This program is subject to end at any time without notice. Please check energysaveOhio.com/fridge to verify the continued availability of this program. Refrigerators and stand-alone freezers must be in working condition and must be between 10 and 30 cubic feet using inside measurements. Customers may earn an additional \$25 for recycling a room air conditioner or dehumidifier along with a qualifying refrigerator or freezer. Ohio Edison, The Illuminating Company and Toledo Edison (FirstEnergy's Ohio utilities) contract with ARCA, an appliance recycler, to pick up and recycle the units. Customers must own the units being recycled. Limit two large appliances and two small appliances per residential and small commercial address per year. Your incentive will be sent within 4 weeks after appliance collection. Additional restrictions apply. Visit energysaveOhio.com for complete program terms and conditions. Your participation in these programs reduces demand for electricity, which results in energy efficiency resource credits being created. Costs of this program may be recovered through customer rates in accordance with Ohio law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysaveOhio.com. This program is only accepting orders through 9/30/20. All orders must be picked up by 10/31/2020.
