Help is available now.

Cold weather is on its way – and so are winter heating bills.

The Low-Income Home Energy Assistance Program (LIHEAP) helps low-income families pay their heating bills. Beginning November 1, 2024, customers in low-income households can apply for the following:

LIHEAP Cash Program Provides a payment that is applied directly to a customer's electric account. A past-due notice is not required.

LIHEAP Crisis Program Offers grants to help customers avoid having their electric service shut off when overdue bills aren't paid. Electric service can be restored in cases when power is already shut off.

Hay ayuda disponible

Se acerca el frío, y con él las facturas de calefacción de invierno. Estos programas ofrecen ayuda:

- El “Programa de asistencia energética para hogares de bajos ingresos” (LIHEAP, por sus siglas en inglés) ayuda a las familias de bajos ingresos a pagar las facturas de calefacción y evitar la interrupción del servicio. Para obtener más información, llame al 1-866-857-7095.
- Los clientes elegibles para LIHEAP pueden ser elegibles para el “Programa de asistencia al cliente” de Pennsylvania (PCAP, por sus siglas en inglés). Si recibió LIHEAP en los últimos 12 meses o elige compartir con nosotros la información sobre su hogar y sus ingresos a través de su solicitud de LIHEAP, no se le solicitará que envíe documentos de comprobación de ingresos para PCAP cuando presente la solicitud.

Para obtener más información sobre PCAP, comuníquese con Dollar Energy Fund llamando al 1-888-282-6816, de lunes a viernes de 8 a.m. a 5 p.m.
