# Warm up your home this holiday season with a smart thermostat!

**Jersey Central  
Power & Light**  
A FirstEnergy Company

Keep your home cozy and comfortable this season with this special offer. These ENERGY STAR® certified smart thermostats feature a variety of intelligent and convenient benefits to help lower your energy bill.

Visit [marketplace.energysaveNJ.com/festive24](https://marketplace.energysaveNJ.com/festive24) or scan this QR code to learn more about this offer.

Limit two (2) smart thermostats per electric account.

While supplies last. Customers are responsible for all applicable sales tax. Terms and conditions apply.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list

of commercial, industrial, residential and low-income energy efficiency programs, please visit [energysaveNJ.com](https://energysaveNJ.com).

By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated

with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your electric utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market as appropriate, with proceeds being used to reduce customers' costs for the programs.
