No. 38, Supplement No. 45 – Rate Changes in Compliance with West Penn Power Company’s Phase III Energy Efficiency and Conservation Plan

Dear Secretary Chiavetta:

Transmitted herewith for filing with the Pennsylvania Public Utility Commission (“Commission”) are an original of West Penn Power Company’s (“West Penn” or the “Company”) Tariff Electric Pa. P.U.C. No. 40, Original (“Tariff No. 40”) and West Penn Power Company – The Pennsylvania State University Tariff Electric Pa. P.U.C. No. 38, Original (“Tariff No. 38”), both bearing an issue date of April 29, 2020. The tariff changes contained in Supplements 72 and 45 are proposed to be effective for service rendered on or after June 1, 2020.

The purpose of these supplements is to reflect changes in rates consistent with the Commission’s Order entered March 10, 2016 at Docket No. M-2015-2514772, which approved West Penn’s Phase III Energy Efficiency and Conservation Plan for the period ending May 31, 2021.

In support of the proposed changes set forth in these supplements, West Penn is also filing West Penn Exhibit A, which provides supporting detail for the Company’s Phase III Energy Efficiency and Conservation Charge (“Phase III EE&C-C”) Rates, pursuant to the Company’s Phase III Energy Efficiency and Conservation Charge Rider (Rider F).
