

UPGRADE YOUR HVAC SYSTEM FOR LESS

Nearly half of your home's energy bill is heating, ventilation and cooling costs.* Installing high efficiency HVAC equipment will make your home more comfortable and lower your energy costs. Replace your old HVAC system with a new, ENERGY STAR® certified unit and save:

- **\$7,000** on geothermal heat pumps
- **Up to \$1,700** on cold climate heat pumps
- **Up to \$1,400** on central air conditioners
- **Up to \$1,300** on air source heat pumps
- **Up to \$800** on ductless heating and air conditioning systems

Appliance instant discounts are valid on qualified in-store purchases only between May 1, 2024 and December 31, 2026 at participating retailers in the Potomac Edison service territory. HVAC discounts are available to Maryland residential customers of Potomac Edison on qualified products purchased through and installed by a participating HVAC contractor between April 1, 2024 and December 31, 2026. Additional terms and conditions apply. See energysaveMD-home.com for details. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD.com. By participating in energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company. Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.
