration of the mutual covenants and promises of the parties hereto, Lessor and MAIT have agreed and do hereby agree as follows:

ARTICLE 1.

Demise of Leased Property

Section 1.1. Premises: Leased Property. Lessor hereby leases to MAIT, and MAIT leases from Lessor, the following described property and rights to the extent of Lessor’s rights interests therein, for the purposes set forth in Article 1 hereof and none other (collectively, the “Premises”):

(a) The tracts or parcels of land described on Exhibit A hereto as fee lands, together with portions of the buildings, structures and fixtures thereon to the extent used for transmission, but not distribution, of electricity on the date of this Lease.

(b) The easements granted to Lessor on, under or over which Transmission Facilities are situated on the date of this Lease, as described on Exhibit A hereto.

(c) The leased lands, servitudes, interests in land, permits, privileges, licenses, consents, franchises and authorizations granted to or held by Lessor on, under or over which Transmission Facilities are situated on the date of this Lease as described on Exhibit A hereto and not identified as being either fee land or an easement.

The portions of the Premises that are required for Transmission Facilities as the same exist and are used for transmission of electricity on the Commencement Date are referred to herein as “Leased Property” and constitute a burden upon the Premises only to the extent necessary for operation of Transmission Facilities thereon in compliance with the NESC and Applicable Laws and MAIT’s service obligations under applicable tariffs. MAIT is to have the priority right to use Leased Property for electric transmission and the right to replace and modify Transmission Facilities on Leased Property so long as the same do not increase MAIT’s uses of, or the burden upon, the portions of the Premises that are not within Leased Property. Because the Premises are primarily used for Transmission Facilities and the Leased Property is not capable of being separately described, MAIT leases the entire Premises and is to be responsible for the control and maintenance thereof and for payment of the Impositions thereon except to the extent specifically provided otherwise in this Lease.

Section 1.2 No Warranty. MAIT accepts the Premises “AS IS” in the condition on the date of this Lease and acknowledges that Lessor has made no representations or with respect thereto including, without limitation, the extent of Lessor’s title thereto or rights in Premises, the location of Transmission Facilities on, under or over the Premises, encroachments Transmission Facilities on the property of others or encroachments of facilities of third parties under or over the Premises,

ARTICLE 2.

Term

Section 2.1 Commencement Date: Initial Term. The Initial Term of this Lease shall commence on the date of this Lease (the “Commencement Date”) and expire at midnight on the twenty-fifth (25th) anniversary of the Lease (hereinafter referred to as the “Initial Term”) unless this Lease shall sooner terminate as provided in this Lease. The Initial Term and any period for which the same may be extended by MAIT pursuant to Section 2.2 hereof is hereinafter referred as the “Term.”

Section 2.2 Extension Periods. MAIT shall have three separate options – consecutive terms of twenty-five (25) years and one term of twenty-four (24) years – to extend the Term of Lease for additional periods such that the total term of the Lease shall not exceed ninety-nine years from the Commencement Date, upon terms and conditions set forth herein, provided MAIT

is not in material default in performing or observing any of its obligations under this Lease at the time of exercise of such option. MAIT shall be deemed to have exercised its option to extend the Term for the Extension Period and the Term shall automatically be so extended unless MAIT have given Lessor written notice of MAIT's decision not to extend the Term at least one (1) year prior to the expiration of the then current Term. If MAIT exercises its options for the three periods, the Parties agree to begin negotiations in the 98th year of the Lease to extend the Lease additional periods beyond ninety-nine (99) years.

ARTICLE 3.

Rent

Section 3.1 Base Rent during the Term. As provided at Schedule A herein, Lessor calculate an annual Base Rent using the following inputs: (i) net book value of the Premises; (ii) MAIT's weighted average cost of capital as reviewed and approved by the Federal Energy Regulatory Commission; (iii) MAIT's statutory tax rate; (iv) property taxes; and (v) all other expenses, liabilities or charges that may be incurred by Lessor pursuant to any lease agreement, license agreement, consent agreement or other similar agreement relating to the Premises. Base rent shall be payable in equal quarterly installments on the first day of each calendar quarter the Term; except that MAIT shall pay to Lessor within five (5) business days after the Commencement Date prorated rent for the period from the Commencement Date to the end of calendar quarter in which the Commencement occurs. A projected base rent will be estimated for quarterly installments until actual information becomes available. At that time, a reconciliation adjustment to reflect actual end of year values will be included in the subsequent quarterly installment.

Section 3.2 Payment. MAIT covenants and agrees to pay Base Rent to Lessor as required by this Lease as and when due and payable. All Base Rent payable, as well as all other amounts payable by MAIT to Lessor pursuant to this Lease, shall be payable to Lessor via the FirstEnergy Utility Money Pool, pursuant to the Revised and Restated FirstEnergy Utility Money Pool Agreement as such agreement may be amended from time to time, or in such other manner at such place as Lessor shall, from time to time, designate by notice to MAIT.

Section 3.3 Net Operating Lease. It is intended that the Base Rent provided for in this Lease shall be absolutely net to Lessor throughout the Term, net of any taxes, costs, expenses, liabilities, charges or other deductions whatsoever, with respect to the Premises or with respect to any interest of Lessor therein, except as specifically provided otherwise herein.

ARTICLE 4.

Permitted Uses of Leased Property and Transmission Facilities

MAIT shall have use of Leased Property for operation of Transmission Facilities solely transmission, but not distribution, of electricity, and purposes incidental thereto including, limitation, operating, inspecting, maintaining, repairing, replacing and removing Transmission Facilities (the "Permitted Uses"). Subject to Article 5 hereof, MAIT shall also have the right to construct, improve, alter and/or relocate Transmission Facilities on Leased Property. MAIT shall

not have the right to use the Premises and MAIT may not permit others to use any Leased or Transmission Facilities for any purpose other than Permitted Uses, all such rights being reserved to Lessor as provided in Article 5.

ARTICLE 5.

Additions/Alterations

Section 5.1 Additions/Alterations. MAIT may construct, erect, alter, add to or relocate Transmission Facilities (an "Addition/Alteration") on Leased Property only after prior written notice thereof to Lessor. Prior to undertaking any Addition/Alteration, MAIT shall submit plans, specifications, surveys and/or other information pertaining to the proposed Addition/Alteration as to fully inform Lessor as to the nature and extent thereof. Within sixty (60) days after such notice to Lessor, Lessor shall notify MAIT whether such proposed Addition/Alteration will result in an additional burden on the Premises and Lessor's estimate of the amount of the fair market value of the property rights required therefor.

Section 5.2 New Facilities. With the prior written approval of Lessor, which approval shall not be withheld except as necessary to preserve Lessor's Compatible Uses (as hereinafter defined), MAIT may construct, erect, or install and operate electric transmission lines, towers, poles, posts, cables, conduits, transformers, insulators, meters, electric connections, fuses, boxes and other fixtures and any equipment ("New Facilities") on the Premises provided that MAIT pays to Lessor the fair market value of the property rights required therefor. MAIT may submit to Lessor from time to time written requests to use portions of the Premises for New Facilities and shall accompany such request with plans, specifications, surveys and/or other information pertaining thereto so as to fully inform Lessor as to the nature and extent thereof. Within sixty (60) days after submission of such request to Lessor, Lessor shall notify MAIT whether or not Lessor approves use of the Premises for the New Facilities and of Lessor's estimate of the fair market value of the property rights required therefor. Lessor shall accommodate, if practically feasible, MAIT's requests for New Facilities to the extent that the same are related to the Transmission Facilities or to the provision of adequate and reliable transmission service by MAIT, including the interconnection of generation sources or load.

Section 5.3 Payment of Fair Market Value. Prior to making any Addition/Alteration on Leased Property or undertaking work on the Premises with respect to New Facilities, MAIT shall pay to Lessor a lump sum equal to the fair market value of the property rights required therefor. MAIT wishes to proceed with making the Addition/Alteration on Leased Property or undertaking work on the Premises with respect to New Facilities prior to final determination of the fair market value of the property rights required therefor, MAIT shall deposit with Lessor a sum equal to the amount of Lessor's estimate without prejudice to its right to a refund of a portion thereof with interest if the fair market value is subsequently determined to be less than the amount so

Section 5.4 Compliance with Laws. All Additions/Alterations and New Facilities shall be undertaken in a good and workmanlike manner and in compliance with the laws, regulations and requirements of all governmental authorities having jurisdiction.

Section 5.5 Additions to Leased Property. Unless Lessor and MAIT agree otherwise writing, all Additions/Alterations and New Facilities shall become Transmission Facilities as if originally subject to this Lease and the same shall remain the property of MAIT. Further, any additional property rights in the Premises for which MAIT has made payment to Lessor pursuant to Section 5.2, Section 5.3, Section 7.2 or Section 7.3 hereof shall become Leased Property as if originally subject to this Lease.

ARTICLE 6.

Maintenance of the Premises and Transmission Facilities

Section 6.1 MAIT Maintenance Obligations. Except as provided in Section 9.4, shall be solely responsible for maintaining, at its expense, all Transmission Facilities and the Premises. MAIT shall maintain the portions of the Premises for which MAIT is responsible for maintenance in a clean and orderly condition, free from all litter and debris without regard to the same became placed thereon or therein. MAIT shall be responsible for maintaining and repairing buildings, structures and fixtures on Leased Property (but not Distribution Facilities therein or thereon) so as to keep the same in good condition and repair. MAIT shall keep and maintain the Transmission Facilities located on Leased Property in a structurally and safe condition and keep the same in a state of repair complying with all requirements of NESC Applicable Law. MAIT shall be solely responsible for repairing, maintaining and replacing, as necessary, all parking areas, driveways, passageways, walkways and other areas on the Premises (except such as may be or have been installed by Lessor or an Authorized User in connection a Compatible Use of the Premises that is related to any exclusive use by Lessor and/or an Authorized User and not MAIT) and the sidewalks and tree lawns adjoining the Premises. also shall be responsible for mowing portions of the Premises for which MAIT is responsible for maintenance, for removal of noxious weeds and brush therefrom and for removal of snow and from driveways and parking areas other than those exclusively related to a Compatible Use of Leased Property by Lessor and/or an Authorized User and not MAIT.

Section 6.2 Patrol: Encroachments. MAIT shall patrol by air the Premises at least annually and MAIT shall notify Lessor of any unauthorized uses of the Premises or thereon that may be identified as a result of such patrol or otherwise. If there are unauthorized of, or encroachments upon, the Premises, Lessor shall determine in the first instance whether or not action should be undertaken to terminate or otherwise address the same. If Lessor undertakes to terminate the unauthorized use or encroachment, Lessor shall do so at its sole cost and If Lessor notifies MAIT that Lessor has determined that no action will be required by Lessor to terminate such unauthorized use or encroachment, then MAIT may take action, at MAIT's sole cost and expense, as it may deem appropriate to terminate such unauthorized use or

Section 6.3 Lessor Not Responsible for Maintenance. Except as otherwise provided herein, Lessor shall not be responsible or liable to MAIT for, or by reason of, the condition of Premises, or arising from any failure to keep the same in good and lawful order and condition. Lessor shall not be required to make any expenditure whatsoever for the maintenance of except as necessary to permit its Compatible Uses thereof or related to Lessor's facilities and equipment on, under or over Premises.

ARTICLE 7.

Electric Distribution Facilities on Transmission Facilities and Leased Property

Section 7.1 Priority Rights for Transmission Facilities. Lessor acknowledges that MAIT is to have the priority right to use Transmission Facilities and the Leased Property for its electric transmission lines and that Lessor's proposed installation of Distribution Facilities (defined in Section 8.1 hereof) on or in Transmission Facilities and/or Leased Property or existing Distribution Facilities on or in Transmission Facilities and/or Leased Property may conflict with MAIT's planned installation of additional transmission lines thereon or therein.

Section 7.2 Proposed Installation of Distribution Facilities. To the extent that Lessor proposes to install Distribution Facilities on or in Transmission Facilities or Premises that MAIT regards as conflicting with MAIT's planned installation of additional transmission lines thereon therein, MAIT may preclude Lessor's use for such installation. In such event, MAIT shall reimburse Lessor for the additional incremental cost of the alternative required in order to the Distribution Facilities proposed by Lessor (it being recognized that alternative rights-of-way for electric distribution lines are less difficult to obtain and less costly than MAIT alternative rights-of-way for transmission lines) over the cost Lessor would have incurred if Distribution Facilities were installed on Transmission Facilities or Premises.

Section 7.3 Relocation of Distribution Facilities. Lessor and MAIT also recognize Distribution Facilities may presently be installed on or in Transmission Facilities or Leased Property or hereafter installed thereon or therein that MAIT subsequently determines preclude installation of additional transmission lines unless such Distribution Facilities are removed and relocated. In such event, MAIT shall have the right to require Lessor to remove such Facilities provided MAIT has reimbursed Lessor for alternative rights-of-way such that Lessor may install Distribution Facilities that are a suitable alternative to the existing Distribution Facilities that are to be removed and relocated. MAIT shall also reimburse Lessor for the cost of removing its Distribution Facilities from Transmission Facilities or Leased Property and for the cost of installing the alternative Distribution Facilities and shall pay to Lessor a lump sum equal the fair market value of the property rights reserved or used for MAIT's additional transmission lines if the same result in an additional burden on the Premises.

ARTICLE 8.

Lessor's Reserved Rights to Use the Premises and Transmission Facilities

Section 8.1 Compatible Uses. Subject to Article 9 hereof, Lessor reserves and retains the right to use, and to permit other users authorized in writing by Lessor to use (each an "Authorized User"), the Premises and Transmission Facilities for any and all purposes not inconsistent with MAIT's Permitted Uses including, without limitation, all such uses as are being made of the Premises and Transmission Facilities on the date of this Lease and any future uses do not cause Transmission Facilities to be in violation of the National Electric Safety Code ("NESC") or any other law, ordinance, rule or regulation applicable to Transmission Facilities or Leased Property, including the Reliability Standards adopted by the Federal Energy Regulatory Commission and enforced by the North American Electric Reliability Corporation and

ReliabilityFirst Corporation (“Applicable Laws”) or that do not materially impair MAIT’s ability to satisfy its service obligations under applicable tariffs. Such uses of Premises and Facilities by Lessor or an Authorized User are herein referred to as “Compatible Uses.” Compatible Uses of Leased Property include, for example and not limitation, towers, poles, cables, conduits, transformers, insulators, meters, electrical connections, fuses, junction boxes other equipment relating to distribution, but not transmission, of electricity (“Distribution Facilities”) of Lessor or Authorized Users; any and all underground lines, conduits, pipes, equipment and facilities including, without limitation, sewer, water and gas lines and mains; farming, gardening, and other agricultural uses, roadways, parking lots and buildings; microwave and cellular telephone and other telecommunication towers, poles, antennae and equipment, fiberoptic cables and all other structures and facilities of every type and nature. Compatible Uses of Transmission Facilities includes, for example and not limitation, installation and operation thereon of Distribution Facilities, telephone, fiber optic and other communication lines and equipment, installation of communication poles, antennae or structures within or on Facilities and use of Transmission Facilities for support thereof.

Section 8.2 Conflicting Uses. Any use of Leased Property that is not a Compatible i.e., that causes Transmission Facilities to be in violation of the NESC or Applicable Law or that materially impairs MAIT’s ability to satisfy its service obligations under applicable tariffs, is referred to herein as a “Conflicting Use.”

ARTICLE 9.

Compatible Uses by Lessor or Authorized Users

Section 9.1 Notice of Compatible Use. Lessor shall give MAIT written notice of an intention to initiate any use that Lessor or an Authorized User, as the case may be, (an “Initiating User”) deems to be a Compatible Use at least thirty (30) days prior to undertaking activities in furtherance of such proposed use provided, however, that no such notice shall be required unless the Compatible Use involves an attachment to Transmission Facilities (such as Distribution Facilities, electric distribution lines, equipment, supports, antenna and other equipment or facilities attached in any way thereto or suspended therefrom) or an installation requiring excavation within the surface area underlying or within thirty (30) feet adjacent to, Transmission Facilities at ground level. Within thirty (30) days after notice to MAIT of such proposed use, MAIT shall notify Lessor whether MAIT believes the proposed use to be a Conflicting Use. If MAIT notifies Lessor that it regards the proposed use to be a Conflicting Use, then activities in furtherance thereof shall not be undertaken until and unless MAIT notifies Lessor in writing that MAIT withdraws its claim that such proposed use is a Conflicting Use or MAIT and Lessor otherwise agree in writing to modification of the proposed use of the Transmission Facilities affected thereby so as to accommodate the objections) by MAIT. Lessor shall furnish to MAIT such plans and specifications, surveys or other information regarding the proposed use as MAIT may reasonably request in order to evaluate the nature and extent of the proposed use.

MAIT and Lessor shall cooperate in good faith to accommodate Permitted Uses and Compatible Uses of Leased Property and Transmission Facilities to the extent reasonably If and to the extent that Transmission Facilities may be relocated or modified to accommodate Compatible Uses and thereby avoid Conflicting Uses without materially adversely affecting the

operation thereof, MAIT shall undertake, or authorize Lessor or an Authorized User to such relocation or modification provided Lessor or the Authorized User, as the case may be, pays all costs reasonably incurred in making such relocations or modifications (including, without limitation, land or right of way acquisition costs, engineering and legal fees and expenses and construction costs) and observes such requirements as MAIT may reasonably specify in connection therewith.

Section 9.2 Informational Notices. Lessor may give MAIT written notice of an intention to initiate any proposed use of Leased Property by Lessor or an Authorized User in proximity to Transmission Facilities that might adversely affect the structure of, or subjacent or lateral support for, Transmission Facilities and furnish such plans and specifications, surveys and other information regarding such proposed use so that MAIT may specify appropriate protective requirements with respect to the work so as to avoid possible damage to Transmission Facilities. Lessor also may give MAIT informational notice of other Compatible Uses of the Premises that not require notice to MAIT prior to initiating same. Such informational notices may result in relieving MAIT of some maintenance responsibility for the Premises or for payment of a share of Impositions that are attributable to the facilities or equipment related to Compatible Use or may merely for the purpose of informing MAIT of the existence of such Compatible Use.

Section 9.3 Repair Obligations of Lessor Authorized User. Lessor shall promptly all damage to the Premises or Transmission Facilities resulting from activities associated with Compatible Uses undertaken by Lessor to be repaired to a condition at least substantially equivalent to that existing prior thereto including, as appropriate in the case of the Premises, leveling of the surface thereof and seeding with grasses or other ground cover as appropriate following excavation of the surface and such other restorative requirements, as the case may be, forth in the plans and specifications therefor submitted to MAIT. Lessor shall also require each Authorized User to cause all damage to the Premises or Transmission Facilities resulting from activities associated with Compatible Uses by such Authorized User to be so repaired.

Section 9.4 Maintenance Obligation of Lessor or Authorized User. Lessor or an Authorized User, as the case may be, shall be solely responsible for maintenance and repair of all facilities and equipment relating to its Compatible Uses of the Premises or Transmission and shall keep and maintain the same in a structurally and operationally safe condition. Lessor an Authorized User, as the case may be, shall also be responsible for maintaining any portion of Premises that is exclusively used by Lessor or the Authorized User.

ARTICLE 10.

Right of First Offering

Section 10.1 Sale Offer of Leased Property. In the event Lessor determines to sell any Leased Property, Lessor shall notify in writing MAIT thereof and the sales price and terms upon which Lessor wishes to sell the same (the "Sale Offer"). MAIT shall have the right to purchase Leased Property that Lessor proposes to sell at the price and upon the terms of the Sale Offer for period of thirty (30) days after such notice to MAIT. MAIT shall exercise such right by written notice of acceptance of such Sale Offer within such 30-day period. In the event MAIT does not accept such Sale Offer, Lessor may sell the Leased Property subject to the Sale Offer at any time

within one (1) year after notice of the Sale Offer to MAIT upon substantially the same terms and for a sale price that is not less than 90% of the sale price set forth in the Sale Offer.

Section 10.2 MAIT's Lease Rights Preserved. Any sale of Leased Property to a third party pursuant to a Sale Offer shall not affect the rights of MAIT under this Lease and, unless Lessor and MAIT shall agree otherwise in writing, such sale shall not result in adjustment of the Base Rent otherwise payable by MAIT to Lessor with respect to such Leased Property.

Section 10.3 Sale of Premises other than Leased Property. Lessor shall have the right sell any portion of the Premises that does not include Leased Property without offering to sell the same to MAIT.

ARTICLE 11.

Taxes and Other Impositions

Section 11.1 MAIT's Responsibility for Impositions. Except as hereinafter provided in Section 11.2 and Section 11.4, MAIT shall reimburse Lessor within ten (10) business days after receipt of an invoice from Lessor therefor, before any fine, penalty, interest or cost may be added thereto for the non-payment thereof, all real estate taxes, assessments, water and sewer rents and charges, any occupancy tax or similar tax, whether or not imposed on or measured by the rents payable by MAIT, and other governmental levies and charges, of any kind and nature which are assessed, levied, confirmed, imposed or become a lien upon the Premises and/or any part thereof, during the Term and any tax measured by the rent payable by MAIT under this or any tax solely on the rent payable by MAIT under this Lease, whether or not such tax is on Lessor or MAIT (all of which are hereinafter referred to as "Impositions"). Upon request, Lessor shall furnish to MAIT all bills relating to Impositions received by Lessor so that MAIT determine whether or not to contest same as permitted by Section 11.3 hereof. If, by law, any Imposition is payable or may at the option of the taxpayer be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Lessor shall pay the same (and accrued interest on the unpaid balance of such Imposition) in installments as the same become due and before any fine, penalty, interest or cost may be added thereto for the non-payment of any such installment and interest. Any Imposition, the lien of which relates to a period in which the Term of this Lease as to any of the Premises begins or ends, shall be apportioned so that MAIT shall pay only that proportion of such Imposition which corresponds with the portion of said period as is within the Term. Upon request by MAIT, Lessor will cooperate with MAIT in applying for any exemption from real estate taxes to which the Premises may be entitled under applicable law provided MAIT reimburses Lessor for any out-of-pocket costs reasonably incurred by Lessor in connection therewith.

Section 11.2 Apportionment. Notwithstanding Section 11.1, MAIT shall not be responsible for reimbursing Lessor for the portions of Impositions attributable to buildings, improvements or Distribution Facilities of Lessor or an Authorized User, it being contemplated that MAIT will be responsible for Impositions attributable to the Premises and to buildings and improvements that relate to Transmission Facilities (i.e., to the extent attributable to use for transmission of electricity). Distribution Facilities and the Transmission Facilities are generally treated under applicable state tax law as personal property and taxed as such to Lessor or MAIT,

the case may be. Real estate taxes on rights-of-way are generally payable by the fee owner and Lessor. Accordingly, it is anticipated that real estate taxes and assessments with respect to fee that is a part of the Premises will have to be apportioned so that the taxes attributable to the land and buildings and improvements (or portions thereof) relating to transmission of electricity are allocated to MAIT and Lessor shall cooperate in order to effect an appropriate allocation of real estate taxes, assessments and any other Impositions such that MAIT, Lessor or Authorized Users are charged with payment of the proper portion thereof.

Section 11.3 Contested Impositions. Notwithstanding anything to the contrary herein contained, if MAIT deems any Imposition for which it is responsible to be excessive or illegal, MAIT may request that Lessor defer payment thereof in order to permit the validity or the thereof to be contested in good faith by MAIT (or by Lessor on MAIT's behalf) provided MAIT shall have furnished to Lessor such security as Lessor may reasonably require in order to assure discharge of the amounts so contested and unpaid, together with all interest and penalties in connection therewith and all charges that may or might be assessed against or become a charge the Premises in said proceedings. If, at any time during the continuance of such proceedings, Lessor shall deem the security provided to it insufficient, MAIT shall, upon demand, furnish to Lessor such additional security as Lessor may reasonably require, and upon failure of MAIT so do, the security theretofore provided may be applied to the payment, removal and discharge of such Imposition and interest and penalties in connection therewith and any costs, fees or other liabilities accruing in such proceedings, and the balance, if any, shall be returned to MAIT, provided MAIT is not in default hereunder. If the amount so deposited or the amount paid by MAIT or its surety shall be insufficient for this purpose, MAIT shall forthwith pay to Lessor additional sum as may be necessary to pay the same. Any contest as to the validity or amount of any Imposition, whether before or after payment, may be made by MAIT, in the name of Lessor of MAIT, or both, as MAIT shall determine, and Lessor will, at MAIT's expense, cooperate with MAIT in any such contest to such extent as MAIT may reasonably request. It is understood, however, that Lessor shall not be subject to any liability for the payment of any costs or expenses in connection with any such proceeding brought by MAIT and MAIT covenants to pay, and to indemnify and save Lessor harmless from, any such costs or expenses. MAIT shall be entitled to any refund of any such Imposition and penalties or interest thereon which have been paid by or which have been paid by Lessor and reimbursed to Lessor by MAIT.

Section 11.4 Lessor's Taxes. It is expressly understood and agreed that MAIT shall not be required to pay, or reimburse Lessor for any federal, capital levy, franchise tax, gross receipts tax, revenue tax, premium tax, personal property tax, income tax or profits tax of Lessor or any such tax imposed after the date hereof, by any state or local governmental authority or if such tax is determined on the basis of the general assets, or the general net income or net of Lessor.

ARTICLE 12.

Compliance with Applicable Laws

Section 12.1 Compliance with Applicable Law. MAIT shall, throughout the Term, and at no expense whatsoever to Lessor, promptly comply, or cause compliance, with all Applicable Laws and all orders, rules, regulations and requirements of duly constituted public authorities

relating to the Transmission Facilities and all of the Premises except as the same relate to Compatible Uses by Lessor and/or Authorized Users.

Section 12.2 MAIT's Contest of Applicable Law. MAIT shall have the right to contest by appropriate legal proceedings, without cost or expense to Lessor, the validity of any Law relating to its use of Leased Property or Transmission Facilities and to postpone compliance with the same if, by the terms of any such Applicable Law, compliance therewith may legally be held in abeyance without incurring any lien, charge or liability of any kind against the Premises any interest of Lessor therein and without subjecting Lessor to any liability, civil or criminal, whatsoever nature for failure to comply therewith. MAIT may postpone compliance therewith until the final determination of any proceedings, provided that all such proceedings shall be prosecuted with all due diligence and dispatch. If MAIT shall initiate or carry on any such legal proceedings in the name of Lessor, or of Lessor and MAIT, and, except in the case of an emergency, MAIT shall so advise Lessor in writing not less than fifteen (15) days before such proceedings and give full details as to the tribunal in which said proceedings are to be filed, the law, ordinance, order, ruling, regulation or requirement contested, and such additional data as Lessor may require to enable it to understand the facts and evaluate them. If any lien, charge or civil liability, but not criminal liability, is incurred by reason of non-compliance, MAIT may nevertheless make the contest and delay compliance as aforesaid, provided that MAIT furnishes Lessor such security as Lessor may reasonably require against any loss or injury by reason of non-compliance or delay therein and MAIT prosecutes the contest with due diligence and

Section 12.3 Contest of Applicable Law by Lessor or Authorized User. Nothing in this Article 12 shall preclude Lessor or an Authorized User from contesting the validity of any law, ordinance, rule or regulation applicable to the Premises or any use thereof by Lessor or an Authorized User as the case may be.

ARTICLE 13.

Damage or Destruction of Transmission Facilities and Condemnation

Section 13.1 Damage; Destruction and Condemnation. This Lease shall not terminate, nor, except to the extent otherwise specifically provided herein, shall MAIT be entitled to any abatement or return of Base Rent or reduction thereof, nor shall the respective obligations of Lessor and MAIT be otherwise affected, by reason of damage to or destruction of all or any of Transmission Facilities from whatever cause, the taking of the Premises or Transmission by condemnation or exercise of the power of eminent domain or otherwise, the lawful of MAIT's use of any Leased Property or Transmission Facilities, or any other cause similar to foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the Base Rent and charges paid or payable by MAIT shall continue to be in all events unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

Section 13.2 Condemnation Award. Lessor shall be entitled to the entire award from any taking of the Premises pursuant to exercise of the power of eminent domain and MAIT shall have no claim with respect thereto. Notwithstanding the foregoing, in the event of a taking Leased Property by exercise of the power of eminent domain such that MAIT cannot continue

of the portion affected thereby for its Transmission Facilities, then MAIT shall have the right to terminate this Lease as to such portion, however, Base Rent payable by MAIT shall not be as a result thereof.

ARTICLE 14.

Environmental Matters

Section 14.1 Hazardous Material. As used herein, the term “Hazardous Material” any hazardous or toxic substance, material or waste which is or becomes regulated by any governmental authority, including without limitation, any material or substance which is (a) defined or listed as a “hazardous waste,” “extremely hazardous waste,” “restricted hazardous waste,” “hazardous substance” or “hazardous material” under any applicable federal, state or law or administrative code promulgated thereunder; (b) petroleum or any derivative thereof; (c) asbestos; (d) PCB’s; or (e) lead. MAIT shall not cause or permit any Hazardous Material to be brought upon, stored, used, handled, generated, released or disposed of on, in, under or about the Premises by MAIT, its agents, employees, contractors or invitees, except in compliance with applicable laws and regulations. Moreover, MAIT shall be responsible for removal of any and Hazardous Material on or under the Premises excepting only such Hazardous Material as was present prior to the Commencement Date or hereafter is placed on or under the Premises as a of acts of Lessor or Authorized Users or the presence of facilities and equipment of Lessor or Authorized Users thereon or therein or on, under or over other properties of Lessor adjacent to or in the vicinity of the Premises.

Section 14.2 MAIT’s Environmental Indemnity. MAIT shall indemnify, defend and hold Lessor and its officers, directors and employees harmless from any and all claims, actions, administrative proceedings (including informal proceedings), judgments, damages, punitive damages, penalties, fines, costs, liabilities, interest or losses, attorney’s fees and expenses, consultant and expert fees, costs of investigation, monitoring, cleanup, containment, restoration, removal or other remedial work, together with all other costs and expenses of any kind or nature that arise during or after the Term from any breach of MAIT’s obligations set forth in this Article 14.

Section 14.3 Lessor’s Environmental Indemnity. Lessor shall indemnify, defend and hold MAIT and its officers, directors and employees harmless from any and all claims, actions, administrative proceedings (including informal proceedings), judgments, damages, punitive damages, penalties, fines, costs, liabilities, interest or losses, attorney’s fees and expenses, consultant and expert fees, costs of investigation, monitoring, cleanup, containment, restoration, removal or other remedial work, together with all other costs and expenses of any kind or nature that arise during or after the Term from the presence of Hazardous Material on or under the Premises prior to the Commencement Date or that is hereafter placed on or under the Premises as result of acts of Lessor or Authorized Users or the presence of facilities of Lessor or Authorized Users thereon or therein or on, under or over other properties of Lessor and adjacent to or in the vicinity of the Premises.

Section 14.4 Survival of Environmental Indemnity Covenants. Each of the covenants and agreements of MAIT and Lessor set forth in this Article 14 shall survive termination of this Lease.

ARTICLE 15.

Indemnification

Section 15.1 MAIT's Indemnification Obligation. Except as herein expressly provided otherwise, MAIT covenants and agrees, at its sole cost and expense, to indemnify, defend and harmless Lessor against and from any and all claims by or on behalf of any person, firm, corporation or governmental authority, arising from the construction, occupancy, use, possession, conduct or maintenance of or from any work or thing whatsoever done in or about Premises the Term and further to indemnify, defend and hold Lessor harmless against and from any and all claims arising with respect to Transmission Facilities, or arising from any breach or default on part of MAIT in the performance or observance of any covenant or agreement on the part of to be performed or observed pursuant to the terms of this Lease, or arising from any negligent act or omission or willful misconduct of MAIT, or any of its agents, employees, contractors or invitees, or arising from any accident, injury or damage whatsoever, however caused, occurring during the Term, in or about the Premises, and from and against all costs, counsel and fees, expenses and liabilities incurred by Lessor in connection with any such claim, action or proceeding brought thereon; and in case any action or proceeding be brought against Lessor, covenants to resist or defend such action or proceeding by counsel reasonably satisfactory to Lessor unless such action or proceeding is resisted or defended by counsel for any carrier of commercial general liability insurance referred to in Section 17.1 hereof, as authorized by the provisions of any policy of commercial general liability insurance maintained pursuant to said Section. The foregoing indemnification, defense and hold harmless provision for the benefit of Lessor (a) shall apply only to the extent that the proceeds of insurance required hereunder or otherwise obtained by MAIT for the benefit of Lessor are insufficient fully to protect Lessor and (b) shall not apply or extend to any negligent act or omission or willful misconduct of Lessor or Authorized User, or any agents, employees or contractors of Lessor or an Authorized User nor to any condition, or circumstance resulting from operation, maintenance, repair, replacement or removal, of the Distribution Facilities of Lessor on the Premises or improvements, equipment or facilities of an Authorized User on the Premises.

Section 15.2 MAIT's Indemnification for Lessor's Costs of Enforcing Lease. MAIT shall indemnify, defend and hold Lessor harmless against and from, all costs and charges, including counsel and consultants' fees, reasonably incurred in obtaining possession of the Premises after default by MAIT or upon expiration or earlier termination of the Term hereof, or enforcing any covenant or agreement of MAIT herein contained.

Section 15.3 Workers' Compensation Indemnity Waivers. For the purpose of indemnification of Lessor from judgments, claims, suits or actions brought against it by MAIT employees, MAIT expressly and specifically waives any and all immunity to which it may be entitled under the workers' compensation laws of the jurisdiction in which the Premises are located.

ARTICLE 16.

Liens

Section 16.1 No Liens. Except as provided in Article 11 and Article 24 hereof, MAIT shall not allow the interest of Lessor or MAIT in the Premises or Transmission Facilities to subject to any lien, charge or encumbrance whatsoever and shall indemnify, defend and hold Lessor harmless from and against all such liens, charges and encumbrances.

Section 16.2 Discharge of Certain Liens. MAIT shall not suffer or permit any mechanic's, laborer's or materialman's liens to stand against the Premises, or any part thereof by reason of any work, labor, services or materials done for, or supplied to, or claim to have been for, or supplied to, MAIT. If any such lien shall at any time be filed against the Premises, or any part thereof, or against the interest of MAIT in the Premises, MAIT shall cause the same to be discharged of record within thirty (30) days after the date of filing the same, by either payment, deposit or bond. If MAIT shall fail to discharge any such lien within such period, then, in to any other right or remedy of Lessor, Lessor may, but shall not be obligated to, procure the discharge of the same either by paying the amount claimed to be due by deposit in court or bonding, and/or Lessor shall be entitled, if Lessor so elects, to compel the prosecution of any action for the foreclosure of such lien by the lienor and to pay the amount of the judgment, if in favor of the lienor, with interest, costs and allowances. Any amount paid or deposited by for any of the aforesaid purposes, and all reasonable costs and other expenses of Lessor, reasonable counsel and consultants' fees, in defending any such action or procuring the discharge of such lien, with all necessary disbursements in connection therewith, shall be payable by MAIT to Lessor as additional rent within thirty (30) days after invoice by Lessor to MAIT therefor.

Section 16.3 No Lessor Consent to Liens. Nothing in this Lease shall be deemed to be, or construed in any way as constituting, the consent of Lessor to the filing of any lien against Lessor's interest in the Premises by any person, firm or corporation for the performance of any labor or the furnishing of any materials for any construction, rebuilding, alteration or repair of Transmission Facilities, or any part thereof

ARTICLE 17.

Insurance and Waiver of Subrogation

Section 17.1 Insurance. During the Term, MAIT shall maintain in effect commercial general liability insurance protecting MAIT and Lessor (as evidenced by policies in which is named as an additional insured) against claims of any and all persons, firms and corporations personal injury, death or property damage occurring upon, in or about the Premises, with such limits of liability as are customarily carried by prudent electric transmission companies or such amount as Lessor shall approve in writing from time to time. All insurance policies provided pursuant to this Section 17.1 shall be obtained by MAIT from an insurance carrier or carriers of good reputation and sound financial responsibility selected by MAIT and shall be subject to self-retention deductibles in such amounts as Lessor may approve in writing from time to time, which approval Lessor agrees not to unreasonably withhold, delay or condition. Policies or certificates evidencing such insurance have been delivered by MAIT to Lessor prior to execution

of this Lease and certificates evidencing renewal of such insurance shall be delivered to Lessor at least ten (10) days' prior to the expiration of any such policy of insurance. Each such policy contain an agreement by the insurers not to cancel such policy or materially alter its coverages except upon at least thirty (30) days' prior written notice to Lessor.

Section 17.2 Waivers of Subrogation. Lessor and MAIT each hereby mutually waive respective rights of subrogation and recovery against the other for any loss insured by property insurance maintained by such party. The Transmission Facilities and all other property on the Premises belonging to MAIT, its agents, employees or invitees shall be at the risk of MAIT or other person only, and Lessor shall not be liable for damage thereto or for the theft, misappropriation or loss thereof.

ARTICLE 18.

Lessor's Rights To Perform MAIT's Covenants

Except to the extent otherwise provided in Section 11.3, MAIT covenants and agrees that if it shall at any time fail to pay, or cause to be paid, any Imposition required to be paid by MAIT pursuant to the provisions of Article 11 hereof, or to take out, pay for, maintain or deliver or cause to be taken out, paid for, maintained or delivered any of the insurance policies provided for in Article 17 hereof, or shall fail to make any other payment or perform any other act which MAIT is obligated to make or perform under this Lease, or cause such to be done, then Lessor may, but shall not be obligated so to do, after thirty (30) days' written notice to MAIT (but without notice in the event of an emergency) and without waiving, or releasing MAIT from, any obligation of MAIT in this Lease contained, pay any such Imposition or effect such insurance coverage and pay premiums therefor, and may make any other payment or perform any other act which MAIT is obligated to perform under this Lease, in such manner and to such extent as shall be necessary, reasonable and, in exercising any such rights, pay necessary, reasonable and incidental costs and expenses, employ counsel and incur and pay attorneys' and consultants' fees. All sums so paid by Lessor and all necessary, reasonable and incidental costs and expenses in connection with the performance of any such act by Lessor, shall be deemed additional Base Rent hereunder and, except as otherwise expressly provided in this Lease, shall be payable to Lessor as additional Base Rent within thirty (30) days after the date of Lessor's invoice to MAIT therefor, and MAIT covenants to pay any such sum or sums and Lessor shall have the same rights and remedies in the event of the nonpayment thereof by MAIT as in the case of default by MAIT in the payment of Base Rent.

ARTICLE 19.

Default Provisions

Section 19.1 Events of Default. This Lease and the Term hereof are subject to the limitation that if, at any time during the Term, any one or more of the following events (herein called an "Event of Default") shall occur:

- (a) if MAIT shall fail to pay any installment of the Base Rent provided for herein, or any part thereof, when the same shall become due and payable, and such failure

shall continue for ten (10) days after receipt of written notice thereof from Lessor to or

(b) if MAIT shall fail to pay any other charge or sum required to be paid by MAIT hereunder and any such failure shall continue for thirty (30) days after receipt of written notice thereof from Lessor to MAIT; or

(c) if MAIT shall fail to perform or observe any other requirement of this Lease (not already specified in this Section 19.1) on the part of the MAIT to be performed or observed, and such failure shall continue for thirty (30) days after receipt of written notice thereof from Lessor to MAIT; or

(d) if substantially all Transmission Facilities in or on Leased Property or MAIT's interest in this Lease are attached or levied upon under execution and the same is not discharged within sixty (60) days thereafter,

Lessor shall have the right, then or at any time thereafter, and while such default or defaults shall continue, to give MAIT written notice of Lessor's intention to terminate this Lease on a date specified in such notice, which date shall not be less than thirty (30) days after the date of giving of such notice, and, on the date specified in such notice, MAIT's right to possession of Leased Property shall cease and MAIT shall peaceably and quietly yield to and surrender to Lessor the Premises and this Lease shall thereupon be terminated and all of the right, title and interest of MAIT hereunder shall wholly cease and expire in the same manner and with the same force and effect as if the date of expiration of such thirty (30) day period were the date originally specified herein for the expiration of this Lease and the Term hereof, and MAIT shall then quit and surrender the Premises and the Transmission Facilities on Leased Property to Lessor, but MAIT shall remain liable to Lessor as provided below. In the event of termination of this Lease, MAIT shall be deemed to have abandoned all Transmission Facilities on, under or over Leased Property to the extent the same have not been removed thereon prior to the date of such termination.

Section 19.2 Possession Following Event of Default. In the event of any termination of this Lease pursuant to Section 19.1 or if an Event of Default shall continue beyond the expiration of any grace or cure period provided for above, Lessor may enter upon the Premises and have, repossess and enjoy the same by summary proceedings, ejectment or otherwise, and in any such event neither MAIT nor any person claiming through or under MAIT shall be entitled to possession or to remain in possession of the Premises but shall forthwith quit and surrender the Premises. Lessor shall be under no liability for or by reason of any such entry, repossession or removal of MAIT or any person claiming through or under MAIT.

Section 19.3 MAIT's Responsibility for Costs. In case of any such termination, re- or dispossession by summary proceedings, ejectment or otherwise, the rent and other charges required to be paid by MAIT hereunder shall thereupon become due and payable up to the time such termination, re-entry or dispossession, and MAIT shall also pay to Lessor all reasonable expenses which Lessor may then or thereafter incur for legal expenses, attorney's and fees, brokerage commissions, and all other reasonable costs paid or incurred by Lessor for or restoring the Premises and the Transmission Facilities to good order and condition or, if elects to do so, for removing Transmission Facilities from Leased Property. Lessor shall be

no obligation to lease or relet Leased Property or Transmission Facilities or any part of either in order to mitigate damages.

Section 19.4 Survival of MAIT's Payment Obligation. The right of Lessor to recover from MAIT the amounts provided for above shall survive the issuance of any order for or other cancellation or termination hereof.

Section 19.5 Extension of Cure Period for Certain Events of Default. Anything in this Article 19 to the contrary notwithstanding, it is expressly understood that, with respect to any Event of Default within the purview of clause (c) of Section 19.1 hereof, if such Event of Default of such a nature that it cannot, with due diligence, be cured within a period of thirty (30) days, Lessor shall not be entitled to re-enter the Premises, serve a notice of termination upon MAIT as provided in said Section 19.1, or exercise any right, power or remedy with respect to such Event Default nor shall the same be regarded as an Event of Default for any of the purposes of this if MAIT shall have notified Lessor in writing that MAIT will undertake curing such default and commenced the curing of such default within the period of thirty (30) days referred to in said clause 19.1(c), and so long as MAIT shall thereafter proceed in good faith with reasonable diligence to complete the curing of such default, and the time within which MAIT must cure the same shall be extended for such period as may be necessary to complete the same with due diligence.

ARTICLE 20.

Cumulative Remedies, Waiver

Section 20.1 Cumulative Remedies. The specified remedies to which Lessor may under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which Lessor may be lawfully entitled in case of any breach or threatened breach by MAIT of any provision of this Lease. In addition to the other remedies in Lease provided, Lessor shall be entitled to the restraint by injunction of any violation or or threatened violation of any of the terms, covenants, condition, provisions or agreements of this Lease.

Section 20.2 No Waiver. The failure of Lessor to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, provisions or agreements of Lease or to exercise any option herein contained shall not be construed as a waiver or a relinquishment for the future of any such term, covenant, condition, provision, agreement or option. A receipt and acceptance by Lessor of Base Rent or any other payment, or the of any performance of anything required by this Lease to be performed, with knowledge of the breach of any term, covenant, condition, provision or agreement of this Lease, shall not be a waiver of such breach, nor shall any acceptance of any payment in a lesser amount than is provided for (regardless of any endorsement on any check, or any statement in any letter accompanying any payment) operate or be construed either as an accord and satisfaction or in manner other than as payment on account of the amounts then unpaid by MAIT, and no waiver Lessor of any term, covenant, condition, provision or agreement of this Lease shall be deemed to have been made unless specifically acknowledged as such in a writing signed by Lessor.

ARTICLE 21.

Quiet Enjoyment and Surrender of Leased Property

Section 21.1 Quiet Enjoyment. So long as MAIT shall make the Base Rent and other payments provided for herein and shall keep, observe and perform all of the other covenants of Lease, MAIT shall and may peaceably and quietly have, hold and enjoy the Premises for Uses during the Term hereof free of interference from Lessor or those claiming by, through or under Lessor except that nothing herein shall preclude use of the Premises or Transmission Facilities by Lessor or Authorized Users to the extent provided elsewhere in this Lease. This covenant shall be construed as running with the land to and against subsequent owners and successors in interest, and is not, nor shall it operate or be construed as, a personal covenant of Lessor, except to the extent of Lessor's interest in the Premises and only so long as such interest shall continue, and thereafter this covenant shall be binding only upon such subsequent owners successors in interest, to the extent of their respective interests, as and when they shall acquire same, and only so long as they shall retain such interest.

Section 21.2 Surrender of Premises. Except as otherwise provided in this Lease, MAIT shall, upon the expiration or termination of this Lease for any reason whatsoever, surrender the Premises to Lessor in good order, condition and repair, except for reasonable wear and tear. shall surrender to Lessor all the Premises to Lessor upon expiration of the Term without notice of any kind, and MAIT hereby waives all right to any such notice as may be provided under any present or future law.

Section 21.3 Holdover. If MAIT continues to occupy the Premises with the written consent of Lessor after the last day of the Term, MAIT shall be a tenant from month to month, at Base Rent twice the rate in effect prior to the end of the Term and such tenancy shall otherwise subject to all of the covenants and agreements of this Lease. In the event that Lessor does not so consent to MAIT's continued possession after the expiration of the Term of this Lease, or if no agreement shall have been entered into by the parties hereto, MAIT shall pay Lessor all damages sustained by reason of MAIT's retention of possession after such expiration.

Section 21.4 MAIT's Right to Terminate Lease as to All or Part of Premises. From to time during the Term, MAIT shall have the right to terminate this Lease as to, and surrender possession of, all or a portion of Leased Property and portions of the Premises adjoining such Leased Property as of the end of a calendar quarter. MAIT shall give Lessor written notice of its intention to terminate this Lease as to, and surrender possession of, Leased Property not less than one hundred eighty (180) days prior to the date for termination specified therein and, if appropriate, its wish to remove some or all of the Transmission Facilities located thereon as specified in such notice. If a Leasehold Mortgagee shall exist as of the time of any notice of termination to Lessor pursuant to this Section, such notice of termination shall be accompanied a written consent thereto signed by the Leasehold Mortgagee and no such notice of termination shall be effective unless accompanied by such written consent. In the event of termination of this Lease as to some, but not all, of the Premises, Base Rent shall not be reduced by the portion that is attributable to the Leased Property as to which such termination relates.

Section 21.5 Surrender or Removal of Transmission Facilities. Upon expiration of the Term or termination of this Lease, in its entirety or with respect to but not all Leased Property, or termination of this Lease pursuant to Article 21 hereof, MAIT shall surrender to Lessor all Transmission Facilities then on, under or over Leased Property and title thereto shall vest in unless Lessor shall have notified MAIT in writing prior to the expiration of the Term or the effective date of such termination that some or all of the Transmission Facilities are to be therefrom. If Lessor notifies MAIT that some or all of the Transmission Facilities are to be removed from Leased Property, MAIT shall undertake removal thereof with reasonable diligence thereafter and shall cause the surface of Leased Property affected thereby to be restored. MAIT shall coordinate removal activities with Lessor and Authorized Users as and to the extent necessary to protect or relocate Distribution Facilities or other uses of Transmission Facilities being made of Transmission Facilities by Lessor and/or Authorized Users. MAIT shall continue have access to Leased Property after such expiration or termination for such purpose and shall be deemed to be continuing to occupy Leased Property pursuant to Section 21.3. Until of such removal, Section 6.1, Section 12.2, Article 14, and Article 15 shall continue in effect notwithstanding expiration or termination of this Lease. In the event title to some or all of the Transmission Facilities vests in Lessor pursuant to this Section 21.5, MAIT shall execute and deliver to Lessor from time to time such bills of sale or other conveyance as Lessor may reasonably request for the purpose of confirming Lessor's ownership thereof

ARTICLE 22.

Assignment Subletting

Section 22.1 Prohibition Against Assignment of Lease Without Lessor's Approval. Except as specifically provided otherwise in this Lease, neither this Lease nor the leasehold created hereby shall be sold or assigned without the prior written approval of Lessor which may withhold for any reason or no reason. No sale or assignment of this Lease shall be effective until there has been delivered to Lessor an undertaking, signed by such proposed purchaser or assignee, in which such purchaser or assignee assumes the due performance of all obligations on MAIT's part to be performed under this Lease. Upon such assumption, MAIT shall have no further liability under this Lease except as to liabilities, which arose prior to the sale or In the event MAIT has been notified by Lessor of an Event of Default which has not been cured of the time of a proposed sale or assignment the undertaking to be signed by the proposed purchaser or assignee shall include a specific commitment to cure any such Event of Default in timely fashion

Section 22.2 Prohibition Against Subleasing. MAIT shall not sublet all or any part of Premises to any third party without the prior written approval of Lessor, which Lessor may withhold, for any reason or no reason.

Section 22.3 Permitted Assignments by MAIT. Notwithstanding Section 22.1, this Lease may be assigned without Lessor's prior written approval to any electric transmission company with which MAIT is merged or consolidated or which is a purchaser of substantially all of the Transmission Facilities or to any Leasehold Mortgagee or the nominee of a Leasehold Mortgagee or purchaser or assignee of the leasehold estate pursuant to Article 24 hereof.

Section 22.4 Assumption by Assignee. Each assignee of this Lease shall promptly execute and deliver to Lessor a written assumption of MAIT's obligations under this Lease in form as Lessor may require.

ARTICLE 23.

Fee Mortgage Indenture

Leased Property is presently subject and subordinate to the [_____], as the same has been amended and supplemented and as the same may hereafter be amended and supplemented (the "Mortgage"). Notwithstanding the priority of the Mortgage over the leasehold estate and rights of MAIT created by this Lease, the Trustee and MAIT have entered into a Non-disturbance Agreement pursuant to which the Trustee has agreed that the use and occupancy of MAIT of Leased Property pursuant to this Lease will not be interfered with or disturbed by the Trustee or anyone claiming by, through or under the Trustee, including any receiver or purchaser of the interest of Lessor in Leased Property upon foreclosure of the Mortgage or other exercise of the rights of the Trustee under the Mortgage provided MAIT is not in material default in the performance or observance of its obligations under this Lease.

ARTICLE 24.

Mortgaging of Leasehold Interest

Section 24.1 Leasehold Mortgages. MAIT, without Lessor's consent, shall have the unrestricted right to mortgage the leasehold estate created by this Lease pursuant to a leasehold mortgage or mortgages, at any time and from time to time, on any terms MAIT may deem desirable. If more than one such mortgage shall at the time be in effect, each such mortgage, at time in effect, is herein called a "Leasehold Mortgage." No holder of a Leasehold Mortgage shall have the rights or benefits set forth in this Article 24, nor shall the provisions of this Article be binding upon Lessor unless and until holder of a Leasehold Mortgage shall have notified Lessor writing that it is a holder of such Leasehold Mortgage and of the name and address to which all notices and other communications hereunder to it may be addressed; and such a holder of a Leasehold Mortgage, having given such notice, is herein called "Leasehold Mortgagee."

Section 24.2 Notices to Leasehold Mortgagees. Any notice which the holder of a Leasehold Mortgage shall desire or be required to give to Lessor shall be in writing and shall be deemed to have been given (a) upon receipt when the same is delivered in person or by courier or (b) as of the third business day after the same has been deposited with the United States Postal Service, postage prepaid for certified or registered mail, at the address set forth in Section 26.1 hereof or at such other addresses as shall be designated by Lessor in a written notice thereof to Leasehold Mortgagee. Any notice which Lessor shall desire or be required to give to a Mortgagee shall be in writing and shall be deemed to have been given (i) upon receipt when the same is delivered in person or by courier or (ii) as of the third business day after the same has been deposited with the United States Postal Service, postage prepaid for certified or registered mail, addressed to such Leasehold Mortgagee at the address set forth in the Leasehold Mortgage or in such last recorded assignment thereof or at such other address as shall have been designated by such Leasehold Mortgagee in a written notice thereof to Lessor.

Section 24.3 No Lease Cancellation, Surrender or Material Modification without Leasehold Mortgagee Consent. Lessor and MAIT shall not agree between themselves to any cancellation, surrender or material modification of this Lease without the prior written consent of each Leasehold Mortgagee.

Section 24.4 Notices of Default to Leasehold Mortgagee. Lessor shall give to each Leasehold Mortgagee a copy of any Notice of Default or notice of Lessor's intention to terminate this Lease given by Lessor to MAIT hereunder not later than ten (10) days after giving any such notice to MAIT.

Section 24.5 Payment or Performance by Leasehold Mortgagee. At any time when any Leasehold Mortgagee shall remain unsatisfied of record, any Leasehold Mortgagee may make any payment or perform any act required hereunder to be made or performed by MAIT and Lessor shall accept such payment and performance. No entry by a Leasehold Mortgagee upon the Premises for such purpose shall constitute or be deemed to be an eviction of MAIT or release MAIT from any obligation or default hereunder (except in the case of any obligation or default which shall have been fully performed or corrected by such payment or performance by a Leasehold Mortgagee).

Section 24.6 Leasehold Mortgagee Notices to Lessor of Intention to Cure Event of Default. For purposes of this Article, no Event of Default shall be deemed to exist under Article in respect of performance or observance of any requirement of this Lease on the part of MAIT to be performed or observed if a Leasehold Mortgagee shall have notified Lessor in writing of its intention to cure such default and commenced the curing of such default within the time therefor and shall thereafter have proceeded in good faith with reasonable diligence to complete the curing of such default and the time within which such default must be cured shall be for such period as may be necessary to complete the same with due diligence.

Section 24.7 Leasehold Mortgagee Opportunities to Cure Events of Default. Anything herein contained to the contrary notwithstanding, upon the occurrence of an Event of Default (inclusive of the occurrence of any of the events specified in paragraph (c) or (d) of Section 19.1 hereof), other than an event of default due to a default in the payment of money, Lessor shall take no action to effect a termination of this Lease without first giving to each Leasehold Mortgagee written notice thereof and a reasonable time thereafter within which notify Lessor in writing of intention, and thereafter diligently proceeding, either (i) to obtain possession of the Premises (including possession by a receiver) or (ii) to institute, prosecute and complete foreclosure proceedings or otherwise acquire MAIT's interest under this Lease. Upon obtaining possession acquiring MAIT's interest under this Lease, a Leasehold Mortgagee shall be required promptly to cure all defaults then reasonably susceptible of being cured by such Leasehold Mortgagee. Notwithstanding the foregoing, (i) such Leasehold Mortgagee shall not be obligated to continue such possession or to continue such foreclosure proceedings after the Events of Default shall be cured; (ii) nothing herein contained shall preclude Lessor, subject to the provisions of this Article, from exercising any rights or remedies under this Lease with respect to any other default by MAIT during the pendency of such foreclosure proceedings; (iii) if such Leasehold shall be a party other than a bank, insurance company or other entity having a net worth \$30,000,000 at the time the Leasehold Mortgage is granted or a group of such banks, insurance companies or other entities (a "Lending Institution"), such Leasehold Mortgagee shall deposit

Lessor during the period of forbearance by Lessor from taking action to effect a termination of Lease such security as shall be reasonably satisfactory to Lessor to assure Lessor of compliance such Leasehold Mortgagee during the period of such forbearance with such of the terms, conditions and covenants of this Lease as are reasonably susceptible of being complied by such Leasehold Mortgagee and (iv) such Leasehold Mortgagee, if a Lending Institution, shall agree with Lessor in writing to comply during the period of such forbearance with such of the terms, conditions and covenants of this Lease as are reasonably susceptible of being complied with by such Leasehold Mortgagee. Any Event of Default by MAIT not reasonably susceptible of being cured by such Leasehold Mortgagee shall be deemed to have been waived by Lessor upon completion of such foreclosure proceedings or upon such acquisition of MAIT's interest in this Lease, except that any of such Events of Default which are reasonably susceptible of being cured after such completion and acquisition shall then be cured with reasonable diligence by such Leasehold Mortgagee or its designee or other purchaser, as the case may be. Such Leasehold Mortgagee or its designee, or other purchaser in foreclosure proceedings, may become the legal owner and holder of this Lease through such foreclosure proceedings or by assignment of this Lease in lieu of foreclosure.

Section 24.8 Leasehold Mortgagee Right to New Lease. In the event of the termination of this Lease prior to the expiration of the Term, Lessor shall serve upon each Leasehold Mortgagee written notice that the Lease has been terminated together with a statement of any and all such sums which would at the time be due under this Lease but for such termination, and all other Events of Default, if any, under this Lease then known to Lessor. Any Leasehold shall thereupon have the option to obtain a new lease in accordance and upon the following terms and conditions:

Upon the written request of the Leasehold Mortgagee, within sixty (60) days after service of such notice that the Lease has been terminated, Lessor shall enter into a new lease with respect to the Premises with such Leasehold Mortgagee as follows:

Such new lease shall be entered into at the reasonable cost of the lessee thereunder, shall be effective as of the date of termination of this Lease and shall be for the remainder of the Term of this Lease and at the Base Rent and upon all the agreements, terms, covenants and conditions hereof, including any options to extend the Term. Such new lease shall require the lessee to perform any unfulfilled obligation of MAIT under this Lease, which is reasonably susceptible of being performed, by such lessee. Upon the execution of such new lease, the lessee named therein shall pay any and all sums which would at the time of the execution thereof be due under this Lease but for such termination, and shall pay all expenses, including reasonable counsel fees, court costs and disbursements incurred by Lessor in connection with such Events of Default and termination, the recovery of possession of the Leased Property and the preparation, execution and delivery of such new lease.

Section 24.9 Extension of Term Pursuant to New Lease. If the Term is not extended pursuant to Section 2.2 hereof, or for any other reason whatsoever, MAIT shall not become

to extend the Term of this Lease, Lessor shall serve upon each Leasehold Mortgagee written thereof and any such Leasehold Mortgagee shall have the option upon written request served Lessor to obtain from Lessor a new lease of the Premises for such renewal term in accordance and upon the following terms and conditions:

Such written request shall be served upon Lessor not later than sixty (60) days after the service of the aforementioned notice by Lessor on such Leasehold Mortgagee, and within thirty (30) days after the service of such written request, lessor and the Leasehold Mortgagee, or its designee, shall enter into a new lease with respect to the Premises as follows:

Such new lease shall be entered into at the reasonable cost and expense of the lessee thereunder, shall be effective as of the date of termination of the then current Term of this Lease, and shall be for the Extended Term next succeeding the then current term of this Lease, and at the Base Rent and upon all the agreements, terms, covenants and conditions hereof, including any further options to extend the Term. Such new lease shall require the lessee to perform any unfulfilled obligation of MAIT under this Lease, which is reasonably susceptible of being performed, by such lessee. Upon execution of such new lease, the lessee therein named shall pay any and all sums remaining unpaid under the Lease then expiring, then unpaid, plus the reasonable expenses incurred by Lessor in connection with the preparation, execution and delivery of such new lease.

Section 24.10 Benefited Leasehold Mortgagees. Anything herein contained to the contrary notwithstanding, the provisions of this Article shall inure only to the benefit of Mortgagees under Leasehold Mortgages which shall be, respectively, a first, second and third against the leasehold estate hereunder. If Leasehold Mortgagees of more than one such Mortgage shall make written requests upon Lessor for a new lease in accordance with this the new lease shall be entered into pursuant to the request of the holder whose Leasehold shall be of the highest priority and thereupon the written requests for a new lease of each holder a Leasehold Mortgage junior in lien shall be and be deemed to be void and of no force or effect.

Section 24.11 Possession Pursuant to New Lease. Nothing herein contained shall be deemed to obligate Lessor to deliver possession of the Premises to the lessee under any new entered into pursuant to this Article.

Section 24.12 Assignment by Leasehold Mortgagee. If any Leasehold Mortgagee shall acquire title to MAIT's interest in this Lease, by foreclosure of a Leasehold Mortgage thereon or by assignment in lieu of foreclosure or by assignment from a designee or subsidiary of such Leasehold Mortgagee, or under a new lease pursuant to this Article, such Leasehold Mortgagee may assign such lease and shall thereupon be released from all liability for the performance or observance of the covenants and conditions in such lease contained on the part of MAIT or such lessee, as the case may be, to be performed and observed from and after the date of such assignment, provided that the assignee from such Leasehold Mortgagee shall have assumed such lease in accordance with Section 22.4 hereof and shall have complied otherwise with said

ARTICLE 25.

Estoppel Certificates

Lessor and MAIT agree at any time and from time to time, upon not less than ten (10) days' prior written request by MAIT, Lessor, the Trustee or a Leasehold Mortgagee, to execute, acknowledge and deliver to the party requesting the same a statement in writing certifying that this Lease is unmodified and is in full force and effect (or, if there have been modifications, that the same is in full force and effect as modified and stating the modifications), the Base Rent currently payable, and the dates to which the Base Rent and other charges have been paid in advance, if any, it being intended that any such statement delivered pursuant to this Article may be relied upon by any prospective purchaser or mortgagee of the Premises of MAIT's interest in this Lease. Such certificate by MAIT shall contain a statement that there are no Defaults by Lessor under this Lease, or, if there be any, a reasonably detailed specification of all such Defaults and such other matters as may be reasonably requested. Such certificate by Lessor shall contain a statement that it has knowledge of no Defaults by MAIT under this Lease, or, if there be any of which it has knowledge, a reasonably detailed specification of all such Defaults and such other matters as may be reasonably requested.

ARTICLE 26.

Miscellaneous

Section 26.1 Notices. Any and all notices upon receipt when required or permitted this Lease shall be in writing and shall be deemed sufficiently given (a) upon receipt when the same is delivered in person or by courier or (b) as of the third business day after the same has deposited with the United States Postal Service, postage prepaid for certified or registered mail, addressed as follows:

To Lessor:

Attention: [_____]

or to such other address or addresses as either Lessor or MAIT by notice to the other may designate from time to time in the manner herein provided.

Section 26.2 Dispute Resolution. In the event of any dispute, controversy, or claim arising out of, under, or relating to this Ground Lease, Lessor and MAIT shall first attempt to resolve such dispute through good faith negotiations between representatives who will have the

authority to settle the dispute. Lessor and/or MAIT shall give the other party written notice of dispute not resolved in the ordinary course of business. Within ten (10) calendar days after delivery of any such notice, the aforementioned representatives will meet at a mutually time and place to attempt to resolve the dispute. If such designated representatives are unable to resolve a dispute within thirty (30) calendar days after receipt of notice of the dispute, then upon request of either Lessor or MAIT such dispute will be referred to a senior officer designated by each party for resolution. Each such senior officer shall be an individual who has authority to resolve the dispute on behalf of Lessor or MAIT. Any dispute not resolved within sixty (60) calendar days following receipt of the request for submission to senior officers may, by mutual determination of Lessor and MAIT, be addressed and resolved through an alternative dispute resolution method to be agreed upon by Lessor and MAIT in good faith at such time, such as, but not limited to, binding arbitration or mediation; provided, however, neither Lessor nor MAIT be obligated to agree to any alternative resolution method to address the unresolved dispute. Nothing in this section shall in any way limit or preclude Lessor or MAIT from pursuing any or remedies or obtaining any relief to which it may be entitled at law or equity.

Section 26.3 Invalidity of Particular Provisions. If any term or provision of this Lease the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and may be enforced to the extent permitted by law.

Section 26.4 Successors and Assigns. The terms, conditions, covenants, provisions and agreements herein contained shall be binding upon and inure to the benefit of Lessor, its and assigns, and MAIT, its successors and assigns.

Section 26.5 Amendments: Modifications. This Lease may be modified only by written agreement signed by Lessor and MAIT with the same formalities attendant as upon the execution of this Lease, it being the express intention of the parties hereto that no provision, term or condition of this Lease may be amended or varied in any way by an oral understanding or by any document not executed in accordance with this Section 26.5.

Section 26.6 Memoranda of Lease. Upon request by either Lessor or MAIT, the parties hereto shall execute, for recording purposes, memoranda of this Lease in conformity with the law and practice of the state in which the Premises are located, and the same shall be placed of record MAIT's expense. If requested by Lessor, MAIT shall, upon termination of this Lease as to some all Leased Property as provided herein, execute and deliver to Lessor an appropriate release, in form proper for recording, of MAIT's interest therein.

Section 26.7 Governing Law. This Lease shall be governed by and interpreted in accordance with the laws of the state in which the Premises are located.

Section 26.8 Entire Agreement. Except as set forth in an Operating Agreement of even date herewith that Lessor and MAIT expect will terminate before expiration of the Initial Term except as provided in any amendment of this Lease hereafter entered into by Lessor and MAIT,

this Lease sets forth the entire agreement and understanding between Lessor and MAIT to the subject matter hereof.

Section 26.9 Further Assurances. Subject to the terms and conditions of this Lease, of the parties hereto, including without limitation subsidiaries and affiliates of the parties, will their best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all necessary, proper or advisable to consummate the transactions contemplated by this Lease and to fully effect the intent of this Lease.

GROUND LEASE

This Lease made as of the [___] day of [____], 2016, by and between PENNSYLVANIA ELECTRIC COMPANY, a Pennsylvania corporation (“Lessor”), and MID-ATLANTIC INTERSTATE TRANSMISSION, LLC, a Delaware limited liability company (hereinafter referred to as “MAIT”).

RECITALS

On the date of this Lease, Lessor has transferred to MAIT all of the electric energy transmission system of Lessor including, without limitation, all high tension electric transmission lines, towers, poles, posts, cables, conduits, transformers, insulators, meters, electrical connections, fuses, junction boxes and other fixtures and equipment, together with various substations and switching stations, all as more particularly described in the Capital Contribution Agreement executed and delivered by Lessor to MAIT on the date hereof (collectively the “Transmission Facilities”).

Pursuant to this Ground Lease, Lessor leases to MAIT all such lands, easements, franchises and other rights as Lessor has or may have upon, under or over which Transmission Facilities are located on the date hereof, for the purposes and on the terms set forth below.

The Premises are leased to MAIT so as to permit continued use of Transmission Facilities on the portion of the Premises on which the same exist on the date of this Lease for an annual rental representing a reasonable return on Lessor’s net book value thereof. Such terms recognize that Lessor has reserved the right to use, and to permit Authorized Users to use, portions of the Premises for all purposes that do not cause Transmission Facilities to violate the National Electric Safety Code (“NESC”) or Applicable Laws or that do not materially impair MAIT’s ability to satisfy its service obligations under applicable tariffs. Additional, or extensions of, uses of the Premises for MAIT facilities relating to transmission of electricity that additionally burden the Premises are subject to Lessor’s prior written approval, which shall not be withheld except as necessary to preserve Lessor’s Compatible Uses (as hereinafter defined), but will require payment to Lessor of the fair market value for the additional burden or limitation upon other uses resulting therefrom as set forth in this Lease.

NOW, THEREFORE, in consideration of the mutual covenants and promises of the parties hereto, Lessor and MAIT have agreed and do hereby agree as follows:

ARTICLE 1.

Demise of Leased Property

Section 1.1. Premises: Leased Property. Lessor hereby leases to MAIT, and MAIT leases from Lessor, the following described property and rights to the extent of Lessor’s rights interests therein, for the purposes set forth in Article 1 hereof and none other (collectively, the “Premises”):

(a) The tracts or parcels of land described on Exhibit A hereto as fee lands, together with portions of the buildings, structures and fixtures thereon to the extent used for transmission, but not distribution, of electricity on the date of this Lease.

(b) The easements granted to Lessor on, under or over which Transmission Facilities are situated on the date of this Lease, as described on Exhibit A hereto.

(c) The leased lands, servitudes, interests in land, permits, privileges, licenses, consents, franchises and authorizations granted to or held by Lessor on, under or over which Transmission Facilities are situated on the date of this Lease as described on Exhibit A hereto and not identified as being either fee land or an easement.

The portions of the Premises that are required for Transmission Facilities as the same exist and are used for transmission of electricity on the Commencement Date are referred to herein as “Leased Property” and constitute a burden upon the Premises only to the extent necessary for operation of Transmission Facilities thereon in compliance with the NESC and Applicable Laws and MAIT’s service obligations under applicable tariffs. MAIT is to have the priority right to use Leased Property for electric transmission and the right to replace and modify Transmission Facilities on Leased Property so long as the same do not increase MAIT’s uses of, or the burden upon, the portions of the Premises that are not within Leased Property. Because the Premises are primarily used for Transmission Facilities and the Leased Property is not capable of being separately described, MAIT leases the entire Premises and is to be responsible for the control and maintenance thereof and for payment of the Impositions thereon except to the extent specifically provided otherwise in this Lease.

Section 1.2 No Warranty. MAIT accepts the Premises “AS IS” in the condition on the date of this Lease and acknowledges that Lessor has made no representations or with respect thereto including, without limitation, the extent of Lessor’s title thereto or rights in Premises, the location of Transmission Facilities on, under or over the Premises, encroachments Transmission Facilities on the property of others or encroachments of facilities of third parties under or over the Premises,

ARTICLE 2.

Term

Section 2.1 Commencement Date: Initial Term. The Initial Term of this Lease shall commence on the date of this Lease (the “Commencement Date”) and expire at midnight on the twenty-fifth (25th) anniversary of the Lease (hereinafter referred to as the “Initial Term”) unless this Lease shall sooner terminate as provided in this Lease. The Initial Term and any period for which the same may be extended by MAIT pursuant to Section 2.2 hereof is hereinafter referred as the “Term.”

Section 2.2 Extension Periods. MAIT shall have three separate options – consecutive terms of twenty-five (25) years and one term of twenty-four (24) years – to extend the Term of Lease for additional periods such that the total term of the Lease shall not exceed ninety-nine years from the Commencement Date, upon terms and conditions set forth herein, provided MAIT

is not in material default in performing or observing any of its obligations under this Lease at the time of exercise of such option. MAIT shall be deemed to have exercised its option to extend the Term for the Extension Period and the Term shall automatically be so extended unless MAIT have given Lessor written notice of MAIT's decision not to extend the Term at least one (1) year prior to the expiration of the then current Term. If MAIT exercises its options for the three periods, the Parties agree to begin negotiations in the 98th year of the Lease to extend the Lease additional periods beyond ninety-nine (99) years.

ARTICLE 3.

Rent

Section 3.1 Base Rent during the Term. As provided at Schedule A herein, Lessor calculate an annual Base Rent using the following inputs: (i) net book value of the Premises; (ii) MAIT's weighted average cost of capital as reviewed and approved by the Federal Energy Regulatory Commission; (iii) MAIT's statutory tax rate; (iv) property taxes; and (v) all other expenses, liabilities or charges that may be incurred by Lessor pursuant to any lease agreement, license agreement, consent agreement or other similar agreement relating to the Premises. Base rent shall be payable in equal quarterly installments on the first day of each calendar quarter the Term; except that MAIT shall pay to Lessor within five (5) business days after the Commencement Date prorated rent for the period from the Commencement Date to the end of calendar quarter in which the Commencement occurs. A projected base rent will be estimated for quarterly installments until actual information becomes available. At that time, a reconciliation adjustment to reflect actual end of year values will be included in the subsequent quarterly installment.

Section 3.2 Payment. MAIT covenants and agrees to pay Base Rent to Lessor as required by this Lease as and when due and payable. All Base Rent payable, as well as all other amounts payable by MAIT to Lessor pursuant to this Lease, shall be payable to Lessor via the FirstEnergy Utility Money Pool, pursuant to the Revised and Restated FirstEnergy Utility Money Pool Agreement as such agreement may be amended from time to time, or in such other manner at such place as Lessor shall, from time to time, designate by notice to MAIT.

Section 3.3 Net Operating Lease. It is intended that the Base Rent provided for in this Lease shall be absolutely net to Lessor throughout the Term, net of any taxes, costs, expenses, liabilities, charges or other deductions whatsoever, with respect to the Premises or with respect to any interest of Lessor therein, except as specifically provided otherwise herein.

ARTICLE 4.

Permitted Uses of Leased Property and Transmission Facilities

MAIT shall have use of Leased Property for operation of Transmission Facilities solely transmission, but not distribution, of electricity, and purposes incidental thereto including, limitation, operating, inspecting, maintaining, repairing, replacing and removing Transmission Facilities (the "Permitted Uses"). Subject to Article 5 hereof, MAIT shall also have the right to construct, improve, alter and/or relocate Transmission Facilities on Leased Property. MAIT shall

not have the right to use the Premises and MAIT may not permit others to use any Leased or Transmission Facilities for any purpose other than Permitted Uses, all such rights being reserved to Lessor as provided in Article 5.

ARTICLE 5.

Additions/Alterations

Section 5.1 Additions/Alterations. MAIT may construct, erect, alter, add to or relocate Transmission Facilities (an "Addition/Alteration") on Leased Property only after prior written notice thereof to Lessor. Prior to undertaking any Addition/Alteration, MAIT shall submit plans, specifications, surveys and/or other information pertaining to the proposed Addition/Alteration as to fully inform Lessor as to the nature and extent thereof. Within sixty (60) days after such notice to Lessor, Lessor shall notify MAIT whether such proposed Addition/Alteration will result in an additional burden on the Premises and Lessor's estimate of the amount of the fair market value of the property rights required therefor.

Section 5.2 New Facilities. With the prior written approval of Lessor, which approval shall not be withheld except as necessary to preserve Lessor's Compatible Uses (as hereinafter defined), MAIT may construct, erect, or install and operate electric transmission lines, towers, poles, posts, cables, conduits, transformers, insulators, meters, electric connections, fuses, boxes and other fixtures and any equipment ("New Facilities") on the Premises provided that MAIT pays to Lessor the fair market value of the property rights required therefor. MAIT may submit to Lessor from time to time written requests to use portions of the Premises for New Facilities and shall accompany such request with plans, specifications, surveys and/or other information pertaining thereto so as to fully inform Lessor as to the nature and extent thereof. Within sixty (60) days after submission of such request to Lessor, Lessor shall notify MAIT whether or not Lessor approves use of the Premises for the New Facilities and of Lessor's estimate of the fair market value of the property rights required therefor. Lessor shall accommodate, if practically feasible, MAIT's requests for New Facilities to the extent that the same are related to the Transmission Facilities or to the provision of adequate and reliable transmission service by MAIT, including the interconnection of generation sources or load.

Section 5.3 Payment of Fair Market Value. Prior to making any Addition/Alteration on Leased Property or undertaking work on the Premises with respect to New Facilities, MAIT shall pay to Lessor a lump sum equal to the fair market value of the property rights required therefor. MAIT wishes to proceed with making the Addition/Alteration on Leased Property or undertaking work on the Premises with respect to New Facilities prior to final determination of the fair market value of the property rights required therefor, MAIT shall deposit with Lessor a sum equal to the amount of Lessor's estimate without prejudice to its right to a refund of a portion thereof with interest if the fair market value is subsequently determined to be less than the amount so

Section 5.4 Compliance with Laws. All Additions/Alterations and New Facilities shall be undertaken in a good and workmanlike manner and in compliance with the laws, regulations and requirements of all governmental authorities having jurisdiction.

Section 5.5 Additions to Leased Property. Unless Lessor and MAIT agree otherwise writing, all Additions/Alterations and New Facilities shall become Transmission Facilities as if originally subject to this Lease and the same shall remain the property of MAIT. Further, any additional property rights in the Premises for which MAIT has made payment to Lessor pursuant to Section 5.2, Section 5.3, Section 7.2 or Section 7.3 hereof shall become Leased Property as if originally subject to this Lease.

ARTICLE 6.

Maintenance of the Premises and Transmission Facilities

Section 6.1 MAIT Maintenance Obligations. Except as provided in Section 9.4, shall be solely responsible for maintaining, at its expense, all Transmission Facilities and the Premises. MAIT shall maintain the portions of the Premises for which MAIT is responsible for maintenance in a clean and orderly condition, free from all litter and debris without regard to the same became placed thereon or therein. MAIT shall be responsible for maintaining and repairing buildings, structures and fixtures on Leased Property (but not Distribution Facilities therein or thereon) so as to keep the same in good condition and repair. MAIT shall keep and maintain the Transmission Facilities located on Leased Property in a structurally and safe condition and keep the same in a state of repair complying with all requirements of NESC Applicable Law. MAIT shall be solely responsible for repairing, maintaining and replacing, as necessary, all parking areas, driveways, passageways, walkways and other areas on the Premises (except such as may be or have been installed by Lessor or an Authorized User in connection a Compatible Use of the Premises that is related to any exclusive use by Lessor and/or an Authorized User and not MAIT) and the sidewalks and tree lawns adjoining the Premises. also shall be responsible for mowing portions of the Premises for which MAIT is responsible for maintenance, for removal of noxious weeds and brush therefrom and for removal of snow and from driveways and parking areas other than those exclusively related to a Compatible Use of Leased Property by Lessor and/or an Authorized User and not MAIT.

Section 6.2 Patrol: Encroachments. MAIT shall patrol by air the Premises at least annually and MAIT shall notify Lessor of any unauthorized uses of the Premises or thereon that may be identified as a result of such patrol or otherwise. If there are unauthorized of, or encroachments upon, the Premises, Lessor shall determine in the first instance whether or not action should be undertaken to terminate or otherwise address the same. If Lessor undertakes to terminate the unauthorized use or encroachment, Lessor shall do so at its sole cost and If Lessor notifies MAIT that Lessor has determined that no action will be required by Lessor to terminate such unauthorized use or encroachment, then MAIT may take action, at MAIT's sole cost and expense, as it may deem appropriate to terminate such unauthorized use or

Section 6.3 Lessor Not Responsible for Maintenance. Except as otherwise provided herein, Lessor shall not be responsible or liable to MAIT for, or by reason of, the condition of Premises, or arising from any failure to keep the same in good and lawful order and condition. Lessor shall not be required to make any expenditure whatsoever for the maintenance of except as necessary to permit its Compatible Uses thereof or related to Lessor's facilities and equipment on, under or over Premises.

ARTICLE 7.

Electric Distribution Facilities on Transmission Facilities and Leased Property

Section 7.1 Priority Rights for Transmission Facilities. Lessor acknowledges that MAIT is to have the priority right to use Transmission Facilities and the Leased Property for its electric transmission lines and that Lessor's proposed installation of Distribution Facilities (defined in Section 8.1 hereof) on or in Transmission Facilities and/or Leased Property or existing Distribution Facilities on or in Transmission Facilities and/or Leased Property may conflict with MAIT's planned installation of additional transmission lines thereon or therein.

Section 7.2 Proposed Installation of Distribution Facilities. To the extent that Lessor proposes to install Distribution Facilities on or in Transmission Facilities or Premises that MAIT regards as conflicting with MAIT's planned installation of additional transmission lines thereon therein, MAIT may preclude Lessor's use for such installation. In such event, MAIT shall reimburse Lessor for the additional incremental cost of the alternative required in order to the Distribution Facilities proposed by Lessor (it being recognized that alternative rights-of-way for electric distribution lines are less difficult to obtain and less costly than MAIT alternative rights-of-way for transmission lines) over the cost Lessor would have incurred if Distribution Facilities were installed on Transmission Facilities or Premises.

Section 7.3 Relocation of Distribution Facilities. Lessor and MAIT also recognize Distribution Facilities may presently be installed on or in Transmission Facilities or Leased Property or hereafter installed thereon or therein that MAIT subsequently determines preclude installation of additional transmission lines unless such Distribution Facilities are removed and relocated. In such event, MAIT shall have the right to require Lessor to remove such Facilities provided MAIT has reimbursed Lessor for alternative rights-of-way such that Lessor may install Distribution Facilities that are a suitable alternative to the existing Distribution Facilities that are to be removed and relocated. MAIT shall also reimburse Lessor for the cost of removing its Distribution Facilities from Transmission Facilities or Leased Property and for the cost of installing the alternative Distribution Facilities and shall pay to Lessor a lump sum equal the fair market value of the property rights reserved or used for MAIT's additional transmission lines if the same result in an additional burden on the Premises.

ARTICLE 8.

Lessor's Reserved Rights to Use the Premises and Transmission Facilities

Section 8.1 Compatible Uses. Subject to Article 9 hereof, Lessor reserves and retains the right to use, and to permit other users authorized in writing by Lessor to use (each an "Authorized User"), the Premises and Transmission Facilities for any and all purposes not inconsistent with MAIT's Permitted Uses including, without limitation, all such uses as are being made of the Premises and Transmission Facilities on the date of this Lease and any future uses do not cause Transmission Facilities to be in violation of the National Electric Safety Code ("NESC") or any other law, ordinance, rule or regulation applicable to Transmission Facilities or Leased Property, including the Reliability Standards adopted by the Federal Energy Regulatory Commission and enforced by the North American Electric Reliability Corporation and

ReliabilityFirst Corporation (“Applicable Laws”) or that do not materially impair MAIT’s ability to satisfy its service obligations under applicable tariffs. Such uses of Premises and Facilities by Lessor or an Authorized User are herein referred to as “Compatible Uses.” Compatible Uses of Leased Property include, for example and not limitation, towers, poles, cables, conduits, transformers, insulators, meters, electrical connections, fuses, junction boxes other equipment relating to distribution, but not transmission, of electricity (“Distribution Facilities”) of Lessor or Authorized Users; any and all underground lines, conduits, pipes, equipment and facilities including, without limitation, sewer, water and gas lines and mains; farming, gardening, and other agricultural uses, roadways, parking lots and buildings; microwave and cellular telephone and other telecommunication towers, poles, antennae and equipment, fiberoptic cables and all other structures and facilities of every type and nature. Compatible Uses of Transmission Facilities includes, for example and not limitation, installation and operation thereon of Distribution Facilities, telephone, fiber optic and other communication lines and equipment, installation of communication poles, antennae or structures within or on Facilities and use of Transmission Facilities for support thereof.

Section 8.2 Conflicting Uses. Any use of Leased Property that is not a Compatible i.e., that causes Transmission Facilities to be in violation of the NESC or Applicable Law or that materially impairs MAIT’s ability to satisfy its service obligations under applicable tariffs, is referred to herein as a “Conflicting Use.”

ARTICLE 9.

Compatible Uses by Lessor or Authorized Users

Section 9.1 Notice of Compatible Use. Lessor shall give MAIT written notice of an intention to initiate any use that Lessor or an Authorized User, as the case may be, (an “Initiating User”) deems to be a Compatible Use at least thirty (30) days prior to undertaking activities in furtherance of such proposed use provided, however, that no such notice shall be required unless the Compatible Use involves an attachment to Transmission Facilities (such as Distribution Facilities, electric distribution lines, equipment, supports, antenna and other equipment or facilities attached in any way thereto or suspended therefrom) or an installation requiring excavation within the surface area underlying or within thirty (30) feet adjacent to, Transmission Facilities at ground level. Within thirty (30) days after notice to MAIT of such proposed use, MAIT shall notify Lessor whether MAIT believes the proposed use to be a Conflicting Use. If MAIT notifies Lessor that it regards the proposed use to be a Conflicting Use, then activities in furtherance thereof shall not be undertaken until and unless MAIT notifies Lessor in writing that MAIT withdraws its claim that such proposed use is a Conflicting Use or MAIT and Lessor otherwise agree in writing to modification of the proposed use of the Transmission Facilities affected thereby so as to accommodate the objections) by MAIT. Lessor shall furnish to MAIT such plans and specifications, surveys or other information regarding the proposed use as MAIT may reasonably request in order to evaluate the nature and extent of the proposed use.

MAIT and Lessor shall cooperate in good faith to accommodate Permitted Uses and Compatible Uses of Leased Property and Transmission Facilities to the extent reasonably If and to the extent that Transmission Facilities may be relocated or modified to accommodate Compatible Uses and thereby avoid Conflicting Uses without materially adversely affecting the

operation thereof, MAIT shall undertake, or authorize Lessor or an Authorized User to such relocation or modification provided Lessor or the Authorized User, as the case may be, pays all costs reasonably incurred in making such relocations or modifications (including, without limitation, land or right of way acquisition costs, engineering and legal fees and expenses and construction costs) and observes such requirements as MAIT may reasonably specify in connection therewith.

Section 9.2 Informational Notices. Lessor may give MAIT written notice of an intention to initiate any proposed use of Leased Property by Lessor or an Authorized User in proximity to Transmission Facilities that might adversely affect the structure of, or subjacent or lateral support for, Transmission Facilities and furnish such plans and specifications, surveys and other information regarding such proposed use so that MAIT may specify appropriate protective requirements with respect to the work so as to avoid possible damage to Transmission Facilities. Lessor also may give MAIT informational notice of other Compatible Uses of the Premises that not require notice to MAIT prior to initiating same. Such informational notices may result in relieving MAIT of some maintenance responsibility for the Premises or for payment of a share of Impositions that are attributable to the facilities or equipment related to Compatible Use or may merely for the purpose of informing MAIT of the existence of such Compatible Use.

Section 9.3 Repair Obligations of Lessor Authorized User. Lessor shall promptly all damage to the Premises or Transmission Facilities resulting from activities associated with Compatible Uses undertaken by Lessor to be repaired to a condition at least substantially equivalent to that existing prior thereto including, as appropriate in the case of the Premises, leveling of the surface thereof and seeding with grasses or other ground cover as appropriate following excavation of the surface and such other restorative requirements, as the case may be, forth in the plans and specifications therefor submitted to MAIT. Lessor shall also require each Authorized User to cause all damage to the Premises or Transmission Facilities resulting from activities associated with Compatible Uses by such Authorized User to be so repaired.

Section 9.4 Maintenance Obligation of Lessor or Authorized User. Lessor or an Authorized User, as the case may be, shall be solely responsible for maintenance and repair of all facilities and equipment relating to its Compatible Uses of the Premises or Transmission and shall keep and maintain the same in a structurally and operationally safe condition. Lessor an Authorized User, as the case may be, shall also be responsible for maintaining any portion of Premises that is exclusively used by Lessor or the Authorized User.

ARTICLE 10.

Right of First Offering

Section 10.1 Sale Offer of Leased Property. In the event Lessor determines to sell any Leased Property, Lessor shall notify in writing MAIT thereof and the sales price and terms upon which Lessor wishes to sell the same (the "Sale Offer"). MAIT shall have the right to purchase Leased Property that Lessor proposes to sell at the price and upon the terms of the Sale Offer for period of thirty (30) days after such notice to MAIT. MAIT shall exercise such right by written notice of acceptance of such Sale Offer within such 30-day period. In the event MAIT does not accept such Sale Offer, Lessor may sell the Leased Property subject to the Sale Offer at any time

within one (1) year after notice of the Sale Offer to MAIT upon substantially the same terms and for a sale price that is not less than 90% of the sale price set forth in the Sale Offer.

Section 10.2 MAIT's Lease Rights Preserved. Any sale of Leased Property to a third party pursuant to a Sale Offer shall not affect the rights of MAIT under this Lease and, unless Lessor and MAIT shall agree otherwise in writing, such sale shall not result in adjustment of the Base Rent otherwise payable by MAIT to Lessor with respect to such Leased Property.

Section 10.3 Sale of Premises other than Leased Property. Lessor shall have the right sell any portion of the Premises that does not include Leased Property without offering to sell the same to MAIT.

ARTICLE 11.

Taxes and Other Impositions

Section 11.1 MAIT's Responsibility for Impositions. Except as hereinafter provided in Section 11.2 and Section 11.4, MAIT shall reimburse Lessor within ten (10) business days after receipt of an invoice from Lessor therefor, before any fine, penalty, interest or cost may be added thereto for the non-payment thereof, all real estate taxes, assessments, water and sewer rents and charges, any occupancy tax or similar tax, whether or not imposed on or measured by the rents payable by MAIT, and other governmental levies and charges, of any kind and nature whatsoever, which are assessed, levied, confirmed, imposed or become a lien upon the Premises and/or any part thereof, during the Term and any tax measured by the rent payable by MAIT under this Lease or any tax solely on the rent payable by MAIT under this Lease, whether or not such tax is imposed on Lessor or MAIT (all of which are hereinafter referred to as "Impositions"). Upon request, Lessor shall furnish to MAIT all bills relating to Impositions received by Lessor so that MAIT may determine whether or not to contest same as permitted by Section 11.3 hereof. If, by law, any Imposition is payable or may at the option of the taxpayer be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Lessor shall pay the same (and any accrued interest on the unpaid balance of such Imposition) in installments as the same respectively become due and before any fine, penalty, interest or cost may be added thereto for the non-payment of any such installment and interest. Any Imposition, the lien of which relates to a period in which the Term of this Lease as to any of the Premises begins or ends, shall be apportioned so that MAIT shall pay only that proportion of such Imposition which corresponds with the portion of said period as is within the Term. Upon request by MAIT, Lessor will cooperate with MAIT in applying for any exemption from real estate taxes to which the Premises may be entitled under applicable law provided MAIT reimburses Lessor for any out-of-pocket costs reasonably incurred by Lessor in connection therewith.

Section 11.2 Apportionment. Notwithstanding Section 11.1, MAIT shall not be responsible for reimbursing Lessor for the portions of Impositions attributable to buildings, improvements or Distribution Facilities of Lessor or an Authorized User, it being contemplated that MAIT will be responsible for Impositions attributable to the Premises and to buildings and improvements that relate to Transmission Facilities (i.e., to the extent attributable to use for transmission of electricity). Distribution Facilities and the Transmission Facilities are generally

treated under applicable state tax law as personal property and taxed as such to Lessor or MAIT, as the case may be. Real estate taxes on rights-of-way are generally payable by the fee owner and not Lessor. Accordingly, it is anticipated that real estate taxes and assessments with respect to fee land that is a part of the Premises will have to be apportioned so that the taxes attributable to the land and buildings and improvements (or portions thereof) relating to transmission of electricity are allocated to MAIT and Lessor shall cooperate in order to effect an appropriate allocation of real estate taxes, assessments and any other Impositions such that MAIT, Lessor or Authorized Users are charged with payment of the proper portion thereof.

Section 11.3 Contested Impositions. Notwithstanding anything to the contrary herein contained, if MAIT deems any Imposition for which it is responsible to be excessive or illegal, MAIT may request that Lessor defer payment thereof in order to permit the validity or the thereof to be contested in good faith by MAIT (or by Lessor on MAIT's behalf) provided MAIT shall have furnished to Lessor such security as Lessor may reasonably require in order to assure discharge of the amounts so contested and unpaid, together with all interest and penalties in connection therewith and all charges that may or might be assessed against or become a charge the Premises in said proceedings. If, at any time during the continuance of such proceedings, Lessor shall deem the security provided to it insufficient, MAIT shall, upon demand, furnish to Lessor such additional security as Lessor may reasonably require, and upon failure of MAIT so do, the security theretofore provided may be applied to the payment, removal and discharge of such Imposition and interest and penalties in connection therewith and any costs, fees or other liabilities accruing in such proceedings, and the balance, if any, shall be returned to MAIT, provided MAIT is not in default hereunder. If the amount so deposited or the amount paid by MAIT or its surety shall be insufficient for this purpose, MAIT shall forthwith pay to Lessor additional sum as may be necessary to pay the same. Any contest as to the validity or amount of any Imposition, whether before or after payment, may be made by MAIT, in the name of Lessor of MAIT, or both, as MAIT shall determine, and Lessor will, at MAIT's expense, cooperate with MAIT in any such contest to such extent as MAIT may reasonably request. It is understood, however, that Lessor shall not be subject to any liability for the payment of any costs or expenses in connection with any such proceeding brought by MAIT and MAIT covenants to pay, and to indemnify and save Lessor harmless from, any such costs or expenses. MAIT shall be entitled to any refund of any such Imposition and penalties or interest thereon which have been paid by or which have been paid by Lessor and reimbursed to Lessor by MAIT.

Section 11.4 Lessor's Taxes. It is expressly understood and agreed that MAIT shall not be required to pay, or reimburse Lessor for any federal, capital levy, franchise tax, gross receipts tax, revenue tax, premium tax, personal property tax, income tax or profits tax of Lessor or any such tax imposed after the date hereof, by any state or local governmental authority or if such tax is determined on the basis of the general assets, or the general net income or net of Lessor.

ARTICLE 12.

Compliance with Applicable Laws

Section 12.1 Compliance with Applicable Law. MAIT shall, throughout the Term, and at no expense whatsoever to Lessor, promptly comply, or cause compliance, with all Applicable

Laws and all orders, rules, regulations and requirements of duly constituted public authorities relating to the Transmission Facilities and all of the Premises except as the same relate to Compatible Uses by Lessor and/or Authorized Users.

Section 12.2 MAIT's Contest of Applicable Law. MAIT shall have the right to contest by appropriate legal proceedings, without cost or expense to Lessor, the validity of any Law relating to its use of Leased Property or Transmission Facilities and to postpone compliance with the same if, by the terms of any such Applicable Law, compliance therewith may legally be held in abeyance without incurring any lien, charge or liability of any kind against the Premises any interest of Lessor therein and without subjecting Lessor to any liability, civil or criminal, whatsoever nature for failure to comply therewith. MAIT may postpone compliance therewith until the final determination of any proceedings, provided that all such proceedings shall be prosecuted with all due diligence and dispatch. If MAIT shall initiate or carry on any such legal proceedings in the name of Lessor, or of Lessor and MAIT, and, except in the case of an emergency, MAIT shall so advise Lessor in writing not less than fifteen (15) days before such proceedings and give full details as to the tribunal in which said proceedings are to be filed, the law, ordinance, order, ruling, regulation or requirement contested, and such additional data as Lessor may require to enable it to understand the facts and evaluate them. If any lien, charge or civil liability, but not criminal liability, is incurred by reason of non-compliance, MAIT may nevertheless make the contest and delay compliance as aforesaid, provided that MAIT furnishes Lessor such security as Lessor may reasonably require against any loss or injury by reason of non-compliance or delay therein and MAIT prosecutes the contest with due diligence and

Section 12.3 Contest of Applicable Law by Lessor or Authorized User. Nothing in this Article 12 shall preclude Lessor or an Authorized User from contesting the validity of any law, ordinance, rule or regulation applicable to the Premises or any use thereof by Lessor or an Authorized User as the case may be.

ARTICLE 13.

Damage or Destruction of Transmission Facilities and Condemnation

Section 13.1 Damage; Destruction and Condemnation. This Lease shall not terminate, nor, except to the extent otherwise specifically provided herein, shall MAIT be entitled to any abatement or return of Base Rent or reduction thereof, nor shall the respective obligations of Lessor and MAIT be otherwise affected, by reason of damage to or destruction of all or any of Transmission Facilities from whatever cause, the taking of the Premises or Transmission by condemnation or exercise of the power of eminent domain or otherwise, the lawful of MAIT's use of any Leased Property or Transmission Facilities, or any other cause similar to foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the Base Rent and charges paid or payable by MAIT shall continue to be in all events unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

Section 13.2 Condemnation Award. Lessor shall be entitled to the entire award from any taking of the Premises pursuant to exercise of the power of eminent domain and MAIT shall have no claim with respect thereto. Notwithstanding the foregoing, in the event of a taking

Leased Property by exercise of the power of eminent domain such that MAIT cannot continue use of the portion affected thereby for its Transmission Facilities, then MAIT shall have the right to terminate this Lease as to such portion, however, Base Rent payable by MAIT shall not be reduced as a result thereof.

ARTICLE 14.

Environmental Matters

Section 14.1 Hazardous Material. As used herein, the term “Hazardous Material” any hazardous or toxic substance, material or waste which is or becomes regulated by any governmental authority, including without limitation, any material or substance which is (a) defined or listed as a “hazardous waste,” “extremely hazardous waste,” “restricted hazardous waste,” “hazardous substance” or “hazardous material” under any applicable federal, state or law or administrative code promulgated thereunder; (b) petroleum or any derivative thereof; (c) asbestos; (d) PCB’s; or (e) lead. MAIT shall not cause or permit any Hazardous Material to be brought upon, stored, used, handled, generated, released or disposed of on, in, under or about the Premises by MAIT, its agents, employees, contractors or invitees, except in compliance with applicable laws and regulations. Moreover, MAIT shall be responsible for removal of any and Hazardous Material on or under the Premises excepting only such Hazardous Material as was present prior to the Commencement Date or hereafter is placed on or under the Premises as a of acts of Lessor or Authorized Users or the presence of facilities and equipment of Lessor or Authorized Users thereon or therein or on, under or over other properties of Lessor adjacent to or in the vicinity of the Premises.

Section 14.2 MAIT’s Environmental Indemnity. MAIT shall indemnify, defend and hold Lessor and its officers, directors and employees harmless from any and all claims, actions, administrative proceedings (including informal proceedings), judgments, damages, punitive damages, penalties, fines, costs, liabilities, interest or losses, attorney’s fees and expenses, consultant and expert fees, costs of investigation, monitoring, cleanup, containment, restoration, removal or other remedial work, together with all other costs and expenses of any kind or nature that arise during or after the Term from any breach of MAIT’s obligations set forth in this Article 14.

Section 14.3 Lessor’s Environmental Indemnity. Lessor shall indemnify, defend and hold MAIT and its officers, directors and employees harmless from any and all claims, actions, administrative proceedings (including informal proceedings), judgments, damages, punitive damages, penalties, fines, costs, liabilities, interest or losses, attorney’s fees and expenses, consultant and expert fees, costs of investigation, monitoring, cleanup, containment, restoration, removal or other remedial work, together with all other costs and expenses of any kind or nature that arise during or after the Term from the presence of Hazardous Material on or under the Premises prior to the Commencement Date or that is hereafter placed on or under the Premises as result of acts of Lessor or Authorized Users or the presence of facilities of Lessor or Authorized Users thereon or therein or on, under or over other properties of Lessor and adjacent to or in the vicinity of the Premises.

Section 14.4 Survival of Environmental Indemnity Covenants. Each of the covenants and agreements of MAIT and Lessor set forth in this Article 14 shall survive termination of this Lease.

ARTICLE 15.

Indemnification

Section 15.1 MAIT's Indemnification Obligation. Except as herein expressly provided otherwise, MAIT covenants and agrees, at its sole cost and expense, to indemnify, defend and harmless Lessor against and from any and all claims by or on behalf of any person, firm, corporation or governmental authority, arising from the construction, occupancy, use, possession, conduct or maintenance of or from any work or thing whatsoever done in or about Premises the Term and further to indemnify, defend and hold Lessor harmless against and from any and all claims arising with respect to Transmission Facilities, or arising from any breach or default on part of MAIT in the performance or observance of any covenant or agreement on the part of to be performed or observed pursuant to the terms of this Lease, or arising from any negligent act or omission or willful misconduct of MAIT, or any of its agents, employees, contractors or invitees, or arising from any accident, injury or damage whatsoever, however caused, occurring during the Term, in or about the Premises, and from and against all costs, counsel and fees, expenses and liabilities incurred by Lessor in connection with any such claim, action or proceeding brought thereon; and in case any action or proceeding be brought against Lessor, covenants to resist or defend such action or proceeding by counsel reasonably satisfactory to Lessor unless such action or proceeding is resisted or defended by counsel for any carrier of commercial general liability insurance referred to in Section 17.1 hereof, as authorized by the provisions of any policy of commercial general liability insurance maintained pursuant to said Section. The foregoing indemnification, defense and hold harmless provision for the benefit of Lessor (a) shall apply only to the extent that the proceeds of insurance required hereunder or otherwise obtained by MAIT for the benefit of Lessor are insufficient fully to protect Lessor and (b) shall not apply or extend to any negligent act or omission or willful misconduct of Lessor or Authorized User, or any agents, employees or contractors of Lessor or an Authorized User nor to any condition, or circumstance resulting from operation, maintenance, repair, replacement or removal, of the Distribution Facilities of Lessor on the Premises or improvements, equipment or facilities of an Authorized User on the Premises.

Section 15.2 MAIT's Indemnification for Lessor's Costs of Enforcing Lease. MAIT shall indemnify, defend and hold Lessor harmless against and from, all costs and charges, including counsel and consultants' fees, reasonably incurred in obtaining possession of the Premises after default by MAIT or upon expiration or earlier termination of the Term hereof, or enforcing any covenant or agreement of MAIT herein contained.

Section 15.3 Workers' Compensation Indemnity Waivers. For the purpose of indemnification of Lessor from judgments, claims, suits or actions brought against it by MAIT employees, MAIT expressly and specifically waives any and all immunity to which it may be entitled under the workers' compensation laws of the jurisdiction in which the Premises are located.

ARTICLE 16.

Liens

Section 16.1 No Liens. Except as provided in Article 11 and Article 24 hereof, MAIT shall not allow the interest of Lessor or MAIT in the Premises or Transmission Facilities to subject to any lien, charge or encumbrance whatsoever and shall indemnify, defend and hold Lessor harmless from and against all such liens, charges and encumbrances.

Section 16.2 Discharge of Certain Liens. MAIT shall not suffer or permit any mechanic's, laborer's or materialman's liens to stand against the Premises, or any part thereof by reason of any work, labor, services or materials done for, or supplied to, or claim to have been for, or supplied to, MAIT. If any such lien shall at any time be filed against the Premises, or any part thereof, or against the interest of MAIT in the Premises, MAIT shall cause the same to be discharged of record within thirty (30) days after the date of filing the same, by either payment, deposit or bond. If MAIT shall fail to discharge any such lien within such period, then, in to any other right or remedy of Lessor, Lessor may, but shall not be obligated to, procure the discharge of the same either by paying the amount claimed to be due by deposit in court or bonding, and/or Lessor shall be entitled, if Lessor so elects, to compel the prosecution of any action for the foreclosure of such lien by the lienor and to pay the amount of the judgment, if in favor of the lienor, with interest, costs and allowances. Any amount paid or deposited by for any of the aforesaid purposes, and all reasonable costs and other expenses of Lessor, reasonable counsel and consultants' fees, in defending any such action or procuring the discharge of such lien, with all necessary disbursements in connection therewith, shall be payable by MAIT to Lessor as additional rent within thirty (30) days after invoice by Lessor to MAIT therefor.

Section 16.3 No Lessor Consent to Liens. Nothing in this Lease shall be deemed to be, or construed in any way as constituting, the consent of Lessor to the filing of any lien against Lessor's interest in the Premises by any person, firm or corporation for the performance of any labor or the furnishing of any materials for any construction, rebuilding, alteration or repair of Transmission Facilities, or any part thereof

ARTICLE 17.

Insurance and Waiver of Subrogation

Section 17.1 Insurance. During the Term, MAIT shall maintain in effect commercial general liability insurance protecting MAIT and Lessor (as evidenced by policies in which is named as an additional insured) against claims of any and all persons, firms and corporations personal injury, death or property damage occurring upon, in or about the Premises, with such limits of liability as are customarily carried by prudent electric transmission companies or such amount as Lessor shall approve in writing from time to time. All insurance policies provided pursuant to this Section 17.1 shall be obtained by MAIT from an insurance carrier or carriers of good reputation and sound financial responsibility selected by MAIT and shall be subject to self-retention deductibles in such amounts as Lessor may approve in writing from time to time, which approval Lessor agrees not to unreasonably withhold, delay or condition. Policies or certificates evidencing such insurance have been delivered by MAIT to Lessor prior to execution

of this Lease and certificates evidencing renewal of such insurance shall be delivered to Lessor at least ten (10) days' prior to the expiration of any such policy of insurance. Each such policy contain an agreement by the insurers not to cancel such policy or materially alter its coverages except upon at least thirty (30) days' prior written notice to Lessor.

Section 17.2 Waivers of Subrogation. Lessor and MAIT each hereby mutually waive respective rights of subrogation and recovery against the other for any loss insured by property insurance maintained by such party. The Transmission Facilities and all other property on the Premises belonging to MAIT, its agents, employees or invitees shall be at the risk of MAIT or other person only, and Lessor shall not be liable for damage thereto or for the theft, misappropriation or loss thereof.

ARTICLE 18.

Lessor's Rights To Perform MAIT's Covenants

Except to the extent otherwise provided in Section 11.3, MAIT covenants and agrees that if it shall at any time fail to pay, or cause to be paid, any Imposition required to be paid by MAIT pursuant to the provisions of Article 11 hereof, or to take out, pay for, maintain or deliver or cause to be taken out, paid for, maintained or delivered any of the insurance policies provided for in Article 17 hereof, or shall fail to make any other payment or perform any other act which MAIT is obligated to make or perform under this Lease, or cause such to be done, then Lessor may, but shall not be obligated so to do, after thirty (30) days' written notice to MAIT (but without notice in the event of an emergency) and without waiving, or releasing MAIT from, any obligation of MAIT in this Lease contained, pay any such Imposition or effect such insurance coverage and pay premiums therefor, and may make any other payment or perform any other act which MAIT is obligated to perform under this Lease, in such manner and to such extent as shall be necessary, reasonable and, in exercising any such rights, pay necessary, reasonable and incidental costs and expenses, employ counsel and incur and pay attorneys' and consultants' fees. All sums so paid by Lessor and all necessary, reasonable and incidental costs and expenses in connection with the performance of any such act by Lessor, shall be deemed additional Base Rent hereunder and, except as otherwise expressly provided in this Lease, shall be payable to Lessor as additional Base Rent within thirty (30) days after the date of Lessor's invoice to MAIT therefor, and MAIT covenants to pay any such sum or sums and Lessor shall have the same rights and remedies in the event of the nonpayment thereof by MAIT as in the case of default by MAIT in the payment of Base Rent.

ARTICLE 19.

Default Provisions

Section 19.1 Events of Default. This Lease and the Term hereof are subject to the limitation that if, at any time during the Term, any one or more of the following events (herein called an "Event of Default") shall occur:

- (a) if MAIT shall fail to pay any installment of the Base Rent provided for herein, or any part thereof, when the same shall become due and payable, and such failure

shall continue for ten (10) days after receipt of written notice thereof from Lessor to or

(b) if MAIT shall fail to pay any other charge or sum required to be paid by MAIT hereunder and any such failure shall continue for thirty (30) days after receipt of written notice thereof from Lessor to MAIT; or

(c) if MAIT shall fail to perform or observe any other requirement of this Lease (not already specified in this Section 19.1) on the part of the MAIT to be performed or observed, and such failure shall continue for thirty (30) days after receipt of written notice thereof from Lessor to MAIT; or

(d) if substantially all Transmission Facilities in or on Leased Property or MAIT's interest in this Lease are attached or levied upon under execution and the same is not discharged within sixty (60) days thereafter,

Lessor shall have the right, then or at any time thereafter, and while such default or defaults shall continue, to give MAIT written notice of Lessor's intention to terminate this Lease on a date specified in such notice, which date shall not be less than thirty (30) days after the date of giving of such notice, and, on the date specified in such notice, MAIT's right to possession of Leased Property shall cease and MAIT shall peaceably and quietly yield to and surrender to Lessor the Premises and this Lease shall thereupon be terminated and all of the right, title and interest of MAIT hereunder shall wholly cease and expire in the same manner and with the same force and effect as if the date of expiration of such thirty (30) day period were the date originally specified herein for the expiration of this Lease and the Term hereof, and MAIT shall then quit and surrender the Premises and the Transmission Facilities on Leased Property to Lessor, but MAIT shall remain liable to Lessor as provided below. In the event of termination of this Lease, MAIT shall be deemed to have abandoned all Transmission Facilities on, under or over Leased Property to the extent the same have not been removed thereon prior to the date of such termination.

Section 19.2 Possession Following Event of Default. In the event of any termination of this Lease pursuant to Section 19.1 or if an Event of Default shall continue beyond the expiration of any grace or cure period provided for above, Lessor may enter upon the Premises and have, repossess and enjoy the same by summary proceedings, ejectment or otherwise, and in any such event neither MAIT nor any person claiming through or under MAIT shall be entitled to possession or to remain in possession of the Premises but shall forthwith quit and surrender the Premises. Lessor shall be under no liability for or by reason of any such entry, repossession or removal of MAIT or any person claiming through or under MAIT.

Section 19.3 MAIT's Responsibility for Costs. In case of any such termination, re- or dispossession by summary proceedings, ejectment or otherwise, the rent and other charges required to be paid by MAIT hereunder shall thereupon become due and payable up to the time such termination, re-entry or dispossession, and MAIT shall also pay to Lessor all reasonable expenses which Lessor may then or thereafter incur for legal expenses, attorney's and fees, brokerage commissions, and all other reasonable costs paid or incurred by Lessor for or restoring the Premises and the Transmission Facilities to good order and condition or, if elects to do so, for removing Transmission Facilities from Leased Property. Lessor shall be

no obligation to lease or relet Leased Property or Transmission Facilities or any part of either in order to mitigate damages.

Section 19.4 Survival of MAIT's Payment Obligation. The right of Lessor to recover from MAIT the amounts provided for above shall survive the issuance of any order for or other cancellation or termination hereof.

Section 19.5 Extension of Cure Period for Certain Events of Default. Anything in this Article 19 to the contrary notwithstanding, it is expressly understood that, with respect to any Event of Default within the purview of clause (c) of Section 19.1 hereof, if such Event of Default of such a nature that it cannot, with due diligence, be cured within a period of thirty (30) days, Lessor shall not be entitled to re-enter the Premises, serve a notice of termination upon MAIT as provided in said Section 19.1, or exercise any right, power or remedy with respect to such Event Default nor shall the same be regarded as an Event of Default for any of the purposes of this if MAIT shall have notified Lessor in writing that MAIT will undertake curing such default and commenced the curing of such default within the period of thirty (30) days referred to in said clause 19.1(c), and so long as MAIT shall thereafter proceed in good faith with reasonable diligence to complete the curing of such default, and the time within which MAIT must cure the same shall be extended for such period as may be necessary to complete the same with due diligence.

ARTICLE 20.

Cumulative Remedies, Waiver

Section 20.1 Cumulative Remedies. The specified remedies to which Lessor may under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which Lessor may be lawfully entitled in case of any breach or threatened breach by MAIT of any provision of this Lease. In addition to the other remedies in Lease provided, Lessor shall be entitled to the restraint by injunction of any violation or or threatened violation of any of the terms, covenants, condition, provisions or agreements of this Lease.

Section 20.2 No Waiver. The failure of Lessor to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, provisions or agreements of Lease or to exercise any option herein contained shall not be construed as a waiver or a relinquishment for the future of any such term, covenant, condition, provision, agreement or option. A receipt and acceptance by Lessor of Base Rent or any other payment, or the of any performance of anything required by this Lease to be performed, with knowledge of the breach of any term, covenant, condition, provision or agreement of this Lease, shall not be a waiver of such breach, nor shall any acceptance of any payment in a lesser amount than is provided for (regardless of any endorsement on any check, or any statement in any letter accompanying any payment) operate or be construed either as an accord and satisfaction or in manner other than as payment on account of the amounts then unpaid by MAIT, and no waiver Lessor of any term, covenant, condition, provision or agreement of this Lease shall be deemed to have been made unless specifically acknowledged as such in a writing signed by Lessor.

ARTICLE 21.

Quiet Enjoyment and Surrender of Leased Property

Section 21.1 Quiet Enjoyment. So long as MAIT shall make the Base Rent and other payments provided for herein and shall keep, observe and perform all of the other covenants of Lease, MAIT shall and may peaceably and quietly have, hold and enjoy the Premises for Uses during the Term hereof free of interference from Lessor or those claiming by, through or under Lessor except that nothing herein shall preclude use of the Premises or Transmission Facilities by Lessor or Authorized Users to the extent provided elsewhere in this Lease. This covenant shall be construed as running with the land to and against subsequent owners and successors in interest, and is not, nor shall it operate or be construed as, a personal covenant of Lessor, except to the extent of Lessor's interest in the Premises and only so long as such interest shall continue, and thereafter this covenant shall be binding only upon such subsequent owners successors in interest, to the extent of their respective interests, as and when they shall acquire same, and only so long as they shall retain such interest.

Section 21.2 Surrender of Premises. Except as otherwise provided in this Lease, MAIT shall, upon the expiration or termination of this Lease for any reason whatsoever, surrender the Premises to Lessor in good order, condition and repair, except for reasonable wear and tear. shall surrender to Lessor all the Premises to Lessor upon expiration of the Term without notice of any kind, and MAIT hereby waives all right to any such notice as may be provided under any present or future law.

Section 21.3 Holdover. If MAIT continues to occupy the Premises with the written consent of Lessor after the last day of the Term, MAIT shall be a tenant from month to month, at Base Rent twice the rate in effect prior to the end of the Term and such tenancy shall otherwise subject to all of the covenants and agreements of this Lease. In the event that Lessor does not so consent to MAIT's continued possession after the expiration of the Term of this Lease, or if no agreement shall have been entered into by the parties hereto, MAIT shall pay Lessor all damages sustained by reason of MAIT's retention of possession after such expiration.

Section 21.4 MAIT's Right to Terminate Lease as to All or Part of Premises. From to time during the Term, MAIT shall have the right to terminate this Lease as to, and surrender possession of, all or a portion of Leased Property and portions of the Premises adjoining such Leased Property as of the end of a calendar quarter. MAIT shall give Lessor written notice of its intention to terminate this Lease as to, and surrender possession of, Leased Property not less than one hundred eighty (180) days prior to the date for termination specified therein and, if appropriate, its wish to remove some or all of the Transmission Facilities located thereon as specified in such notice. If a Leasehold Mortgagee shall exist as of the time of any notice of termination to Lessor pursuant to this Section, such notice of termination shall be accompanied a written consent thereto signed by the Leasehold Mortgagee and no such notice of termination shall be effective unless accompanied by such written consent. In the event of termination of this Lease as to some, but not all, of the Premises, Base Rent shall not be reduced by the portion that is attributable to the Leased Property as to which such termination relates.

Section 21.5 Surrender or Removal of Transmission Facilities. Upon expiration of the Term or termination of this Lease, in its entirety or with respect to but not all Leased Property, or termination of this Lease pursuant to Article 21 hereof, MAIT shall surrender to Lessor all Transmission Facilities then on, under or over Leased Property and title thereto shall vest in unless Lessor shall have notified MAIT in writing prior to the expiration of the Term or the effective date of such termination that some or all of the Transmission Facilities are to be therefrom. If Lessor notifies MAIT that some or all of the Transmission Facilities are to be removed from Leased Property, MAIT shall undertake removal thereof with reasonable diligence thereafter and shall cause the surface of Leased Property affected thereby to be restored. MAIT shall coordinate removal activities with Lessor and Authorized Users as and to the extent necessary to protect or relocate Distribution Facilities or other uses of Transmission Facilities being made of Transmission Facilities by Lessor and/or Authorized Users. MAIT shall continue have access to Leased Property after such expiration or termination for such purpose and shall be deemed to be continuing to occupy Leased Property pursuant to Section 21.3. Until of such removal, Section 6.1, Section 12.2, Article 14, and Article 15 shall continue in effect notwithstanding expiration or termination of this Lease. In the event title to some or all of the Transmission Facilities vests in Lessor pursuant to this Section 21.5, MAIT shall execute and deliver to Lessor from time to time such bills of sale or other conveyance as Lessor may reasonably request for the purpose of confirming Lessor's ownership thereof

ARTICLE 22.

Assignment Subletting

Section 22.1 Prohibition Against Assignment of Lease Without Lessor's Approval. Except as specifically provided otherwise in this Lease, neither this Lease nor the leasehold created hereby shall be sold or assigned without the prior written approval of Lessor which may withhold for any reason or no reason. No sale or assignment of this Lease shall be effective until there has been delivered to Lessor an undertaking, signed by such proposed purchaser or assignee, in which such purchaser or assignee assumes the due performance of all obligations on MAIT's part to be performed under this Lease. Upon such assumption, MAIT shall have no further liability under this Lease except as to liabilities, which arose prior to the sale or In the event MAIT has been notified by Lessor of an Event of Default which has not been cured of the time of a proposed sale or assignment the undertaking to be signed by the proposed purchaser or assignee shall include a specific commitment to cure any such Event of Default in timely fashion

Section 22.2 Prohibition Against Subleasing. MAIT shall not sublet all or any part of Premises to any third party without the prior written approval of Lessor, which Lessor may withhold, for any reason or no reason.

Section 22.3 Permitted Assignments by MAIT. Notwithstanding Section 22.1, this Lease may be assigned without Lessor's prior written approval to any electric transmission company with which MAIT is merged or consolidated or which is a purchaser of substantially all of the Transmission Facilities or to any Leasehold Mortgagee or the nominee of a Leasehold Mortgagee or purchaser or assignee of the leasehold estate pursuant to Article 24 hereof.

Section 22.4 Assumption by Assignee. Each assignee of this Lease shall promptly execute and deliver to Lessor a written assumption of MAIT's obligations under this Lease in form as Lessor may require.

ARTICLE 23.

Fee Mortgage Indenture

Leased Property is presently subject and subordinate to the [_____], as the same has been amended and supplemented and as the same may hereafter be amended and supplemented (the "Mortgage"). Notwithstanding the priority of the Mortgage over the leasehold estate and rights of MAIT created by this Lease, the Trustee and MAIT have entered into a Non-disturbance Agreement pursuant to which the Trustee has agreed that the use and occupancy of MAIT of Leased Property pursuant to this Lease will not be interfered with or disturbed by the Trustee or anyone claiming by, through or under the Trustee, including any receiver or purchaser of the interest of Lessor in Leased Property upon foreclosure of the Mortgage or other exercise of the rights of the Trustee under the Mortgage provided MAIT is not in material default in the performance or observance of its obligations under this Lease.

ARTICLE 24.

Mortgaging of Leasehold Interest

Section 24.1 Leasehold Mortgages. MAIT, without Lessor's consent, shall have the unrestricted right to mortgage the leasehold estate created by this Lease pursuant to a leasehold mortgage or mortgages, at any time and from time to time, on any terms MAIT may deem desirable. If more than one such mortgage shall at the time be in effect, each such mortgage, at time in effect, is herein called a "Leasehold Mortgage." No holder of a Leasehold Mortgage shall have the rights or benefits set forth in this Article 24, nor shall the provisions of this Article be binding upon Lessor unless and until holder of a Leasehold Mortgage shall have notified Lessor writing that it is a holder of such Leasehold Mortgage and of the name and address to which all notices and other communications hereunder to it may be addressed; and such a holder of a Leasehold Mortgage, having given such notice, is herein called "Leasehold Mortgagee."

Section 24.2 Notices to Leasehold Mortgagees. Any notice which the holder of a Leasehold Mortgage shall desire or be required to give to Lessor shall be in writing and shall be deemed to have been given (a) upon receipt when the same is delivered in person or by courier or (b) as of the third business day after the same has been deposited with the United States Postal Service, postage prepaid for certified or registered mail, at the address set forth in Section 26.1 hereof or at such other addresses as shall be designated by Lessor in a written notice thereof to Leasehold Mortgagee. Any notice which Lessor shall desire or be required to give to a Mortgagee shall be in writing and shall be deemed to have been given (i) upon receipt when the same is delivered in person or by courier or (ii) as of the third business day after the same has been deposited with the United States Postal Service, postage prepaid for certified or registered mail, addressed to such Leasehold Mortgagee at the address set forth in the Leasehold Mortgage or in such last recorded assignment thereof or at such other address as shall have been designated by such Leasehold Mortgagee in a written notice thereof to Lessor.

Section 24.3 No Lease Cancellation, Surrender or Material Modification without Leasehold Mortgagee Consent. Lessor and MAIT shall not agree between themselves to any cancellation, surrender or material modification of this Lease without the prior written consent of each Leasehold Mortgagee.

Section 24.4 Notices of Default to Leasehold Mortgagee. Lessor shall give to each Leasehold Mortgagee a copy of any Notice of Default or notice of Lessor's intention to terminate this Lease given by Lessor to MAIT hereunder not later than ten (10) days after giving any such notice to MAIT.

Section 24.5 Payment or Performance by Leasehold Mortgagee. At any time when any Leasehold Mortgagee shall remain unsatisfied of record, any Leasehold Mortgagee may make any payment or perform any act required hereunder to be made or performed by MAIT and Lessor shall accept such payment and performance. No entry by a Leasehold Mortgagee upon the Premises for such purpose shall constitute or be deemed to be an eviction of MAIT or release MAIT from any obligation or default hereunder (except in the case of any obligation or default which shall have been fully performed or corrected by such payment or performance by a Leasehold Mortgagee).

Section 24.6 Leasehold Mortgagee Notices to Lessor of Intention to Cure Event of Default. For purposes of this Article, no Event of Default shall be deemed to exist under Article 19 in respect of performance or observance of any requirement of this Lease on the part of MAIT to be performed or observed if a Leasehold Mortgagee shall have notified Lessor in writing of its intention to cure such default and commenced the curing of such default within the time therefor and shall thereafter have proceeded in good faith with reasonable diligence to complete the curing of such default and the time within which such default must be cured shall be for such period as may be necessary to complete the same with due diligence.

Section 24.7 Leasehold Mortgagee Opportunities to Cure Events of Default. Anything herein contained to the contrary notwithstanding, upon the occurrence of an Event of Default (inclusive of the occurrence of any of the events specified in paragraph (c) or (d) of Section 19.1 hereof), other than an event of default due to a default in the payment of money, Lessor shall take no action to effect a termination of this Lease without first giving to each Leasehold Mortgagee written notice thereof and a reasonable time thereafter within which notify Lessor in writing of intention, and thereafter diligently proceeding, either (i) to obtain possession of the Premises (including possession by a receiver) or (ii) to institute, prosecute and complete foreclosure proceedings or otherwise acquire MAIT's interest under this Lease. Upon obtaining possession acquiring MAIT's interest under this Lease, a Leasehold Mortgagee shall be required promptly to cure all defaults then reasonably susceptible of being cured by such Leasehold Mortgagee. Notwithstanding the foregoing, (i) such Leasehold Mortgagee shall not be obligated to continue such possession or to continue such foreclosure proceedings after the Events of Default shall be cured; (ii) nothing herein contained shall preclude Lessor, subject to the provisions of this Article, from exercising any rights or remedies under this Lease with respect to any other default by MAIT during the pendency of such foreclosure proceedings; (iii) if such Leasehold shall be a party other than a bank, insurance company or other entity having a net worth \$30,000,000 at the time the Leasehold Mortgage is granted or a group of such banks, insurance companies or other entities (a "Lending Institution"), such Leasehold Mortgagee shall deposit

Lessor during the period of forbearance by Lessor from taking action to effect a termination of Lease such security as shall be reasonably satisfactory to Lessor to assure Lessor of compliance such Leasehold Mortgagee during the period of such forbearance with such of the terms, conditions and covenants of this Lease as are reasonably susceptible of being complied by such Leasehold Mortgagee and (iv) such Leasehold Mortgagee, if a Lending Institution, shall agree with Lessor in writing to comply during the period of such forbearance with such of the terms, conditions and covenants of this Lease as are reasonably susceptible of being complied with by such Leasehold Mortgagee. Any Event of Default by MAIT not reasonably susceptible of being cured by such Leasehold Mortgagee shall be deemed to have been waived by Lessor upon completion of such foreclosure proceedings or upon such acquisition of MAIT's interest in this Lease, except that any of such Events of Default which are reasonably susceptible of being cured after such completion and acquisition shall then be cured with reasonable diligence by such Leasehold Mortgagee or its designee or other purchaser, as the case may be. Such Leasehold Mortgagee or its designee, or other purchaser in foreclosure proceedings, may become the legal owner and holder of this Lease through such foreclosure proceedings or by assignment of this Lease in lieu of foreclosure.

Section 24.8 Leasehold Mortgagee Right to New Lease. In the event of the termination of this Lease prior to the expiration of the Term, Lessor shall serve upon each Leasehold Mortgagee written notice that the Lease has been terminated together with a statement of any and all such sums which would at the time be due under this Lease but for such termination, and all other Events of Default, if any, under this Lease then known to Lessor. Any Leasehold shall thereupon have the option to obtain a new lease in accordance and upon the following terms and conditions:

Upon the written request of the Leasehold Mortgagee, within sixty (60) days after service of such notice that the Lease has been terminated, Lessor shall enter into a new lease with respect to the Premises with such Leasehold Mortgagee as follows:

Such new lease shall be entered into at the reasonable cost of the lessee thereunder, shall be effective as of the date of termination of this Lease and shall be for the remainder of the Term of this Lease and at the Base Rent and upon all the agreements, terms, covenants and conditions hereof, including any options to extend the Term. Such new lease shall require the lessee to perform any unfulfilled obligation of MAIT under this Lease, which is reasonably susceptible of being performed, by such lessee. Upon the execution of such new lease, the lessee named therein shall pay any and all sums which would at the time of the execution thereof be due under this Lease but for such termination, and shall pay all expenses, including reasonable counsel fees, court costs and disbursements incurred by Lessor in connection with such Events of Default and termination, the recovery of possession of the Leased Property and the preparation, execution and delivery of such new lease.

Section 24.9 Extension of Term Pursuant to New Lease. If the Term is not extended pursuant to Section 2.2 hereof, or for any other reason whatsoever, MAIT shall not become

to extend the Term of this Lease, Lessor shall serve upon each Leasehold Mortgagee written thereof and any such Leasehold Mortgagee shall have the option upon written request served Lessor to obtain from Lessor a new lease of the Premises for such renewal term in accordance and upon the following terms and conditions:

Such written request shall be served upon Lessor not later than sixty (60) days after the service of the aforementioned notice by Lessor on such Leasehold Mortgagee, and within thirty (30) days after the service of such written request, lessor and the Leasehold Mortgagee, or its designee, shall enter into a new lease with respect to the Premises as follows:

Such new lease shall be entered into at the reasonable cost and expense of the lessee thereunder, shall be effective as of the date of termination of the then current Term of this Lease, and shall be for the Extended Term next succeeding the then current term of this Lease, and at the Base Rent and upon all the agreements, terms, covenants and conditions hereof, including any further options to extend the Term. Such new lease shall require the lessee to perform any unfulfilled obligation of MAIT under this Lease, which is reasonably susceptible of being performed, by such lessee. Upon execution of such new lease, the lessee therein named shall pay any and all sums remaining unpaid under the Lease then expiring, then unpaid, plus the reasonable expenses incurred by Lessor in connection with the preparation, execution and delivery of such new lease.

Section 24.10 Benefited Leasehold Mortgagees. Anything herein contained to the contrary notwithstanding, the provisions of this Article shall inure only to the benefit of Mortgagees under Leasehold Mortgages which shall be, respectively, a first, second and third against the leasehold estate hereunder. If Leasehold Mortgagees of more than one such Mortgage shall make written requests upon Lessor for a new lease in accordance with this the new lease shall be entered into pursuant to the request of the holder whose Leasehold shall be of the highest priority and thereupon the written requests for a new lease of each holder a Leasehold Mortgage junior in lien shall be and be deemed to be void and of no force or effect.

Section 24.11 Possession Pursuant to New Lease. Nothing herein contained shall be deemed to obligate Lessor to deliver possession of the Premises to the lessee under any new entered into pursuant to this Article.

Section 24.12 Assignment by Leasehold Mortgagee. If any Leasehold Mortgagee shall acquire title to MAIT's interest in this Lease, by foreclosure of a Leasehold Mortgage thereon or by assignment in lieu of foreclosure or by assignment from a designee or subsidiary of such Leasehold Mortgagee, or under a new lease pursuant to this Article, such Leasehold Mortgagee may assign such lease and shall thereupon be released from all liability for the performance or observance of the covenants and conditions in such lease contained on the part of MAIT or such lessee, as the case may be, to be performed and observed from and after the date of such assignment, provided that the assignee from such Leasehold Mortgagee shall have assumed such lease in accordance with Section 22.4 hereof and shall have complied otherwise with said

ARTICLE 25.

Estoppel Certificates

Lessor and MAIT agree at any time and from time to time, upon not less than ten (10) days' prior written request by MAIT, Lessor, the Trustee or a Leasehold Mortgagee, to execute, acknowledge and deliver to the party requesting the same a statement in writing certifying that this Lease is unmodified and is in full force and effect (or, if there have been modifications, that the same is in full force and effect as modified and stating the modifications), the Base Rent currently payable, and the dates to which the Base Rent and other charges have been paid in advance, if any, it being intended that any such statement delivered pursuant to this Article may be relied upon by any prospective purchaser or mortgagee of the Premises of MAIT's interest in this Lease. Such certificate by MAIT shall contain a statement that there are no Defaults by Lessor under this Lease, or, if there be any, a reasonably detailed specification of all such Defaults and such other matters as may be reasonably requested. Such certificate by Lessor shall contain a statement that it has knowledge of no Defaults by MAIT under this Lease, or, if there be any of which it has knowledge, a reasonably detailed specification of all such Defaults and such other matters as may be reasonably requested.

ARTICLE 26.

Miscellaneous

Section 26.1 Notices. Any and all notices upon receipt when required or permitted this Lease shall be in writing and shall be deemed sufficiently given (a) upon receipt when the same is delivered in person or by courier or (b) as of the third business day after the same has deposited with the United States Postal Service, postage prepaid for certified or registered mail, addressed as follows:

To Lessor:

or to such other address or addresses as either Lessor or MAIT by notice to the other may designate from time to time in the manner herein provided.

Section 26.2 Dispute Resolution. In the event of any dispute, controversy, or claim arising out of, under, or relating to this Ground Lease, Lessor and MAIT shall first attempt to resolve such dispute through good faith negotiations between representatives who will have the

authority to settle the dispute. Lessor and/or MAIT shall give the other party written notice of dispute not resolved in the ordinary course of business. Within ten (10) calendar days after delivery of any such notice, the aforementioned representatives will meet at a mutually time and place to attempt to resolve the dispute. If such designated representatives are unable to resolve a dispute within thirty (30) calendar days after receipt of notice of the dispute, then upon request of either Lessor or MAIT such dispute will be referred to a senior officer designated by each party for resolution. Each such senior officer shall be an individual who has authority to resolve the dispute on behalf of Lessor or MAIT. Any dispute not resolved within sixty (60) calendar days following receipt of the request for submission to senior officers may, by mutual determination of Lessor and MAIT, be addressed and resolved through an alternative dispute resolution method to be agreed upon by Lessor and MAIT in good faith at such time, such as, but not limited to, binding arbitration or mediation; provided, however, neither Lessor nor MAIT be obligated to agree to any alternative resolution method to address the unresolved dispute. Nothing in this section shall in any way limit or preclude Lessor or MAIT from pursuing any or remedies or obtaining any relief to which it may be entitled at law or equity.

Section 26.3 Invalidity of Particular Provisions. If any term or provision of this Lease the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and may be enforced to the extent permitted by law.

Section 26.4 Successors and Assigns. The terms, conditions, covenants, provisions and agreements herein contained shall be binding upon and inure to the benefit of Lessor, its and assigns, and MAIT, its successors and assigns.

Section 26.5 Amendments: Modifications. This Lease may be modified only by written agreement signed by Lessor and MAIT with the same formalities attendant as upon the execution of this Lease, it being the express intention of the parties hereto that no provision, term or condition of this Lease may be amended or varied in any way by an oral understanding or by any document not executed in accordance with this Section 26.5.

Section 26.6 Memoranda of Lease. Upon request by either Lessor or MAIT, the parties hereto shall execute, for recording purposes, memoranda of this Lease in conformity with the law and practice of the state in which the Premises are located, and the same shall be placed of record MAIT's expense. If requested by Lessor, MAIT shall, upon termination of this Lease as to some all Leased Property as provided herein, execute and deliver to Lessor an appropriate release, in form proper for recording, of MAIT's interest therein.

Section 26.7 Governing Law. This Lease shall be governed by and interpreted in accordance with the laws of the state in which the Premises are located.

Section 26.8 Entire Agreement. Except as set forth in an Operating Agreement of even date herewith that Lessor and MAIT expect will terminate before expiration of the Initial Term except as provided in any amendment of this Lease hereafter entered into by Lessor and MAIT,

this Lease sets forth the entire agreement and understanding between Lessor and MAIT to the subject matter hereof.

Section 26.9 Further Assurances. Subject to the terms and conditions of this Lease, of the parties hereto, including without limitation subsidiaries and affiliates of the parties, will their best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all necessary, proper or advisable to consummate the transactions contemplated by this Lease and to fully effect the intent of this Lease.

Service Company Agreement-Utility [Execution Copy]

SERVICE AGREEMENT

This Service Agreement ("Agreement") is entered into as of the ____ day of _____, _____, by and between each of the associate companies listed on the signature page hereto (each a "Client Company"), and FirstEnergy Service Company, an Ohio corporation ("Service Company").

WHEREAS, Service Company is a direct wholly-owned subsidiary of FirstEnergy Corp., a holding company under the Public Utility Holding Company Act of 2005, as amended (the "Act");

WHEREAS, Service Company has been formed for the purpose of providing administrative, management and other services to FirstEnergy Corp. and its associate companies, including Client Company (together, the "Client Companies"); and

WHEREAS, Client Company believes that it is in its interest to enter into an arrangement whereby Client Company may agree to purchase such administrative, management and other services from Service Company as Client Company may choose at cost as determined in accordance with this Agreement and the Act;

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. DESCRIPTION OF SERVICES.

Service Company agrees to provide certain administrative, management or other services (the "Services") to Client Company similar to those supplied to other Client Companies of Service Company. Such services are and will be provided to Client Company only at the request of Client Company. Exhibit A hereto lists and describes all of the Services that are available from Service Company.

2. PERSONNEL.

In order to provide the Services, Service Company will employ executive officers, accountants, financial advisers, technical advisers, attorneys and other persons with the necessary qualifications. If necessary, Service Company may also arrange for the services of nonaffiliated experts, consultants and attorneys in connection with the performance of any of the Services provided under this Agreement.

3. COMPENSATION AND ALLOCATION.

As and to the extent required by law, Service Company provides and will provide such services at fully allocated cost, determined in accordance with the Act. Exhibit A hereof contains rules for determining and allocating such costs.

4. TERMINATION AND MODIFICATION.

Either party to this Agreement may terminate this Agreement by providing 60 days written notice of such termination to the other party. This Agreement is subject to termination or modification at any time to the extent its performance may conflict with the provisions of the Act or with any rule, regulation or order of the Federal Regulatory Energy Commission (the "Commission") adopted before or after the making of this Agreement. This Agreement shall be subject to the approval of any state commission or other state regulatory body whose approval is, by the laws of said state, a legal prerequisite to the execution and delivery or the performance of this Agreement.

5. SERVICE REQUESTS.

Client Company and Service Company will prepare a Service Request on or before September 30th of each year listing Services to be provided to Client Company by Service Company and any special arrangements related to the provision of such Services for the coming year, based on Services provided during the preceding year. Client Company and Service Company may supplement the Service Request during the year to reflect any additional or special Services that Client Company wishes to obtain from Service Company, and the arrangements relating thereto.

6. BILLING AND PAYMENT.

Unless otherwise set forth in a Service Request, payment for Services provided by Service Company shall be by making remittance of the amount billed or by making appropriate accounting entries on the books of Client Company and Service Company. Billing will be made on a monthly basis, with the bill to be rendered as soon as practicable after the close of the month, and remittance or accounting entries completed within 30 days of billing. Any amount remaining unpaid after 30 days following receipt of the bill shall bear interest thereon from the due date of the bill until payment at a rate equal to the prime rate on the due date.

7. NOTICE.

Where written notice is required by this Agreement, all notices, consents, certificates, or other communications hereunder shall be in writing and shall be deemed given when mailed by United States registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

To Client Company: c/o President
76 South Main St.
Akron, Ohio 44308

To Service Company: c/o Vice President and Controller
76 South Main Street
Akron, Ohio 44308

8. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio, without regard to its conflict of laws provisions.

9. MODIFICATION.

No amendment, change or modification to this Agreement shall be valid, unless made in writing and signed by both parties hereto.

10. ENTIRE AGREEMENT.

This Agreement, together with its exhibits, constitutes the entire understanding and agreement of the parties with respect to its subject matter, and effective upon the execution of this Agreement by the respective parties hereof, any and all prior agreements, understandings or representations with respect to this subject matter are hereby terminated and canceled in their entirety and are of no further force and effect, except to the extent transactions thereunder have taken place prior to such effective date in which case such agreements will govern the terms of such transactions.

11. WAIVER.

No waiver by either party hereto of a breach of any provision of this Agreement shall constitute a waiver of any preceding or succeeding breach of the same or any other provision hereof.

12. ASSIGNMENT.

This Agreement shall inure to the benefit and shall be binding upon the parties and their respective successors and assigns. No assignment of this Agreement or either party's rights, interests or obligations hereunder may be made without the other party's consent, which shall not be unreasonably withheld, delayed or conditioned.

13. SEVERABILITY.

If any provision or provisions of this Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall in no way be affected or impaired thereby.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed effective as of the ____day of _____, _____. This Agreement supercedes any previous agreement between the Service Company and the Client Companies.

EXHIBIT A
DESCRIPTION OF SERVICES AND ALLOCATION METHODOLOGY

1. Description Of Services

Overview

This Exhibit provides a description of all services provided by Service Company departments and the cost allocation methodologies to be used in connection therewith. All products and services are subject to Service Level Standards as negotiated between the Service Company department and Client Company. Each Client Company is classified as either a "Utility Subsidiary" or a "Non-Utility Subsidiary".

2. Cost Allocation Methodology

Overview

The costs of services provided by Service Company will be directly assigned, distributed or allocated by activity, project, program, work order or other appropriate basis. The primary basis for charges to affiliates is the direct charge method. The methodologies listed below pertain to all other costs which are not directly assigned but which make up the fully allocated cost of providing the product or service. The costs of product and services provided by the ServeCo that cannot be charged directly to the Subsidiary receiving the product or service will be allocated among the associate companies by utilizing one of the methods described below that most accurately distributes the costs. The method of cost allocation varies based on the department rendering the service. The allocation methods used by Service Company are as follows:

a. "Multiple Factor - All" - For the Indirect Costs for products or services benefiting the entire FirstEnergy system, FirstEnergy and all Subsidiaries will bear a fair and equitable portion of such costs. FirstEnergy will bear 5% of these Indirect Costs. The remaining Indirect Costs will be allocated among the Utility Subsidiaries and the Non-Utility Subsidiaries benefiting from the services provided based on FirstEnergy's equity investment in the respective groups. A subsequent allocation step will then occur. Among the Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Utility" method. Among the Non-Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Non-Utility" method.

b. "Multiple Factor - Utility" - For the Indirect Costs for a product or service solely benefiting one or more of the Utility Subsidiaries, each such Utility Subsidiary so benefiting will be charged a portion of the Indirect Costs based on the sum of the weighted averages of the following factors:

1. Gross transmission and/or distribution plant.
2. Operating and maintenance expense excluding purchase power and fuel costs.

3. Transmission and/or distribution revenues, excluding transactions with affiliates

These three (3) factors have been determined to be the most appropriate for the Utility Subsidiaries in the FirstEnergy system. Each factor will be weighted equally so that no one facet of the electric utility operations inordinately influences the distribution of Indirect Costs.

c. "Multiple Factor - Non-Utility" - For the Indirect Costs for products or services solely benefiting the Non-Utility Subsidiaries, each Non-Utility Subsidiary so benefiting receiving the product or service will be charged a proportion of the Indirect Costs based upon the total assets of each Non-Utility Subsidiary, including the generating assets under operating leases from the Utility Subsidiaries.

d. "Multiple Factor - Utility and Non-Utility" - For the Indirect Costs for a product or service benefiting one or more of the Utility and Non-Utility Subsidiaries, each such Subsidiary so benefiting is first assigned a distribution ratio that is in proportion to the Indirect Costs based on FirstEnergy's equity investment in such Subsidiaries. Following this distribution, a subsequent allocation step will then occur. Among the Utility Subsidiaries, allocations will be based upon the "Multiple Factor-Utility." Among the Non-Utility Subsidiaries, allocations will be based upon "Multiple Factor - Non-Utility"

e. "Direct Charge Ratio" - The ratio of direct charges for a particular product or service to an individual Subsidiary as a percentage of the total direct charges for a particular product or service to all Subsidiaries benefiting from such services. Indirect Costs are then allocated to each Subsidiary based on the calculated ratios.

f. "Number of Customers Ratio" - For costs of products and services driven by the number of Utility customers, the allocation method that will be used will be the number of Utility customers for the respective Utility Subsidiary receiving the product or service divided by the total number of utility customers.

g. "Number of Shopping Customers Ratio" - A "shopping customer" is defined as a Utility customer who has selected a competitive electric generation supplier. For costs of products and services driven by the number of shopping customers, the allocation method that will be used will be the number of shopping customers for the respective Utility Subsidiary receiving the product or service divided by the total number of shopping customers.

h. "Number of Participating Employees - General" - For costs of products and services driven by all participating employees within the FirstEnergy system, the allocation method that will be used will be the number of participating employees for the respective Subsidiary receiving the product or service divided by the total number of participating employees.

i. "Number of Participating Employees - Utility and Non-Utility" - For costs of products and services driven by participating employees who work for the Utility and Non-Utility Subsidiaries, the Subsidiaries receiving the product or service are first assigned a distribution ratio that is in proportion to the Indirect Costs based on FirstEnergy's equity investment in the respective groups. Costs are further allocated by using the number of participating employees for the respective Subsidiary divided by the total number of participating FirstEnergy employees.

j. "Gigabytes Used Ratio" - Number of gigabytes utilized by a Subsidiary receiving the product or service divided by the total number of gigabytes used by the FirstEnergy system companies applicable to that respective product or service.

k. "Number of Computer Workstations Ratio" - Number of computer workstations utilized by a Subsidiary receiving the product or service divided by the total number of computer workstations in use by the FirstEnergy system companies applicable to that respective product or service.

l. "Number of Billing Inserts Ratio" - Number of billing inserts performed for a Subsidiary receiving the product or service divided by the total number of billing inserts performed for the FirstEnergy system companies applicable to that respective product or service.

m. "Number of Invoices Ratio" - Number of invoices processed for a Subsidiary receiving the product or service divided by the total number of invoices processed for the FirstEnergy system companies applicable to that respective product or service.

n. "Number of Payments Ratio" - Number of monthly payments processed for a Subsidiary divided by the total monthly number of payments processed for the FirstEnergy system companies applicable to that respective product or service. This will not be utilized until some historical information is available out of our new automated system.

o. "Daily Print Volume" - Average daily print volume performed for a Subsidiary receiving the service divided by the total average daily print volume performed for the entire FirstEnergy system.

p. "Number of Intel Servers" - Number of Intel servers utilized by a Subsidiary receiving the product or service divided by the total number of Intel servers utilized by the FirstEnergy system.

q. "Application Development Ratio" - Number of application development hours budgeted for a Subsidiary receiving the service divided by the total number of budgeted application development hours for the year.

r. "Server Support Composite" - The average ratio of unix gigabytes, SAP gigabytes and Intel number of servers for a Subsidiary receiving the service.

Service Company Agreement-Utility [Execution Copy]

SERVICE AGREEMENT

This Service Agreement ("Agreement") is entered into as of the ____ day of _____, by and between each of the associate companies listed on the signature page hereto (each a "Client Company"), and FirstEnergy Service Company, an Ohio corporation ("Service Company").

Deleted: 25th
Deleted: February
Deleted: 2011

WHEREAS, Service Company is a direct wholly-owned subsidiary of FirstEnergy Corp., a holding company under the Public Utility Holding Company Act of 2005, as amended (the "Act");

WHEREAS, Service Company has been formed for the purpose of providing administrative, management and other services to FirstEnergy Corp. and its associate companies, including Client Company (together, the "Client Companies"); and

WHEREAS, Client Company believes that it is in its interest to enter into an arrangement whereby Client Company may agree to purchase such administrative, management and other services from Service Company as Client Company may choose at cost as determined in accordance with this Agreement and the Act;

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. DESCRIPTION OF SERVICES.

Service Company agrees to provide certain administrative, management or other services (the "Services") to Client Company similar to those supplied to other Client Companies of Service Company. Such services are and will be provided to Client Company only at the request of Client Company. Exhibit A hereto lists and describes all of the Services that are available from Service Company.

2. PERSONNEL.

In order to provide the Services, Service Company will employ executive officers, accountants, financial advisers, technical advisers, attorneys and other persons with the necessary qualifications. If necessary, Service Company may also arrange for the services of nonaffiliated experts, consultants and attorneys in connection with the performance of any of the Services provided under this Agreement.

Exhibit KJT-5

3. COMPENSATION AND ALLOCATION.

As and to the extent required by law, Service Company provides and will provide such services at fully allocated cost, determined in accordance with the Act. Exhibit A hereof contains rules for determining and allocating such costs.

4. TERMINATION AND MODIFICATION.

Either party to this Agreement may terminate this Agreement by providing 60 days written notice of such termination to the other party. This Agreement is subject to termination or modification at any time to the extent its performance may conflict with the provisions of the Act or with any rule, regulation or order of the Federal Regulatory Energy Commission (the "Commission") adopted before or after the making of this Agreement. This Agreement shall be subject to the approval of any state commission or other state regulatory body whose approval is, by the laws of said state, a legal prerequisite to the execution and delivery or the performance of this Agreement.

5. SERVICE REQUESTS.

Client Company and Service Company will prepare a Service Request on or before September 30th of each year listing Services to be provided to Client Company by Service Company and any special arrangements related to the provision of such Services for the coming year, based on Services provided during the preceding year. Client Company and Service Company may supplement the Service Request during the year to reflect any additional or special Services that Client Company wishes to obtain from Service Company, and the arrangements relating thereto.

6. BILLING AND PAYMENT.

Unless otherwise set forth in a Service Request, payment for Services provided by Service Company shall be by making remittance of the amount billed or by making appropriate accounting entries on the books of Client Company and Service Company. Billing will be made on a monthly basis, with the bill to be rendered as soon as practicable after the close of the month, and remittance or accounting entries completed within 30 days of billing. Any amount remaining unpaid after 30 days following receipt of the bill shall bear interest thereon from the due date of the bill until payment at a rate equal to the prime rate on the due date.

7. NOTICE.

Where written notice is required by this Agreement, all notices, consents, certificates, or other communications hereunder shall be in writing and shall be deemed given when mailed by United States registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

8. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio, without regard to its conflict of laws provisions.

9. MODIFICATION.

No amendment, change or modification to this Agreement shall be valid, unless made in writing and signed by both parties hereto.

10. ENTIRE AGREEMENT.

This Agreement, together with its exhibits, constitutes the entire understanding and agreement of the parties with respect to its subject matter, and effective upon the execution of this Agreement by the respective parties hereof, any and all prior agreements, understandings or representations with respect to this subject matter are hereby terminated and canceled in their entirety and are of no further force and effect, except to the extent transactions thereunder have taken place prior to such effective date in which case such agreements will govern the terms of such transactions.

11. WAIVER.

No waiver by either party hereto of a breach of any provision of this Agreement shall constitute a waiver of any preceding or succeeding breach of the same or any other provision hereof.

12. ASSIGNMENT.

This Agreement shall inure to the benefit and shall be binding upon the parties and their respective successors and assigns. No assignment of this Agreement or either party's rights, interests or obligations hereunder may be made without the other party's consent, which shall not be unreasonably withheld, delayed or conditioned.

13. SEVERABILITY.

If any provision or provisions of this Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall in no way be affected or impaired thereby.

Exhibit KJT-5

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed effective as of the day of . This Agreement supercedes any previous agreement between the Service Company and the Client Companies.

goods by and between them such as: (a) reprographics services; (b) restoration, maintenance and repair services for generation, transmission and distribution facilities; (c) remittance processing services; (d) treasury services; (e) accounts payable services; (f) use of office, warehouse, storage and other space or facilities; (g) data processing and other computer services; (h) legal services; and (i) goods, including, electric generation, other production, transmission, distribution, office, administrative and general plant materials, supplies and equipment not “in place” or “installed” (the “1993 MAA”); and **WHEREAS**, as a result of the FirstEnergy/GPU merger in November 2001 (the “FirstEnergy/GPU Merger”), FirstEnergy became a registered holding company under the Public Utility Holding Company Act of 1935 and FESC was formed to replace GPUS as the primary provider of various corporate, managerial and administrative support services within the FirstEnergy holding company system, and the PaPUC on February 4, 2003, in Docket No. G-00020987 approved Met-Ed, Penelec and Penn Power entering into a new service agreement with FESC (the “Existing FESC Service Agreement”), which is not altered, modified or changed by this Amended and Restated Mutual Assistance Agreement; and

WHEREAS, as a result of the FirstEnergy/GPU Merger, FESC provides services within the FirstEnergy holding company system under the Existing FESC Service Agreement that include the following services (or the management of such services): executive services, accounting and finance, internal auditing, various treasury functions, risk management, human resources, corporate affairs, government affairs, environmental, corporate communications, operations management, supply chain, information technology, construction, maintenance, customer service, regulated commodity sourcing, FERC policy and compliance, energy efficiency, corporate real estate, records management, asset oversight, strategic planning and operations, rates and regulatory affairs, flight operations, performance management, business development, investment management and legal services; and

WHEREAS, as a result of the FirstEnergy/GPU Merger, Ohio Ed, CEI, Toledo Ed and Penn Power became affiliates of Met-Ed and Penelec in the same relationship, as affiliated operating companies within the FirstEnergy holding company system, that Met-Ed, Penelec and JCP&L theretofore had with each other within the GPU holding company system as public utility companies engaged in the transmission, distribution and sale of electricity to and for the public in their respective service territories; and

WHEREAS, as a result of the merger of Allegheny Energy, Inc. (“Allegheny”) and a subsidiary of FirstEnergy on February 25, 2011 (the “FirstEnergy/Allegheny Merger”), West Penn, Mon Power, Potomac Ed, and the Trans Allegheny Interstate Line Company also became affiliated operating companies in the same relationship as other affiliated operating companies within the FirstEnergy holding system; and

WHEREAS, FirstEnergy Transmission and Penelec, Met-Ed, and JCP&L have entered into operating and capital contribution agreements regarding the formation, operation and their respective membership interests in, MAIT and, as a result of which MAIT has also become an affiliated operating company in the same relationship as other affiliated operating companies within the FirstEnergy holding system (collectively, Ohio Ed, CEI, Toledo Ed, Penn Power, JCP&L, Met-Ed, Penelec, West Penn, Mon Power, Potomac Ed, ATSI, TrAILCo, and MAIT are referred to herein as the “Operating Companies”);

WHEREAS, from time to time, the Operating Companies may request and/or may require non-power goods and services from one or more of the other Operating Companies ; and

WHEREAS, from time to time, GPUN, FESC, and FirstEnergy Transmission may request and/or may require goods and services from the Operating Companies and, to the degree not addressed in another agreement, GPUN, and FirstEnergy Transmission may provide non-power goods and services to the Operating Companies; and

WHEREAS, in light of changes outlined above and because from time to time various opportunities arise for the Companies to effect economies and better utilization of available resources through transfers of a broader range of goods and services by, between and among the Companies, the Companies desire to enter into this Amended and Restated Mutual Assistance Agreement, which supersedes any other agreements that may have existed between the parties hereto related to the matters covered by this Amended and Restated Mutual Assistance Agreement, as applicable, for providing mutual services by and between them.

NOW, THEREFORE, the Companies, intending to be legally bound, agree as follows:

1. **SERVICES**. As used herein “*Services*” refers to the list of services set forth in Attachment I hereto. Additional services sought to be included within this Amended and Restated Mutual Assistance Agreement will first be filed with the PaPUC for Commission review.

2. **GOODS**. As used herein “*Goods*” refers to goods incidental to the Services, electric transmission, distribution, office, administrative and general plant materials, supplies and equipment not “in place” or “installed.” As contemplated hereunder, transactions in Goods may, but need not be, incidental to the provision of Services.

3. **REQUESTS FOR GOODS AND SERVICES**. From time to time, each Company, in its sole discretion may determine, may request, or, upon the request of another Company, may furnish to such other Company, upon the terms and conditions set forth herein, one or more of the Goods or Services (including, in the case of Goods, those which at the time are inadequate, obsolete, unfit, or unnecessary or unadapted for use in the operations of the Company to which such request is made).

4. **PRICING**.

(a) All transactions carried out pursuant hereto shall be effected as follows:

(i) if an Operating Company furnishes Goods or Services to an Operating Company , then such furnishing Company shall be paid for such Goods or Services at cost in the case of the performance of Services (including all applicable direct and indirect costs of the furnishing Company), or cost less accumulated depreciation in the case of the sale of Goods (including all applicable direct and indirect costs of the furnishing Company);

(ii) if an Operating Company furnishes Goods or Services to FESC , the Operating Company shall be paid for such Goods or Services at the higher of (A) cost in

the case of the performance of Services (including all applicable direct and indirect costs of the furnishing Company), or cost less depreciation in the case of the sale of Goods (including all applicable direct and indirect costs of the furnishing Company) or (B) market price; and

(iii) (A) if an Operating Company furnishes Goods or Services to GPUN, FENOC, FE Properties, Bay Shore or GenCo, then the furnishing Company shall be paid for such Goods or Services at a price that is the higher of cost or market price; or (B) if GPUN, FENOC, FE Properties, Bay Shore or GenCo furnishes Goods or Services to an Operating Company, then the furnishing Company shall be paid for such Goods or Services at a price that is no higher than market price. (b) Costs include, as applicable, wages and salaries of employees and related fringe benefit expenses (such as health care, life insurance, payroll taxes, pensions and other employee welfare expenses), equipment, tooling, materials, subcontract costs, overheads, cost of capital, and taxes.

5. BILLING, PAYMENT AND ACCOUNTING.

(a) Costs are accumulated within the Companies' integrated accounting system related to the Services and Goods provided hereunder in order to support the inter-company billing, which shall be performed monthly. Details supporting each transaction are contained within the integrated accounting system, in accordance with applicable FirstEnergy procedures and processes, as amended from time to time.

(b) Direct charges to a Company shall be made so far as charges can be identified and related to the particular transactions involved without excessive effort or expense. Whenever possible, charges for Services rendered hereunder between the Companies, including personnel and non-personnel costs and expenses and related costs and expenses that relate to a particular requesting Company, shall be billed by the providing Company directly to such requesting Company. For those charges that cannot be direct billed either because the Services giving rise to those charges are provided to, or on behalf of, more than one recipient Company or the charges themselves are not easily susceptible to precise identification with a particular or specific transaction, the providing Company shall allocate such costs in accordance with an allocation method recommended and provided by FESC from among its approved allocation methods (which is attached hereto as Attachment II) as such methods may be amended, modified or changed from time to time.

(c) To the extent a Company is required to pay cost for Goods or Services, as provided in Section 4 of this Agreement, such costs:

(i) shall not exceed a fair and equitable allocation of expenses (including the price paid for goods) plus reasonable compensation for necessary capital procured through the issuance of capital stock (or similar securities);

(ii) for Services rendered by a providing Company shall be determined and calculated based upon the time records of employees, and records of related expenses, including out-of-pocket expenses that are billed at cost;

(iii) may include taxes, interest, other overhead, and compensation for the use of capital procured by the issuance of capital stock (or similar securities), which shall be fairly and equitably allocated. Interest on borrowed capital and compensation for the use of capital shall represent a reasonable return on only the amount of capital reasonably necessary for the performance of services or construction for, or the selling of goods to, customers for whom transactions are performed at cost. Such amount shall not include the cost of assignment of, or any capitalization of, any service, sales, or construction contract; and

(iv) shall not include any expense (including the price paid for goods) incurred in a transaction with an affiliated Company of the providing Company, to the extent that it exceeds the cost of such transaction to such affiliated Company.

(d) Inter-Company billing is performed with the close of each month and will be payable within thirty days following such monthly closing. For the sale of Goods, asset transfer documentation is completed and the transaction is included in the monthly intercompany billing. The detailed records, related to the rendering of, and payment for, the Goods or Services, supporting the inter-company bills are available within the integrated system, so that the receiving Company can reasonably determine the nature and extent of the Services or Goods provided by the providing Company, including the rates, hours and related cost elements applicable to such Service or Good.

(e) Payments shall be made by cash remittance from the receiving Company to the providing Company or by appropriate accounting transfer entries on the books of both Companies, which are reconciled daily, in accordance with applicable FirstEnergy policies and procedures.

(f) Any amount remaining unpaid after thirty (30) days following receipt of the bill shall bear interest thereon from the date of the bill until payment at such rate as would apply in accordance with applicable FirstEnergy policies and procedures.

(g) Inter-Company billings hereunder shall be reconciled each month to assure that all expenses have been billed, and also in order to detect and correct over- or under-billings.

(h) The Internal Auditing Department shall periodically audit inter-Company transactions and billings hereunder. The audits shall also include an evaluation of the work order process in order to assure that transactions and charges have been properly authorized, calculated, allocated, if applicable, invoiced, recorded, paid and tracked.

(i) The supporting records and details related to all inter-company billings, including direct charges and allocated charges, and applicable allocation methods (in order to enable testing with respect to cost allocations to and from affiliates), will be retained for auditing purposes in accordance with applicable law and regulation.

6. **WAIVER**. To the extent that the Goods and Services are furnished at cost, or cost less depreciation, if any pursuant to Section 4, and to facilitate the undertaking of this Agreement, each Company expressly waives any right it may have to recover from the other Companies for any losses, damages, penalties, liabilities, claims or expenses (including damage to its own property or liabilities to third parties) for any cause whatsoever including without limitation the negligence of the other Companies, its employees and agents in connection with the provision of Goods and Services that are furnished at cost.

7. **TERMINATION**. This Amended and Restated Mutual Assistance Agreement shall be effective on the date of execution, or such later date as approved by the applicable regulatory authority, and will remain in effect until December 31, 2016. This initial term will be automatically extended for successive periods of one year unless any Party gives sixty days' notice of termination to the other Parties prior to the end of the calendar year then in effect. Unless otherwise agreed by the Parties, such termination shall not affect or excuse the performance of transactions entered into on behalf of either Party prior to notice of termination. This Agreement shall remain in effect until all Parties have fully performed their obligations under said transactions.

8. **MODIFICATION OR AMENDMENT**. No amendment, change or modification to this Amended and Restated Mutual Assistance Agreement shall be valid, unless made in writing and signed by the Parties hereto, and upon the receipt of any required regulatory approvals as described in Paragraph 9 below.

9. **REGULATORY APPROVALS; STATE LAW**. The provision of Goods or Services hereunder by, and for, any Operating Company hereto shall be subject to the receipt of any other regulatory approvals which may pertain to, or be necessary for, a particular Operating Company or transaction involving a particular Operating Company.. This Amended and Restated Mutual Assistance Agreement, and any amendments thereto, shall be subject to the approval of any state commission or other regulatory body whose approval is, by the laws of said jurisdiction, a legal prerequisite to an Operating Company's execution, delivery and/or performance of this Amended and Restated Mutual Assistance Agreement for any particular Operating Company hereunder, and any transactions hereunder shall be in compliance with applicable state laws and regulations.

10. **GOVERNING LAW**. For purposes of providing Goods or Services hereunder, in the case of each transaction hereunder, this Amended and Restated Mutual Assistance Agreement shall be governed by, and construed under, the laws of the state in which are located the principal offices of the Company providing the Goods or Services hereunder, without regard to its conflict of laws provisions.

11. **ASSIGNMENT**. This Amended and Restated Mutual Assistance Agreement shall inure to the benefit and shall be binding upon the undersigned parties and their respective successors and assigns. No assignment of this Amended and Restated Mutual Assistance Agreement or of any Party's rights, interests or obligations hereunder, may be made without the other Parties' consent, which shall not be unreasonably withheld, delayed or conditioned.

12. **ENTIRE AGREEMENT**. This Amended and Restated Mutual Assistance Agreement together with its attachments, constitutes the entire understanding and agreement of the Parties with respect to its subject matter, and effective upon the execution of this

Amended and Restated Mutual Assistance Agreement by the respective Parties hereof, any and all prior agreements, understandings or representations with respect to this subject matter are hereby terminated and canceled in their entirety and are of no further force and effect, except to the extent (a) the transactions thereunder have taken place prior to the effective date in which case such agreements will govern the terms of such transactions, and (b) the Existing FESC Service Agreement is considered an agreement with respect to this subject matter, it shall not be terminated. In the event of any conflict between the provisions of this Agreement and the Existing FESC Agreement, the provisions of the Existing FESC Agreement will control.

13. **SEVERABILITY.** If any provision of this Amended and Restated Mutual Assistance Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall in no way be affected or impaired thereby.

IN WITNESS WHEREOF, the Parties have executed this Amended and Restated Mutual Assistance Agreement on of the date first above written:

ATTACHMENT II

List of FirstEnergy Service Company Allocation Methods as approved by the Securities and Exchange Commission as of as of June 1, 2003.

METHODS OF ALLOCATION

1. Multiple Factor – All
 - A. FirstEnergy will bear 5% of these Indirect Allocations. The remaining Indirect Allocations will be allocated among the Utility and the Non-Utility Subsidiaries based on FirstEnergy's equity investment in the respective groups.
 - B. A subsequent allocation step will then occur. Among the Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Utility" method. Among the Non-Utility Subsidiaries, allocations will be based upon the "Multiple Factor - NonUtility" method.
2. Multiple Factor – Utility

Based on the sum of the weighted averages of the following factors:

 - A. Gross transmission and/or distribution plant
 - B. Operating and maintenance expense excluding purchased power and fuel costs
 - C. Transmission and/or distribution revenues, excluding transactions with affiliates

Each of the above factors will be weighted equally so that no one facet of the utility operations inordinately influences the distribution of costs
3. Multiple Factor - Non-Utility

Based upon the total assets of each Non-Utility Subsidiary, including the generating assets under operating leases to the Utility Subsidiaries.
4. Multiple Factor - Utility and Non-Utility
 - A. First assign a distribution ratio that is in proportion to the Indirect Costs based on FirstEnergy's equity investment in the respective groups.
 - B. Among the Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Utility" method. Among the Non-Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Non-Utility" method.

5. Direct Charge Ratio

The ratio of direct charges for a particular product or service to an individual Subsidiary as a percentage of the total direct charges for a particular product or service to all Subsidiaries benefiting from such services. Indirect Costs are then allocated to each Subsidiary based on the calculated ratios.

6. Number of Customers Ratio

Based on the number of Utility distribution customers for the respective Utility Subsidiary receiving the product or service divided by the total number of Utility distribution customers.

7. Number of Shopping Customers Ratio

Based on the number of shopping customers for the respective Utility Subsidiary receiving the product or service divided by the total number of shopping customers.

8. Number of Participating Employees – General

Based on the number of participating employees for the respective Subsidiary receiving the product or service divided by the total number of participating employees.

9. Number of Participating Employees - Utility and Non-Utility

A. First assign a distribution ratio that is in proportion to the Indirect Costs based on FirstEnergy's equity investment in the respective groups.

B. Costs are further allocated by using the number of participating employees for the respective Subsidiary divided by the total number of participating FirstEnergy employees.

10. Gigabytes Used Ratio

Based on the number of gigabytes utilized by a Subsidiary receiving the product or service divided by the total number of gigabytes used by the FirstEnergy system companies applicable to that respective product or service.

11. Number of Computer Workstations Ratio

Based on the number of computer workstations utilized by a Subsidiary receiving the product or service divided by the total number of computer workstations in use by the FirstEnergy system companies applicable to that respective product or service.

12. Number of Billing Inserts Ratio

Based on the number of billing inserts performed for a Subsidiary receiving the product or service divided by the total number of billing inserts performed for the FirstEnergy system companies applicable to that respective product or service.

13. Number of Invoices Ratio

Based on the number of invoices processed for a Subsidiary receiving the product or service divided by the total number of invoices processed for the FirstEnergy system companies applicable to that respective product or service.

14. Number of Payments Ratio

Based on the number of monthly payments processed for a Subsidiary divided by the total monthly number of payments processed for the FirstEnergy system companies applicable to that respective product or service.

15. Daily Print Volume

Based on the average daily print volume performed for a Subsidiary receiving the service divided by the total average daily print volume performed for the entire FirstEnergy system.

16. Number of Intel Servers

Based on the number of Intel servers utilized by a Subsidiary receiving the product or service divided by the total number of Intel servers utilized by the FirstEnergy system.

17. Application Development Ratio

Based on the number of application development hours budgeted for a Subsidiary receiving the service divided by the total number of budgeted application development hours for the year.

18. Server Support Composite

Based on the average ratio of UNIX gigabytes, SAP gigabytes and Intel number of servers for a Subsidiary receiving the service.

goods by and between them such as: (a) reprographics services; (b) restoration, maintenance and repair services for generation, transmission and distribution facilities; (c) remittance processing services; (d) treasury services; (e) accounts payable services; (f) use of office, warehouse, storage and other space or facilities; (g) data processing and other computer services; (h) legal services; and (i) goods, including, electric generation, other production, transmission, distribution, office, administrative and general plant materials, supplies and equipment not “in place” or “installed” (the “1993 MAA”); and **WHEREAS**, as a result of the FirstEnergy/GPU merger in November 2001 (the “FirstEnergy/GPU Merger”), FirstEnergy became a registered holding company under the Public Utility Holding Company Act of 1935 and FESC was formed to replace GPUS as the primary provider of various corporate, managerial and administrative support services within the FirstEnergy holding company system, and the PaPUC on February 4, 2003, in Docket No. G-00020987 approved Met-Ed, Penelec and Penn Power entering into a new service agreement with FESC (the “Existing FESC Service Agreement”), which is not altered, modified or changed by this Amended and Restated Mutual Assistance Agreement; and

WHEREAS, as a result of the FirstEnergy/GPU Merger, FESC provides services within the FirstEnergy holding company system under the Existing FESC Service Agreement that include the following services (or the management of such services): executive services, accounting and finance, internal auditing, various treasury functions, risk management, human resources, corporate affairs, government affairs, environmental, corporate communications, operations management, supply chain, information technology, construction, maintenance, customer service, regulated commodity sourcing, FERC policy and compliance, energy efficiency, corporate real estate, records management, asset oversight, strategic planning and operations, rates and regulatory affairs, flight operations, performance management, business development, investment management and legal services; and

WHEREAS, as a result of the FirstEnergy/GPU Merger, Ohio Ed, CEI, Toledo Ed and Penn Power became affiliates of Met-Ed and Penelec in the same relationship, as affiliated operating companies within the FirstEnergy holding company system, that Met-Ed, Penelec and JCP&L theretofore had with each other within the GPU holding company system as public utility companies engaged in the transmission, distribution and sale of electricity to and for the public in their respective service territories; and

WHEREAS, as a result of the merger of Allegheny Energy, Inc. (“Allegheny”) and a subsidiary of FirstEnergy on February 25, 2011 (the “FirstEnergy/Allegheny Merger”), West Penn, Mon Power, Potomac Ed, and the Trans Allegheny Interstate Line Company also became affiliated operating companies in the same relationship as other affiliated operating companies within the FirstEnergy holding system; and

WHEREAS, FirstEnergy Transmission and Penelec, Met-Ed, and JCP&L have entered into operating and capital contribution agreements regarding the formation, operation and their respective membership interests in, MAIT and, as a result of which MAIT has also become an affiliated operating company in the same relationship as other affiliated operating companies within the FirstEnergy holding system (collectively, Ohio Ed, CEI, Toledo Ed, Penn Power, JCP&L, Met-Ed, Penelec, West Penn, Mon Power, Potomac Ed, ATSI, TrAILCo, and MAIT are referred to herein as the “Operating Companies”):

WHEREAS, from time to time, GPUN, FESC, and FirstEnergy Transmission may request and/or may require goods and services from the Operating Companies and, to the degree not addressed in another agreement, GPUN, and FirstEnergy Transmission may provide non-power goods and services to the Operating Companies; and

WHEREAS, in light of changes outlined above and because from time to time various opportunities arise for the Companies to effect economies and better utilization of available resources through transfers of a broader range of goods and services by, between and among the Companies, the Companies desire to enter into this Amended and Restated Mutual Assistance Agreement, which supersedes any other agreements that may have existed between the parties hereto related to the matters covered by this Amended and Restated Mutual Assistance Agreement, as applicable, for providing mutual services by and between them.

NOW, THEREFORE, the Companies, intending to be legally bound, agree as follows:

1. **SERVICES.** As used herein "Services" refers to the list of services set forth in Attachment I hereto. Additional services sought to be included within this Amended and Restated Mutual Assistance Agreement will first be filed with the PaPUC for Commission review.

2. **GOODS.** As used herein "Goods" refers to goods incidental to the Services, electric transmission, distribution, office, administrative and general plant materials, supplies and equipment not "in place" or "installed." As contemplated hereunder, transactions in Goods may, but need not be, incidental to the provision of Services.

3. **REQUESTS FOR GOODS AND SERVICES.** From time to time, each Company, in its sole discretion may determine, may request, or, upon the request of another Company, may furnish to such other Company, upon the terms and conditions set forth herein, one or more of the Goods or Services (including, in the case of Goods, those which at the time are inadequate, obsolete, unfit, or unnecessary or unadapted for use in the operations of the Company to which such request is made).

4. **PRICING.**

(a) All transactions carried out pursuant hereto shall be effected as follows:

(i) if an Operating Company furnishes Goods or Services to an Operating Company, then such furnishing Company shall be paid for such Goods or Services at cost in the case of the performance of Services (including all applicable direct and indirect costs of the furnishing Company), or cost less accumulated depreciation in the case of the sale of Goods (including all applicable direct and indirect costs of the furnishing Company);

5. **BILLING, PAYMENT AND ACCOUNTING.**

(a) Costs are accumulated within the Companies' integrated accounting system related to the Services and Goods provided hereunder in order to support the inter-company billing, which shall be performed monthly. Details supporting each transaction are contained within the integrated accounting system, in accordance with applicable FirstEnergy procedures and processes, as amended from time to time.

(b) Direct charges to a Company shall be made so far as charges can be identified and related to the particular transactions involved without excessive effort or expense. Whenever possible, charges for Services rendered hereunder between the Companies, including personnel and non-personnel costs and expenses and related costs and expenses that relate to a particular requesting Company, shall be billed by the providing Company directly to such requesting Company. For those charges that cannot be direct billed either because the Services giving rise to those charges are provided to, or on behalf of, more than one recipient Company or the charges themselves are not easily susceptible to precise identification with a particular or specific transaction, the providing Company shall allocate such costs in accordance with an allocation method recommended and provided by FESC from among its approved allocation methods (which is attached hereto as Attachment II) as such methods may be amended, modified or changed from time to time.

(c) To the extent a Company is required to pay cost for Goods or Services, as provided in Section 4 of this Agreement, such costs:

(i) shall not exceed a fair and equitable allocation of expenses (including the price paid for goods) plus reasonable compensation for necessary capital procured through the issuance of capital stock (or similar securities);

(ii) for Services rendered by a providing Company shall be determined and calculated based upon the time records of employees, and records of related expenses, including out-of-pocket expenses that are billed at cost;

Exhibit KJT-6

(iii) may include taxes, interest, other overhead, and compensation for the use of capital procured by the issuance of capital stock (or similar securities), which shall be fairly and equitably allocated. Interest on borrowed capital and compensation for the use of capital shall represent a reasonable return on only the amount of capital reasonably necessary for the performance of services or construction for, or the selling of goods to, customers for whom transactions are performed at cost. Such amount shall not include the cost of assignment of, or any capitalization of, any service, sales, or construction contract; and

(iv) shall not include any expense (including the price paid for goods) incurred in a transaction with an affiliated Company of the providing Company, to the extent that it exceeds the cost of such transaction to such affiliated Company.

(d) Inter-Company billing is performed with the close of each month and will be payable within thirty days following such monthly closing. For the sale of Goods, asset transfer documentation is completed and the transaction is included in the monthly intercompany billing. The detailed records, related to the rendering of, and payment for, the Goods or Services, supporting the inter-company bills are available within the integrated system, so that the receiving Company can reasonably determine the nature and extent of the Services or Goods provided by the providing Company, including the rates, hours and related cost elements applicable to such Service or Good.

(e) Payments shall be made by cash remittance from the receiving Company to the providing Company or by appropriate accounting transfer entries on the books of both Companies, which are reconciled daily, in accordance with applicable FirstEnergy policies and procedures.

(f) Any amount remaining unpaid after thirty (30) days following receipt of the bill shall bear interest thereon from the date of the bill until payment at such rate as would apply in accordance with applicable FirstEnergy policies and procedures.

(g) Inter-Company billings hereunder shall be reconciled each month to assure that all expenses have been billed, and also in order to detect and correct over- or under-billings.

(h) The Internal Auditing Department shall periodically audit inter-Company transactions and billings hereunder. The audits shall also include an evaluation of the work order process in order to assure that transactions and charges have been properly authorized, calculated, allocated, if applicable, invoiced, recorded, paid and tracked.

(i) The supporting records and details related to all inter-company billings, including direct charges and allocated charges, and applicable allocation methods (in order to enable testing with respect to cost allocations to and from affiliates), will be retained for auditing purposes in accordance with applicable law and regulation.

Exhibit KJT-6

6. **WAIVER.** To the extent that the Goods and Services are furnished at cost, or cost less depreciation, if any pursuant to Section 4, and to facilitate the undertaking of this Agreement, each Company expressly waives any right it may have to recover from the other Companies for any losses, damages, penalties, liabilities, claims or expenses (including damage to its own property or liabilities to third parties) for any cause whatsoever including without limitation the negligence of the other Companies, its employees and agents in connection with the provision of Goods and Services that are furnished at cost.

7. **TERMINATION.** This Amended and Restated Mutual Assistance Agreement shall be effective on the date of execution, or such later date as approved by the applicable regulatory authority, and will remain in effect until December 31, 2016. This initial term will be automatically extended for successive periods of one year unless any Party gives sixty days' notice of termination to the other Parties prior to the end of the calendar year then in effect. Unless otherwise agreed by the Parties, such termination shall not affect or excuse the performance of transactions entered into on behalf of either Party prior to notice of termination. This Agreement shall remain in effect until all Parties have fully performed their obligations under said transactions.

Deleted: 3

8. **MODIFICATION OR AMENDMENT.** No amendment, change or modification to this Amended and Restated Mutual Assistance Agreement shall be valid, unless made in writing and signed by the Parties hereto, and upon the receipt of any required regulatory approvals as described in Paragraph 9 below.

9. **REGULATORY APPROVALS; STATE LAW.** The provision of Goods or Services hereunder by, and for, any Operating Company hereto shall be subject to the receipt of any other regulatory approvals which may pertain to, or be necessary for, a particular Operating Company or transaction involving a particular Operating Company. This Amended and Restated Mutual Assistance Agreement, and any amendments thereto, shall be subject to the approval of any state commission or other regulatory body whose approval is, by the laws of said jurisdiction, a legal prerequisite to an Operating Company's execution, delivery and/or performance of this Amended and Restated Mutual Assistance Agreement for any particular Operating Company hereunder, and any transactions hereunder shall be in compliance with applicable state laws and regulations.

Deleted: In particular, and without limiting the generality of the foregoing, JCP&L shall not enter into transactions under this Amended and Restated Mutual Assistance Agreement for any management, advisory, construction or engineering service that in itself or in connection with another transaction relating to the same work, project, transaction or service involves JCP&L's expenditure of a sum exceeding \$25,000

10. **GOVERNING LAW.** For purposes of providing Goods or Services hereunder, in the case of each transaction hereunder, this Amended and Restated Mutual Assistance Agreement shall be governed by, and construed under, the laws of the state in which are located the principal offices of the Company providing the Goods or Services hereunder, without regard to its conflict of laws provisions.

11. **ASSIGNMENT.** This Amended and Restated Mutual Assistance Agreement shall inure to the benefit and shall be binding upon the undersigned parties and their respective successors and assigns. No assignment of this Amended and Restated Mutual Assistance Agreement or of any Party's rights, interests or obligations hereunder, may be made without the other Parties' consent, which shall not be unreasonably withheld, delayed or conditioned.

12. **ENTIRE AGREEMENT.** This Amended and Restated Mutual Assistance Agreement together with its attachments, constitutes the entire understanding and agreement of the Parties with respect to its subject matter, and effective upon the execution of this

Exhibit KJT-6

Amended and Restated Mutual Assistance Agreement by the respective Parties hereof, any and all prior agreements, understandings or representations with respect to this subject matter are hereby terminated and canceled in their entirety and are of no further force and effect, except to the extent (a) the transactions thereunder have taken place prior to the effective date in which case such agreements will govern the terms of such transactions, and (b) the Existing FESC Service Agreement is considered an agreement with respect to this subject matter, it shall not be terminated. In the event of any conflict between the provisions of this Agreement and the Existing FESC Agreement, the provisions of the Existing FESC Agreement will control.

13. **SEVERABILITY**. If any provision of this Amended and Restated Mutual Assistance Agreement shall be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall in no way be affected or impaired thereby.

IN WITNESS WHEREOF, the Parties have executed this Amended and Restated Mutual Assistance Agreement on of the date first above written:

ATTACHMENT II

List of FirstEnergy Service Company Allocation Methods as approved by the Securities and Exchange Commission as of as of June 1, 2003.

METHODS OF ALLOCATION

1. Multiple Factor – All

A. FirstEnergy will bear 5% of these Indirect Allocations. The remaining Indirect Allocations will be allocated among the Utility and the Non-Utility Subsidiaries based on FirstEnergy's equity investment in the respective groups.

B. A subsequent allocation step will then occur. Among the Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Utility" method. Among the Non-Utility Subsidiaries, allocations will be based upon the "Multiple Factor - NonUtility" method.

2. Multiple Factor – Utility

Based on the sum of the weighted averages of the following factors:

A. Gross transmission and/or distribution plant

B. Operating and maintenance expense excluding purchased power and fuel costs

C. Transmission and/or distribution revenues, excluding transactions with affiliates

Each of the above factors will be weighted equally so that no one facet of the utility operations inordinately influences the distribution of costs

3. Multiple Factor - Non-Utility

Based upon the total assets of each Non-Utility Subsidiary, including the generating assets under operating leases to the Utility Subsidiaries.

4. Multiple Factor - Utility and Non-Utility

A. First assign a distribution ratio that is in proportion to the Indirect Costs based on FirstEnergy's equity investment in the respective groups.

B. Among the Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Utility" method. Among the Non-Utility Subsidiaries, allocations will be based upon the "Multiple Factor - Non-Utility" method.

Exhibit KJT-6

5. Direct Charge Ratio

The ratio of direct charges for a particular product or service to an individual Subsidiary as a percentage of the total direct charges for a particular product or service to all Subsidiaries benefiting from such services. Indirect Costs are then allocated to each Subsidiary based on the calculated ratios.

6. Number of Customers Ratio

Based on the number of Utility distribution customers for the respective Utility Subsidiary receiving the product or service divided by the total number of Utility distribution customers.

7. Number of Shopping Customers Ratio

Based on the number of shopping customers for the respective Utility Subsidiary receiving the product or service divided by the total number of shopping customers.

8. Number of Participating Employees – General

Based on the number of participating employees for the respective Subsidiary receiving the product or service divided by the total number of participating employees.

9. Number of Participating Employees - Utility and Non-Utility

- A. First assign a distribution ratio that is in proportion to the Indirect Costs based on FirstEnergy's equity investment in the respective groups.
- B. Costs are further allocated by using the number of participating employees for the respective Subsidiary divided by the total number of participating FirstEnergy employees.

10. Gigabytes Used Ratio

Based on the number of gigabytes utilized by a Subsidiary receiving the product or service divided by the total number of gigabytes used by the FirstEnergy system companies applicable to that respective product or service.

11. Number of Computer Workstations Ratio

Based on the number of computer workstations utilized by a Subsidiary receiving the product or service divided by the total number of computer workstations in use by the FirstEnergy system companies applicable to that respective product or service.

Exhibit KJT-6

12. Number of Billing Inserts Ratio

Based on the number of billing inserts performed for a Subsidiary receiving the product or service divided by the total number of billing inserts performed for the FirstEnergy system companies applicable to that respective product or service.

13. Number of Invoices Ratio

Based on the number of invoices processed for a Subsidiary receiving the product or service divided by the total number of invoices processed for the FirstEnergy system companies applicable to that respective product or service.

14. Number of Payments Ratio

Based on the number of monthly payments processed for a Subsidiary divided by the total monthly number of payments processed for the FirstEnergy system companies applicable to that respective product or service.

15. Daily Print Volume

Based on the average daily print volume performed for a Subsidiary receiving the service divided by the total average daily print volume performed for the entire FirstEnergy system.

16. Number of Intel Servers

Based on the number of Intel servers utilized by a Subsidiary receiving the product or service divided by the total number of Intel servers utilized by the FirstEnergy system.

17. Application Development Ratio

Based on the number of application development hours budgeted for a Subsidiary receiving the service divided by the total number of budgeted application development hours for the year.

18. Server Support Composite

Based on the average ratio of UNIX gigabytes, SAP gigabytes and Intel number of servers for a Subsidiary receiving the service.

**FIRSTENERGY CORP. AND SUBSIDIARY COMPANIES
INTERCOMPANY INCOME TAX ALLOCATION AGREEMENT**

WHEREAS, FirstEnergy Corp., a corporation organized under the laws of the State of Ohio (“FirstEnergy”) and a registered holding company under the Public Utility Holding Company Act of 2005 (“Act”), together with its subsidiary companies, direct and indirect, listed as parties hereto, comprise the members of the FirstEnergy consolidated group which will join annually in the filing of a consolidated Federal income tax return, and is now the intention of FirstEnergy and its subsidiaries, direct and indirect, (hereinafter collectively referred to as the “FirstEnergy Group”), to enter into an agreement for the allocation of current federal income taxes pursuant the Act; and

WHEREAS, certain members of the FirstEnergy Group will join annually in the filing of certain consolidated state income tax returns (to the extent permitted or required under applicable state income tax laws), and it is now the intention of the FirstEnergy Group to enter into an agreement for the allocation of current state income taxes; and

WHEREAS, by order dated June 30, 2003, the Securities and Exchange Commission authorized FirstEnergy and its subsidiaries to enter into this agreement as of January 1, 2002, and to allocate consolidated income taxes in the manner herein provided; and

NOW, THEREFORE, each member (“Member”) of the FirstEnergy Group does hereby covenant and agree with one another that the current consolidated income tax liabilities of the FirstEnergy Group shall be allocated as follows:

ARTICLE I.

Definitions and Interpretation

Section 1.1 Definitions. For all purposes of this Agreement, except as otherwise expressly provided, the following terms shall have the following respective meanings:

“Acquisition Indebtedness” means indebtedness incurred by FirstEnergy to finance the acquisition (including related costs) by FirstEnergy of all of the issued and outstanding stock of GPU, Inc. and any renewals or extensions thereof. Acquisition Indebtedness also includes indebtedness incurred by FirstEnergy for the purpose of refinancing the indebtedness relating to the acquisition (including related costs) of all of the issued and outstanding stock of GPU, Inc.

“Code” means the Internal Revenue Code of 1986, as amended.

“Consolidated Group” means FirstEnergy and all of its subsidiaries which, from time to time, may be included in any (i) federal income tax return filed by FirstEnergy in accordance with sections 1501 and 1502 of the Code or (ii) Other

Return.

“Consolidated Return” means any consolidated federal income tax return or Other Return filed by FirstEnergy whether before or after the date hereof, which includes one or more Members of the FirstEnergy Group in a consolidated, combined or unitary group of which FirstEnergy is the common parent.

“Consolidated Return Year” means any period during which FirstEnergy files a consolidated federal income tax return or Other Return that includes one or more Members of the FirstEnergy Group in a consolidated, combined or unitary group of which FirstEnergy is a common parent.

“Consolidated Taxable Income” is the taxable income of the Consolidated Group as computed for federal or state income tax purposes.

“Consolidated Tax Liability” means, with reference to any taxable period, the consolidated, combined or unitary tax liability (including any interest, additions to tax and penalties) of the Consolidated Group for such taxable period (including the consolidated federal income tax liability and other consolidated, combined or unitary liability for Other Taxes).

“Corporate Taxable Income” means the income or loss of an associate company for a tax year computed as though such company had filed a separate return on the same basis as used in the Consolidated Return, except that dividend income from associate companies shall be disregarded, and other intercompany transactions eliminated in the Consolidated Return shall be given appropriate effect.

“Designated Official” means the Director, Tax Services of FirstEnergy Service Company or such other official assigned the responsibilities of Director, Tax Services of FirstEnergy Service Company.

“Other Return” means any consolidated, combined or unitary return of Other Taxes filed by FirstEnergy or another Member of the FirstEnergy Group, whether before or after the date hereof, which covers the operations of one or more Members of the FirstEnergy Group.

“Other Taxes” means any taxes (including any interest and penalties) payable by FirstEnergy or another Member of the FirstEnergy Group to the government of any state, municipal or other political subdivision, including all agencies and instrumentalities of such government.

“Person” means any individual, partnership, firm, corporation, limited liability company, joint stock company, unincorporated association, joint venture, trust or other entity or enterprise, or any government or political subdivision or agency, department or instrumentality thereof.

“Regulations” means the Treasury Regulations promulgated under the Code.

“Separate Return Tax” means the tax on the Corporate Taxable Income of a corporation which is a Member computed for purposes of this Agreement as though such company were not a Member of a consolidated group.

Section. 1.2 References, etc. The words “*hereof*,” “*herein*” and “*hereunder*” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined herein in the singular shall have the same meanings in the plural and *vice versa*. All References herein to any Person includes such Person's successors and assigns. All references herein to Articles and Sections shall, unless the context requires a different construction, be deemed to be references to the Articles and Sections of this Agreement. In this Agreement, unless a clear contrary intention appears the word “*including*” (and with correlative meaning “include”) means “including but not limited to”.

ARTICLE II.

Preparation and Filing of Tax Returns; Allocations of Taxes

Section 2.1 Federal Returns.

(a) A U.S. consolidated federal income tax return shall be prepared and filed by FirstEnergy for each taxable year in respect of which this Agreement is in effect and for which the Consolidated Group is required or permitted to file a consolidated federal income tax return. FirstEnergy and all its subsidiaries shall execute and file such consents, elections and other documents that may be required or appropriate for the proper filing of such returns.

(b) (i) The Consolidated Group will elect, on a timely basis, in accordance with Code Section 1552(b) and Section 1.1552-1(c)(2) of the Regulations to allocate its consolidated tax liability (other than alternative minimum tax (“AMT”) and its related credits) among its Members under the method described in Sections 1.1502-33(d)(3) and 1.1552-1(a)(2) commencing with the consolidated taxable year ended December 31, 2002. The fixed percentage to be used for purposes of Regulations section 1.1502-33(d)(3)(i) is 100%. The general effect of such method is to first allocated the consolidated tax liability among the Members of the Consolidated Group on the basis of the percentage of the total consolidated tax which the tax of such Member (other than AMT and its related credits) if computed on a separate return basis would bear to the total amount of the taxes (other than AMT and its related credits) for all Members of the group so computed. Then such method allocates an additional amount (the “Tax Benefit Amount”) to each Member up to, but not greater than, the excess, if any, of its Separate Return Tax liability (other than AMT and its related credits) over the amount allocated to such Member in the previous sentence. The total of the Tax Benefit Amounts allocated to Members shall result in payments to, and an increase in the earnings and profits of, the Members who had items of deduction, loss or credits to which such Tax Benefit amount is attributable.

This election is intended to comply with the Act, as modified by Section 2(d) below.

(ii) The allocation of the alternative minimum tax liability incurred by the FirstEnergy Group and the resulting minimum tax credit shall be allocated in the manner set forth in Proposed and Temporary Treasury Regulation Sections 1.1502-55. This method generally allocates (i) and AMT paid by the FirstEnergy Group based on the relative separate adjusted AMT of each Member and (ii) the minimum tax credit ("AMTC") on the basis of the AMT previously assigned to such Member and assuming that AMTC is utilized on a "first in/first out" methodology, and that to the extent that AMTC arising in one year is not fully utilized, such AMTC is utilized proportionately by the Members previously assigned AMT for that year.

(c) Each Member's allocable share of the consolidated income tax liability as determined in Section 2.1(b) hereby shall be used in both (i) the determination of each Member's earnings and profits and (ii) determining the amounts to be paid (as provided in Section 3.4 of this Agreement) by Members to FirstEnergy with respect to each Member's share of the Consolidated Group's Tax liability and payments from FirstEnergy to Members with respect to the use of a Member's tax attributes.

(d) (i) The aggregate of all amounts paid by Members of the Consolidated Group (the "Paying Members") as a result of the excess of each Member's Separate Return Tax liability (as determined under Section 1.1552-1(a)(2)(ii) of the Regulations) over the amount allocated to such Member as its share of the Consolidated Tax Liability under Code Section 1552 (i.e., the Tax Benefit Amount) shall be paid by FirstEnergy to the other Members (the "Loss Members") which had tax deductions, losses and credits to which such payments by the Paying Members are attributable. The apportionment of such payments among Loss Members shall be in a manner that reflects the Consolidated Group's absorption of such tax attributes in the manner described in Section 2.1(e) below. The payments to the Loss Members for their tax attributes shall be pursuant to a consistent method which reasonable reflects such items of loss or credit (such consistency and reasonableness to be determined by the Designated Official).

(ii) Notwithstanding the provisions of section 2.1(d)(i), the Tax Benefit Amount allocated to FirstEnergy and paid to FirstEnergy as a result of its being a Loss Member shall be limited to its Tax Benefit Amount determined without regard to this section 2.1(b)(ii) multiplied by a fraction, the numerator of which is FirstEnergy's interest deduction attributable to Acquisition Indebtedness, and the denominator of which is the sum of all FirstEnergy's deductions. The portion of FirstEnergy's Tax Benefit Amount which cannot be allocated and paid to FirstEnergy due to the operation of this Section shall be reallocated to Paying Members of the Consolidated Group other than FirstEnergy in accordance with the principles contained in section 2.1(b)(i).

(e) In apportioning the payments to Loss Members for the Tax Benefit Amount pursuant to Section 2.1(d) hereof:

(i) any consolidated net operating loss ("NOL") shall be allocated among the group Members pursuant to Regulations Section 1.1502-21(b). To the extent the

consolidated NOL is carried back, any Member's individually allocable NOL shall be deemed carried back and utilized in proportion to the amount that the Member's NOL bears to the consolidated NOL. Analogous principles shall apply in the case of NOL carry forwards;

(ii) with respect to each type of credit used to offset all or a portion of the Consolidated Tax Liability otherwise payable, such credit shall be allocated among the Members by crediting to each Member an amount of credit which that Member would have available to utilize on a separate return basis in a manner consistent with the method set forth in Section 2.1(e)(i) above; and

(iii) the cost of any credit recapture which results in the payment of tax shall be specifically allocated to the Member whose credit is recaptured determined in a manner consistent with the provisions of Section 2.1(e)(i) above.

(f) The allocation of tax shall be subject to further adjustment from time to time on account of the payment of additional tax or the receipt of a refund attributable to either the filing of an amended return or on account of the results of an audit conducted by the Internal Revenue Service or other relevant taxing authority.

Section 2.2 Other Taxes. (a) FirstEnergy will prepare and file (or cause to be prepared and filed all returns of Other Taxes which are required to be filed with respect to the operations of FirstEnergy and its subsidiaries. In the event any taxing authority requires or permits that a combined, consolidated or unitary return be filed for Other Taxes, which return includes both FirstEnergy and a subsidiary, FirstEnergy may elect to file such return and shall have the right to require any Member to be included in such return. FirstEnergy will advise each of its subsidiaries included in each Other Return and each governmental office in which any Other Return is filed. Other Taxes shall be allocated among the FirstEnergy Group in a manner that is consistent with the method set forth in Article 2 hereof. Furthermore, amounts due to FirstEnergy or from FirstEnergy, with respect to Other Taxes, shall be determined in a manner consistent with Sections 2.1(b) and 2.1(d).

(b) Each Member of the FirstEnergy Group that does not file an Other Return together with any other Member of the FirstEnergy Group shall be solely responsible and obligated to pay the tax liability with respect to such return from its own funds. Such returns shall be prepared and filed by FirstEnergy or the Member filing the Other Return.

(c) If any Member of the FirstEnergy Group is required to file a combined, consolidated or unitary return for Other Taxes with another Member of the FirstEnergy Group, but not with FirstEnergy (an "Other Taxes Subgroup"), then FirstEnergy shall have the rights, powers and obligations to file such tax returns and apportion among and, collect and remit from, the applicable Members such Other Taxes as the rights, powers and obligations given to FirstEnergy under this Agreement with respect to the Consolidated Tax Liability. Such returns shall be prepared and filed by FirstEnergy. If the right to file a combined, consolidated or unitary return for Other Taxes is optional, then FirstEnergy shall decide which of its subsidiaries should, to the extent permitted by law, join in filing of such return.

Section 2.3 Member Tax Information. The Members of the Consolidated Group shall submit the tax information requested by the Designated Official of FirstEnergy in the manner and by the date requested, in order to enable the Designated Official to calculate the amounts payable by the Members pursuant to Article 3 hereof.

ARTICLE III.

Responsibility for Tax; Intercompany Payments

Section 3.1 Responsibility. Assuming the Members of the Consolidate Group have fulfilled their obligations pursuant to this Article III, then FirstEnergy will be solely responsible for, and will indemnify and hold each Member of the Consolidated Group harmless with respect to the payment of: (a) the Consolidated Tax Liability for each taxable period for which, as determined under Section 2.1 hereof, FirstEnergy filed a Consolidated Return or should have been filed; and (b) any and all Other Taxes due or payable with respect to any Other Return which is filed by FirstEnergy or should have been filed.

Section 3.2 Federal Tax Payments. (a) With respect to each Consolidated Return Year, the Designated Official of FirstEnergy shall estimate and assess or pay to Members of the Consolidated Group their share of estimated tax payments to be made on a projected consolidated federal income tax return for each year. In making this determination, FirstEnergy shall elect a method for determining estimated tax and each Member shall follow that method. Such Members will pay, to FirstEnergy or be paid by FirstEnergy, such estimates not later than the 15th day of the 4th, 6th, 9th and 12th months of such Consolidated Return Year. With respect to any extension payment, the Designated Official of FirstEnergy shall estimate and assess or pay to Members of the Consolidated Group their share of such extension payment. The difference between (1) a Member's estimated tax payments used for computation of the quarterly estimated payments plus their extension payments and (2) such Member's actual Tax Liability for any Consolidated Return Year as determined under Section 2.1(b) hereof, shall be paid to FirstEnergy or by FirstEnergy within sixty days after the filing of the consolidated federal income tax return.

(b) FirstEnergy shall have sole authority, to the exclusion of all other Members of the Consolidated Group, to agree to any adjustment proposed by the Internal Revenue Service or any other taxing authority with respect to items of income, deductions or credits, as well as interest or penalties, attributable to any Member of the Consolidated Group during any Consolidated Return Year in which such Member was a Member of the Consolidated Group notwithstanding that such adjustment may increase the amounts payable by Members of the Consolidated Group under this Section 3.2 or Section 3.3 hereof. In the event of any adjustment to the Consolidated Tax Liability relating to items of income, deductions or credit, as well as interest or penalties, attributable to any Member of the Consolidated Group by reason of an amended return, claim for refund or audit by the Internal Revenue Service or any other taxing authority, the liability of all other Members of the Consolidated Group under paragraphs (a) of this Section 3.2 or Section 3.3 hereof shall be redetermined to give effect to such adjustment as if such adjustment had been made as a part of the original computation

of such liability, and payment from a Member to FirstEnergy or by FirstEnergy to a Member, as the case may be, shall be promptly made after any payments are made to the Internal Revenue Service or any other taxing authority, refunds received or final determination of the matter in the case of contested proceedings. In such event, any payments between the parties shall bear interest at the then prevailing rate or rates on deficiencies assessed by the Internal Revenue Service or any other relevant taxing authority, during the period from the due date of the Consolidated Return (determined without regard to extensions of time for filing thereof) for the Consolidated Return Year to which the adjustments were made to the date of payment.

Section 3.3 Other Tax Payments. Payments by a Member with respect to Other Taxes and required estimates thereof for which any other Member has joint and several liability shall be calculated and made by or to such Member in the same manner as that provided in Section 3.2. The principles set forth in Section 3.2 governing the determination and adjustment of payments as well as the method of payment to or from such Member with respect to federal income taxes shall be equally applicable in determining and adjusting the amount of and due date of payments to be made to or from such subsidiary with respect to Other Taxes and estimates thereof. Each Member shall pay, directly to the appropriate taxing authority, all taxes for which such Member is liable and for which no other Member has joint or several liability.

Section. 3.4 Payment Mechanics. (a) Any payments to be made by a subsidiary of FirstEnergy pursuant to Sections 2.1, 2.2, 3.2 or 3.3 hereof shall be made by such subsidiary to FirstEnergy by either promptly crediting as an offset against amounts owed to such Member by FirstEnergy or to the extent no amounts are owed to such Member by FirstEnergy, by cash payments to FirstEnergy. To the extent any payments are to be made to a subsidiary with respect to the use of such subsidiary's tax attributes by the Consolidated Group pursuant to Section 2.1, 2.2, 3.2 or 3.3 hereof, FirstEnergy shall make such payment to such subsidiary by either promptly crediting as an offset against amounts owed by such Member to FirstEnergy, or to the extent no amounts are owed to FirstEnergy by such Member, by cash payments to the Member.

(b) Tax payments by FirstEnergy with respect to any Consolidated Tax Liability shall be paid by FirstEnergy and shall be debited to the Member of the Consolidated Group for their respective shares of such Consolidated Tax Liability as determined pursuant to Article II hereof. Tax Refunds receive by FirstEnergy with respect to any Consolidated Tax Liability, shall be paid by FirstEnergy to the Member of the Consolidated Group entitled to such Tax Refund, as determined.

(c) FirstEnergy shall be responsible for maintaining the books and records reflecting the intercompany accounts reflecting the amounts owned, collected and paid with respect to Taxes pursuant to this Agreement.

(d) FirstEnergy may delegate to other Members of the Consolidated Group responsibilities for the collection and disbursement of monies as required under this Agreement as well as responsibilities for maintaining books and records as required under this Agreement.

Section 3.5 Administration. The provisions of this Agreement shall be

administered by the Designated Official of FirstEnergy. The interpretations of this Agreement by the Designation Official of FirstEnergy shall be conclusive.

ARTICLE IV.

Miscellaneous Provisions

Section 4.1 Effect. The provisions hereof shall fix the rights and obligations of the parties as to the matters covered hereby whether or not such are followed for federal income tax or other purposes by the Consolidated Group, including the computation of earnings and profits for federal income tax purposes.

Section 4.2 Effective Date and termination of Affiliation. This Agreement shall be effective with respect to all taxable years ending on or after the year of the Effective Date prescribed below, in which any subsidiary of FirstEnergy is a Member of the Consolidated Group for any portion of the tax year. In the event that a party to this Agreement ceases to be a Member of the Consolidated Group, the rights and obligations of such party and each other party to this Agreement shall survive, but only with respect to taxable years including or ending before the date such party ceases to be a Member of the Consolidated Group.

Section 4.3 Notices. Any and all notices, requests or other communications hereunder shall be given in writing (a) if to FirstEnergy to Attention: Director, Tax Services, Facsimile Number: (330) 384-5299, and (b) if to any other person, at such other address as shall be furnished by such person by like notice to the other parties.

Section 4.4 Expenses. Each party hereto shall pay its own expenses incident to this Agreement and the transactions contemplated hereby, including all legal and accounting fees and disbursements.

Section 4.5 Benefit and Burden. This Agreement shall inure to the benefit of, and shall be binding upon, the parties hereto and their respective successors.

Section 4.6 Amendments and Waiver. No amendment, modification, change or cancellation of this Agreement shall be valid unless the same is in writing and signed by the parties hereto. No waiver of any provision of this Agreement shall be valid unless in writing and signed by the person against whom that waiver is sought to be enforced. The failure of any party at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein shall not be construed as a waiver or relinquishment of the right to insist upon strict performance of the same or any other condition, promise, agreement or understanding at a future time.

Section 4.7 Assignments. Neither this Agreement nor any right, interest or obligation hereunder may be assigned by any party hereto and any attempt to do so shall be null and void.

Section 4.8 Severability. The invalidity or unenforceability of any particular provision

of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.

Section 4.9 Entire Agreement. THIS AGREEMENT SETS FORTH ALL OF THE PROMISES, AGREEMENTS, CONDITIONS, UNDERSTANDINGS, WARRANTIES AND REPRESENTATIONS AMONG THE PARTIES WITH RESPECT TO THE TRANSACTIONS CONTEMPLATED HEREBY, AND SUPERSEDES ALL PRIOR AGREEMENTS, ARRANGEMENTS AND UNDERSTANDINGS BETWEEN THE PARTIES HERETO, WHETHER WRITTEN, ORAL OR OTHERWISE. THERE ARE NO PROMISES, AGREEMENTS, CONDITIONS, UNDERSTANDINGS, WARRANTIES OR REPRESENTATIONS, ORAL OR WRITTEN, EXPRESS OR IMPLIED, AMONG THE PARTIES EXCEPT AS SET FORTH HEREIN.

Section 4.10 Applicable Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF OHIO.

Section 4.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and together which shall constitute one instrument. The parties hereto specifically recognize that from time to time other corporations may become Members of the Consolidated Group and hereby agree that such new Members may become Members to this Agreement by executing a copy of this Agreement and it will be effective as if all the Members had re-signed.

Section 4.12 Attorneys' Fees. If any Member or former Member hereto commences an action against another party to enforce any of the terms, covenants, conditions or provisions of this Agreement, or because of a default by a party under this Agreement, the prevailing party in any such action shall be entitled to recover its costs, expenses and losses, including attorneys' fees, incurred in connection with the prosecution or defense of such action from losing party.

Section 4.13 No Third Party Rights. Nothing in this Agreement shall be deemed to create any right in any creditor or other person or entity not a party hereto and this Agreement shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party.

Section 4.14 Further Documents. The parties agree to execute any and all documents, and to perform any and all other acts, reasonable necessary to accomplish the purposes of this Agreement.

Section 4.15 Headings and Captions. The headings and captions contained in this Agreement are inserted and included solely for convenience and shall not be considered or given any effect in construing the provisions hereof if any question of intent should arise.

Section 4.16 Departing Members.

(a) In the event that any Member of the FirstEnergy Group at any time leaves the

Exhibit KJT-7

FirstEnergy Group and, under any applicable statutory provision or regulation, that Member is assigned and deemed to take with it all or a portion of any of the tax attributes of the FirstEnergy Group (including but not limited to NOL, credit carry forwards, and AMTC carry forwards), then to the extent that the amount of tax attributes so assigned differs from the amount of such attributes previously allocated to such Member under this agreement, the departing Member shall appropriately settle with the FirstEnergy Group. Such settlement shall consist of payment (1) on a dollar-for-dollar basis for all differences in credits, and, (2) in the case of NOL differences (or other differences related to other deductions), in a dollar amount computed by reference to the amount of NOL multiplied by the applicable tax rate relating so such NOL. The settlement payment shall be paid to FirstEnergy within sixty days after the Member leaves the FirstEnergy Group. The settlement amounts shall be allocated among the remaining Members of the FirstEnergy Group in proportion to the relative level of attributes possessed by each Member and the attributes of each Member shall be adjusted accordingly.

(b) Upon the departure of any Member from the FirstEnergy Group, such Member shall allocate its items of income, deduction, loss and credit between the period that it was a Member of the FirstEnergy Group and the period thereafter based upon a closing of the books methodology allowed under Treasury Regulation Section 1.1502-76(b)(2). The difference between (1) its prior estimated taxes or payments of Tax Benefit and (2) the amount of taxes due or payments of Tax Benefit due to that Member, shall be appropriately settled on the day such Member leaves the FirstEnergy Group or on an alternative date mutually agreeable in writing to the FirstEnergy Group and the departing Member.

This Agreement executed this, ___ day of _____, _____ but shall be deemed effective as of the _____ day of _____, _____ (the “Effective Date”), which is the date the final required regulatory authorization was obtained, and shall supersede any previous agreement.

**FIRSTENERGY CORP. AND SUBSIDIARY COMPANIES
INTERCOMPANY INCOME TAX ALLOCATION AGREEMENT**

WHEREAS, FirstEnergy Corp., a corporation organized under the laws of the State of Ohio ("FirstEnergy") and a registered holding company under the Public Utility Holding Company Act of 2005 ("Act"), together with its subsidiary companies, direct and indirect, listed as parties hereto, comprise the members of the FirstEnergy consolidated group which will join annually in the filing of a consolidated Federal income tax return, and is now the intention of FirstEnergy and its subsidiaries, direct and indirect, (hereinafter collectively referred to as the "FirstEnergy Group"), to enter into an agreement for the allocation of current federal income taxes pursuant the Act; and

WHEREAS, certain members of the FirstEnergy Group will join annually in the filing of certain consolidated state income tax returns (to the extent permitted or required under applicable state income tax laws), and it is now the intention of the FirstEnergy Group to enter into an agreement for the allocation of current state income taxes; and

WHEREAS, by order dated June 30, 2003, the Securities and Exchange Commission authorized FirstEnergy and its subsidiaries to enter into this agreement as of January 1, 2002, and to allocate consolidated income taxes in the manner herein provided; and

NOW, THEREFORE, each member ("Member") of the FirstEnergy Group does hereby covenant and agree with one another that the current consolidated income tax liabilities of the FirstEnergy Group shall be allocated as follows:

ARTICLE I.

Definitions and Interpretation

Section 1.1 Definitions. For all purposes of this Agreement, except as otherwise expressly provided, the following terms shall have the following respective meanings:

"Acquisition Indebtedness" means indebtedness incurred by FirstEnergy to finance the acquisition (including related costs) by FirstEnergy of all of the issued and outstanding stock of GPU, Inc. and any renewals or extensions thereof. Acquisition Indebtedness also includes indebtedness incurred by FirstEnergy for the purpose of refinancing the indebtedness relating to the acquisition (including related costs) of all of the issued and outstanding stock of GPU, Inc.

"Code" means the Internal Revenue Code of 1986, as amended.

"Consolidated Group" means FirstEnergy and all of its subsidiaries which, from time to time, may be included in any (i) federal income tax return filed by FirstEnergy in accordance with sections 1501 and 1502 of the Code or (ii) Other

Exhibit KJT-7

Return.

“Consolidated Return” means any consolidated federal income tax return or Other Return filed by FirstEnergy whether before or after the date hereof, which includes one or more Members of the FirstEnergy Group in a consolidated, combined or unitary group of which FirstEnergy is the common parent.

“Consolidated Return Year” means any period during which FirstEnergy files a consolidated federal income tax return or Other Return that includes one or more Members of the FirstEnergy Group in a consolidated, combined or unitary group of which FirstEnergy is a common parent.

“Consolidated Taxable Income” is the taxable income of the Consolidated Group as computed for federal or state income tax purposes.

“Consolidated Tax Liability” means, with reference to any taxable period, the consolidated, combined or unitary tax liability (including any interest, additions to tax and penalties) of the Consolidated Group for such taxable period (including the consolidated federal income tax liability and other consolidated, combined or unitary liability for Other Taxes).

“Corporate Taxable Income” means the income or loss of an associate company for a tax year computed as though such company had filed a separate return on the same basis as used in the Consolidated Return, except that dividend income from associate companies shall be disregarded, and other intercompany transactions eliminated in the Consolidated Return shall be given appropriate effect.

“Designated Official” means the Director, Tax Services of FirstEnergy Service Company or such other official assigned the responsibilities of Director, Tax Services of FirstEnergy Service Company.

“Other Return” means any consolidated, combined or unitary return of Other Taxes filed by FirstEnergy or another Member of the FirstEnergy Group, whether before or after the date hereof, which covers the operations of one or more Members of the FirstEnergy Group.

“Other Taxes” means any taxes (including any interest and penalties) payable by FirstEnergy or another Member of the FirstEnergy Group to the government of any state, municipal or other political subdivision, including all agencies and instrumentalities of such government.

“Person” means any individual, partnership, firm, corporation, limited liability company, joint stock company, unincorporated association, joint venture, trust or other entity or enterprise, or any government or political subdivision or agency, department or instrumentality thereof.

Exhibit KJT-7

“Regulations” means the Treasury Regulations promulgated under the Code.

“Separate Return Tax” means the tax on the Corporate Taxable Income of a corporation which is a Member computed for purposes of this Agreement as though such company were not a Member of a consolidated group.

Section. 1.2 References, etc. The words “*hereof*,” “*herein*” and “*hereunder*” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined herein in the singular shall have the same meanings in the plural and *vice versa*. All References herein to any Person includes such Person's successors and assigns. All references herein to Articles and Sections shall, unless the context requires a different construction, be deemed to be references to the Articles and Sections of this Agreement. In this Agreement, unless a clear contrary intention appears the word “*including*” (and with correlative meaning “*include*”) means “including but not limited to”.

ARTICLE II.

Preparation and Filing of Tax Returns; Allocations of Taxes

Section 2.1 Federal Returns.

(a) A U.S. consolidated federal income tax return shall be prepared and filed by FirstEnergy for each taxable year in respect of which this Agreement is in effect and for which the Consolidated Group is required or permitted to file a consolidated federal income tax return. FirstEnergy and all its subsidiaries shall execute and file such consents, elections and other documents that may be required or appropriate for the proper filing of such returns.

(b) (i) The Consolidated Group will elect, on a timely basis, in accordance with Code Section 1552(b) and Section 1.1552-1(c)(2) of the Regulations to allocate its consolidated tax liability (other than alternative minimum tax (“AMT”) and its related credits) among its Members under the method described in Sections 1.1502-33(d)(3) and 1.1552-1(a)(2) commencing with the consolidated taxable year ended December 31, 2002. The fixed percentage to be used for purposes of Regulations section 1.1502-33(d)(3)(i) is 100%. The general effect of such method is to first allocated the consolidated tax liability among the Members of the Consolidated Group on the basis of the percentage of the total consolidated tax which the tax of such Member (other than AMT and its related credits) if computed on a separate return basis would bear to the total amount of the taxes (other than AMT and its related credits) for all Members of the group so computed. Then such method allocates an additional amount (the “Tax Benefit Amount”) to each Member up to, but not greater than, the excess, if any, of its Separate Return Tax liability (other than AMT and its related credits) over the amount allocated to such Member in the previous sentence. The total of the Tax Benefit Amounts allocated to Members shall result in payments to, and an increase in the earnings and profits of, the Members who had items of deduction, loss or credits to which such Tax Benefit amount is attributable.

Exhibit KJT-7

This election is intended to comply with the Act, as modified by Section 2(d) below.

(ii) The allocation of the alternative minimum tax liability incurred by the FirstEnergy Group and the resulting minimum tax credit shall be allocated in the manner set forth in Proposed and Temporary Treasury Regulation Sections 1.1502-55. This method generally allocates (i) and AMT paid by the FirstEnergy Group based on the relative separate adjusted AMT of each Member and (ii) the minimum tax credit (“AMTC”) on the basis of the AMT previously assigned to such Member and assuming that AMTC is utilized on a “first in/first out” methodology, and that to the extent that AMTC arising in one year is not fully utilized, such AMTC is utilized proportionately by the Members previously assigned AMT for that year.

(c) Each Member's allocable share of the consolidated income tax liability as determined in Section 2.1(b) hereby shall be used in both (i) the determination of each Member's earnings and profits and (ii) determining the amounts to be paid (as provided in Section 3.4 of this Agreement) by Members to FirstEnergy with respect to each Member's share of the Consolidated Group's Tax liability and payments from FirstEnergy to Members with respect to the use of a Member's tax attributes.

(d) (i) The aggregate of all amounts paid by Members of the Consolidated Group (the “Paying Members”) as a result of the excess of each Member's Separate Return Tax liability (as determined under Section 1.1552-1(a)(2)(ii) of the Regulations) over the amount allocated to such Member as its share of the Consolidated Tax Liability under Code Section 1552 (i.e., the Tax Benefit Amount) shall be paid by FirstEnergy to the other Members (the “Loss Members”) which had tax deductions, losses and credits to which such payments by the Paying Members are attributable. The apportionment of such payments among Loss Members shall be in a manner that reflects the Consolidated Group's absorption of such tax attributes in the manner described in Section 2.1(e) below. The payments to the Loss Members for their tax attributes shall be pursuant to a consistent method which reasonable reflects such items of loss or credit (such consistency and reasonableness to be determined by the Designated Official).

(ii) Notwithstanding the provisions of section 2.1(d)(i), the Tax Benefit Amount allocated to FirstEnergy and paid to FirstEnergy as a result of its being a Loss Member shall be limited to its Tax Benefit Amount determined without regard to this section 2.1(b)(ii) multiplied by a fraction, the numerator of which is FirstEnergy's interest deduction attributable to Acquisition Indebtedness, and the denominator of which is the sum of all FirstEnergy's deductions. The portion of FirstEnergy's Tax Benefit Amount which cannot be allocated and paid to FirstEnergy due to the operation of this Section shall be reallocated to Paying Members of the Consolidated Group other than FirstEnergy in accordance with the principles contained in section 2.1(b)(i).

(e) In apportioning the payments to Loss Members for the Tax Benefit Amount pursuant to Section 2.1(d) hereof:

(i) any consolidated net operating loss (“NOL”) shall be allocated among the group Members pursuant to Regulations Section 1.1502-21(b). To the extent the

Exhibit KJT-7

consolidated NOL is carried back, any Member's individually allocable NOL shall be deemed carried back and utilized in proportion to the amount that the Member's NOL bears to the consolidated NOL. Analogous principles shall apply in the case of NOL carry forwards;

(ii) with respect to each type of credit used to offset all or a portion of the Consolidated Tax Liability otherwise payable, such credit shall be allocated among the Members by crediting to each Member an amount of credit which that Member would have available to utilize on a separate return basis in a manner consistent with the method set forth in Section 2.1(e)(i) above; and

(iii) the cost of any credit recapture which results in the payment of tax shall be specifically allocated to the Member whose credit is recaptured determined in a manner consistent with the provisions of Section 2.1(e)(i) above.

(f) The allocation of tax shall be subject to further adjustment from time to time on account of the payment of additional tax or the receipt of a refund attributable to either the filing of an amended return or on account of the results of an audit conducted by the Internal Revenue Service or other relevant taxing authority.

Section 2.2 Other Taxes. (a) FirstEnergy will prepare and file (or cause to be prepared and filed all returns of Other Taxes which are required to be filed with respect to the operations of FirstEnergy and its subsidiaries. In the event any taxing authority requires or permits that a combined, consolidated or unitary return be filed for Other Taxes, which return includes both FirstEnergy and a subsidiary, FirstEnergy may elect to file such return and shall have the right to require any Member to be included in such return. FirstEnergy will advise each of its subsidiaries included in each Other Return and each governmental office in which any Other Return is filed. Other Taxes shall be allocated among the FirstEnergy Group in a manner that is consistent with the method set forth in Article 2 hereof. Furthermore, amounts due to FirstEnergy or from FirstEnergy, with respect to Other Taxes, shall be determined in a manner consistent with Sections 2.1(b) and 2.1(d).

(b) Each Member of the FirstEnergy Group that does not file an Other Return together with any other Member of the FirstEnergy Group shall be solely responsible and obligated to pay the tax liability with respect to such return from its own funds. Such returns shall be prepared and filed by FirstEnergy or the Member filing the Other Return.

(c) If any Member of the FirstEnergy Group is required to file a combined, consolidated or unitary return for Other Taxes with another Member of the FirstEnergy Group, but not with FirstEnergy (an "Other Taxes Subgroup"), then FirstEnergy shall have the rights, powers and obligations to file such tax returns and apportion among and, collect and remit from, the applicable Members such Other Taxes as the rights, powers and obligations given to FirstEnergy under this Agreement with respect to the Consolidated Tax Liability. Such returns shall be prepared and filed by FirstEnergy. If the right to file a combined, consolidated or unitary return for Other Taxes is optional, then FirstEnergy shall decide which of its subsidiaries should, to the extent permitted by law, join in filing of such return.

Section 2.3 Member Tax Information. The Members of the Consolidated Group shall submit the tax information requested by the Designated Official of FirstEnergy in the manner and by the date requested, in order to enable the Designated Official to calculate the amounts payable by the Members pursuant to Article 3 hereof.

ARTICLE III.

Responsibility for Tax; Intercompany Payments

Section 3.1 Responsibility. Assuming the Members of the Consolidate Group have fulfilled their obligations pursuant to this Article III, then FirstEnergy will be solely responsible for, and will indemnify and hold each Member of the Consolidated Group harmless with respect to the payment of: (a) the Consolidated Tax Liability for each taxable period for which, as determined under Section 2.1 hereof, FirstEnergy filed a Consolidated Return or should have been filed; and (b) any and all Other Taxes due or payable with respect to any Other Return which is filed by FirstEnergy or should have been filed.

Section 3.2 Federal Tax Payments. (a) With respect to each Consolidated Return Year, the Designated Official of FirstEnergy shall estimate and assess or pay to Members of the Consolidated Group their share of estimated tax payments to be made on a projected consolidated federal income tax return for each year. In making this determination, FirstEnergy shall elect a method for determining estimated tax and each Member shall follow that method. Such Members will pay, to FirstEnergy or be paid by FirstEnergy, such estimates not later than the 15th day of the 4th, 6th, 9th and 12th months of such Consolidated Return Year. With respect to any extension payment, the Designated Official of FirstEnergy shall estimate and assess or pay to Members of the Consolidated Group their share of such extension payment. The difference between (1) a Member's estimated tax payments used for computation of the quarterly estimated payments plus their extension payments and (2) such Member's actual Tax Liability for any Consolidated Return Year as determined under Section 2.1(b) hereof, shall be paid to FirstEnergy or by FirstEnergy within sixty days after the filing of the consolidated federal income tax return.

(b) FirstEnergy shall have sole authority, to the exclusion of all other Members of the Consolidated Group, to agree to any adjustment proposed by the Internal Revenue Service or any other taxing authority with respect to items of income, deductions or credits, as well as interest or penalties, attributable to any Member of the Consolidated Group during any Consolidated Return Year in which such Member was a Member of the Consolidated Group notwithstanding that such adjustment may increase the amounts payable by Members of the Consolidated Group under this Section 3.2 or Section 3.3 hereof. In the event of any adjustment to the Consolidated Tax Liability relating to items of income, deductions or credit, as well as interest or penalties, attributable to any Member of the Consolidated Group by reason of an amended return, claim for refund or audit by the Internal Revenue Service or any other taxing authority, the liability of all other Members of the Consolidated Group under paragraphs (a) of this Section 3.2 or Section 3.3 hereof shall be redetermined to give effect to such adjustment as if such adjustment had been made as a part of the original computation

Exhibit KJT-7

of such liability, and payment from a Member to FirstEnergy or by FirstEnergy to a Member, as the case may be, shall be promptly made after any payments are made to the Internal Revenue Service or any other taxing authority, refunds received or final determination of the matter in the case of contested proceedings. In such event, any payments between the parties shall bear interest at the then prevailing rate or rates on deficiencies assessed by the Internal Revenue Service or any other relevant taxing authority, during the period from the due date of the Consolidated Return (determined without regard to extensions of time for filing thereof) for the Consolidated Return Year to which the adjustments were made to the date of payment.

Section 3.3 Other Tax Payments. Payments by a Member with respect to Other Taxes and required estimates thereof for which any other Member has joint and several liability shall be calculated and made by or to such Member in the same manner as that provided in Section 3.2. The principles set forth in Section 3.2 governing the determination and adjustment of payments as well as the method of payment to or from such Member with respect to federal income taxes shall be equally applicable in determining and adjusting the amount of and due date of payments to be made to or from such subsidiary with respect to Other Taxes and estimates thereof. Each Member shall pay, directly to the appropriate taxing authority, all taxes for which such Member is liable and for which no other Member has joint or several liability.

Section. 3.4 Payment Mechanics. (a) Any payments to be made by a subsidiary of FirstEnergy pursuant to Sections 2.1, 2.2, 3.2 or 3.3 hereof shall be made by such subsidiary to FirstEnergy by either promptly crediting as an offset against amounts owed to such Member by FirstEnergy or to the extent no amounts are owed to such Member by FirstEnergy, by cash payments to FirstEnergy. To the extent any payments are to be made to a subsidiary with respect to the use of such subsidiary's tax attributes by the Consolidated Group pursuant to Section 2.1, 2.2, 3.2 or 3.3 hereof, FirstEnergy shall make such payment to such subsidiary by either promptly crediting as an offset against amounts owed by such Member to FirstEnergy, or to the extent no amounts are owed to FirstEnergy by such Member, by cash payments to the Member.

(b) Tax payments by FirstEnergy with respect to any Consolidated Tax Liability shall be paid by FirstEnergy and shall be debited to the Member of the Consolidated Group for their respective shares of such Consolidated Tax Liability as determined pursuant to Article II hereof. Tax Refunds received by FirstEnergy with respect to any Consolidated Tax Liability, shall be paid by FirstEnergy to the Member of the Consolidated Group entitled to such Tax Refund, as determined.

(c) FirstEnergy shall be responsible for maintaining the books and records reflecting the intercompany accounts reflecting the amounts owned, collected and paid with respect to Taxes pursuant to this Agreement.

(d) FirstEnergy may delegate to other Members of the Consolidated Group responsibilities for the collection and disbursement of monies as required under this Agreement as well as responsibilities for maintaining books and records as required under this Agreement.

Section 3.5 Administration. The provisions of this Agreement shall be

administered by the Designated Official of FirstEnergy. The interpretations of this Agreement by the Designation Official of FirstEnergy shall be conclusive.

ARTICLE IV.

Miscellaneous Provisions

Section 4.1 Effect. The provisions hereof shall fix the rights and obligations of the parties as to the matters covered hereby whether or not such are followed for federal income tax or other purposes by the Consolidated Group, including the computation of earnings and profits for federal income tax purposes.

Section 4.2 Effective Date and termination of Affiliation. This Agreement shall be effective with respect to all taxable years ending on or after the year of the Effective Date prescribed below, in which any subsidiary of FirstEnergy is a Member of the Consolidated Group for any portion of the tax year. In the event that a party to this Agreement ceases to be a Member of the Consolidated Group, the rights and obligations of such party and each other party to this Agreement shall survive, but only with respect to taxable years including or ending before the date such party ceases to be a Member of the Consolidated Group.

Section 4.3 Notices. Any and all notices, requests or other communications hereunder shall be given in writing (a) if to FirstEnergy to Attention: Director, Tax Services, Facsimile Number: (330) 384-5299, and (b) if to any other person, at such other address as shall be furnished by such person by like notice to the other parties.

Section 4.4 Expenses. Each party hereto shall pay its own expenses incident to this Agreement and the transactions contemplated hereby, including all legal and accounting fees and disbursements.

Section 4.5 Benefit and Burden. This Agreement shall inure to the benefit of, and shall be binding upon, the parties hereto and their respective successors.

Section 4.6 Amendments and Waiver. No amendment, modification, change or cancellation of this Agreement shall be valid unless the same is in writing and signed by the parties hereto. No waiver of any provision of this Agreement shall be valid unless in writing and signed by the person against whom that waiver is sought to be enforced. The failure of any party at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein shall not be construed as a waiver or relinquishment of the right to insist upon strict performance of the same or any other condition, promise, agreement or understanding at a future time.

Section 4.7 Assignments. Neither this Agreement nor any right, interest or obligation hereunder may be assigned by any party hereto and any attempt to do so shall be null and void.

Section 4.8 Severability. The invalidity or unenforceability of any particular provision

Exhibit KJT-7

of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.

Section 4.9 Entire Agreement. THIS AGREEMENT SETS FORTH ALL OF THE PROMISES, AGREEMENTS, CONDITIONS, UNDERSTANDINGS, WARRANTIES AND REPRESENTATIONS AMONG THE PARTIES WITH RESPECT TO THE TRANSACTIONS CONTEMPLATED HEREBY, AND SUPERSEDES ALL PRIOR AGREEMENTS, ARRANGEMENTS AND UNDERSTANDINGS BETWEEN THE PARTIES HERETO, WHETHER WRITTEN, ORAL OR OTHERWISE. THERE ARE NO PROMISES, AGREEMENTS, CONDITIONS, UNDERSTANDINGS, WARRANTIES OR REPRESENTATIONS, ORAL OR WRITTEN, EXPRESS OR IMPLIED, AMONG THE PARTIES EXCEPT AS SET FORTH HEREIN.

Section 4.10 Applicable Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF OHIO.

Section 4.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and together which shall constitute one instrument. The parties hereto specifically recognize that from time to time other corporations may become Members of the Consolidated Group and hereby agree that such new Members may become Members to this Agreement by executing a copy of this Agreement and it will be effective as if all the Members had re-signed.

Section 4.12 Attorneys' Fees. If any Member or former Member hereto commences an action against another party to enforce any of the terms, covenants, conditions or provisions of this Agreement, or because of a default by a party under this Agreement, the prevailing party in any such action shall be entitled to recover its costs, expenses and losses, including attorneys' fees, incurred in connection with the prosecution or defense of such action from losing party.

Section 4.13 No Third Party Rights. Nothing in this Agreement shall be deemed to create any right in any creditor or other person or entity not a party hereto and this Agreement shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party.

Section 4.14 Further Documents. The parties agree to execute any and all documents, and to perform any and all other acts, reasonable necessary to accomplish the purposes of this Agreement.

Section 4.15 Headings and Captions. The headings and captions contained in this Agreement are inserted and included solely for convenience and shall not be considered or given any effect in construing the provisions hereof if any question of intent should arise.

Section 4.16 Departing Members.

- (a) In the event that any Member of the FirstEnergy Group at any time leaves the

Exhibit KJT-7

FirstEnergy Group and, under any applicable statutory provision or regulation, that Member is assigned and deemed to take with it all or a portion of any of the tax attributes of the FirstEnergy Group (including but not limited to NOL, credit carry forwards, and AMTC carry forwards), then to the extent that the amount of tax attributes so assigned differs from the amount of such attributes previously allocated to such Member under this agreement, the departing Member shall appropriately settle with the FirstEnergy Group. Such settlement shall consist of payment (1) on a dollar-for-dollar basis for all differences in credits, and, (2) in the case of NOL differences (or other differences related to other deductions), in a dollar amount computed by reference to the amount of NOL multiplied by the applicable tax rate relating to such NOL. The settlement payment shall be paid to FirstEnergy within sixty days after the Member leaves the FirstEnergy Group. The settlement amounts shall be allocated among the remaining Members of the FirstEnergy Group in proportion to the relative level of attributes possessed by each Member and the attributes of each Member shall be adjusted accordingly.

(b) Upon the departure of any Member from the FirstEnergy Group, such Member shall allocate its items of income, deduction, loss and credit between the period that it was a Member of the FirstEnergy Group and the period thereafter based upon a closing of the books methodology allowed under Treasury Regulation Section 1.1502-76(b)(2). The difference between (1) its prior estimated taxes or payments of Tax Benefit and (2) the amount of taxes due or payments of Tax Benefit due to that Member, shall be appropriately settled on the day such Member leaves the FirstEnergy Group or on an alternative date mutually agreeable in writing to the FirstEnergy Group and the departing Member.

Exhibit KJT-7

This Agreement executed this, day of , but shall be deemed effective as of the day of (the "Effective Date"), which is the date the final required regulatory authorization was obtained, and shall supersede any previous agreement.
