

We've got your Outdoor Lighting Needs Covered

Whether you are looking to improve the security of your home at night or would like to add smart lighting to your landscape, the professional, independent lighting contractors in our program can help.

An illustration of a landscape with a tall, thin lamp post on the left, a set of three stone steps in the center, and a flowering plant on the right. The scene is rendered in light blue and yellow lines on a dark blue background.

Landscape

Illuminate your home's beauty

An illustration of a house with a garage door and a car parked in front. A beam of light from the car's headlights illuminates the garage door. The scene is rendered in light blue and yellow lines on a dark blue background.

Security

Light up the night

An illustration of a traditional post lamp with a glass enclosure and a flame inside, mounted on a post. A crescent moon is visible in the sky to the left. The scene is rendered in light blue and yellow lines on a dark blue background.

©2024 FirstEnergy Corp. These non-basic consumer programs can be withdrawn anytime without prior notice. All non-basic services are performed by an independent contractor that is neither an affiliate, nor an agent of FirstEnergy Corp. or its affiliated companies, (FirstEnergy), including the local electric utility company that provides your electric distribution service. **FirstEnergy does not provide any warranty on the non-basic consumer product or the services performed and is not liable for damages or injuries that may arise as a result of the non-basic consumer product or the services provided.** You are not required to purchase non-basic consumer products or services in order to receive the same quality service from your local electric utility company. Your decision to purchase or not purchase this non-basic consumer product or service will not influence the delivery of retail electric service to you by FirstEnergy. Charges for these non-basic consumer programs and services will appear after the charges for basic utility services and will be distinctly separate from those basic service charges. For Pennsylvania customers, these FirstEnergy non-basic consumer products and services are not regulated by the Pennsylvania Public Utility Commission.
