

A Cozy Home Starts with a No-Cost Energy Check-Up

Schedule a no-cost home energy check-up and start your journey toward year-round energy savings. More than 38,000 JCP&L customers have saved an average of \$50-\$100 a year on energy costs, which can save you up to \$1,000 over the lifetime of the products you install! Your check-up includes:

- Consultation with an energy advisor
- Energy efficiency recommendations
- On-the-spot energy upgrades

Scheduling is easy.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveNJ.com. By participating in the company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all capacity rights from electric savings measures, which refers to the demand reduction associated with any energy-efficiency or peak demand reduction measures for which incentives were provided by the company.
