

GREET GUESTS WITH A WARM GLOW

A well-lit home is an inviting home, greeting guests with a warm, welcoming glow and feelings of safety and serenity. An affordable way to add beauty and a touch of style, electric post lamps can set your home apart from the rest.

TIMELESS DESIGN OPTIONS

Whether you prefer classic or contemporary, simple or sophisticated, we have a variety of choices to reflect your style and match the quality and beauty of your home. Complete the look with a coordinating wall-mounted fixture.

DURABLE, HEAVY GAUGE CONSTRUCTION

These well-crafted lanterns and extruded heavy wall aluminum posts are installed in concrete to stand up to the harshest elements. Available in a variety of colors and styles, electric lamp posts will deliver light and beauty for many years to come.

MONTHLY PAYMENT PLAN

Take advantage of our easy payment plan, with no money down and low monthly payments (from three to 36 months) with approved credit.

VERSATILE AND PRACTICAL

All of the fixtures can be installed with LEDs, CFLs, incandescent or low-voltage bulbs.

*For 36 months, if eligible.

**Actual fixtures may vary slightly from fixtures shown, depending on availability in your area.

Post lamp installations are custom projects and may require additional wiring, trenching beneath concrete, removal of old post lamp or installation of a suitable (GFI) outlet. Prices may vary depending on the installation, local codes and site requirements.

Not all products are available in all areas. This brochure offers only a brief description of the listed products and services, and is not a contract. A complete listing of the products and services, and any limitations and exclusions on coverage under the programs, may be found in the program's service agreement. You may obtain a copy of the service agreement by visiting the website or contacting us at the telephone numbers listed in this brochure.

These programs can be withdrawn anytime without prior notice. FirstEnergy Corp. is not a registered contractor and does not perform the service. All services are performed by independent contractors that are neither affiliates nor agents of FirstEnergy Corp. or its affiliated companies, including the electric utility that provides your electric distribution service (hereafter referred to, collectively, as "FirstEnergy Companies"). The FirstEnergy Companies coordinate all service with their network of recommended, registered independent contractors, providing contract and other administrative support services. For PA residents only: A postcard containing the recommended contractor's name and registration number will be provided to the customer at the time that a request for an estimate is made.

The FirstEnergy Companies do not provide any warranty on the services performed and are not liable for damages or injuries that may arise as a result of the services provided. You are not required to purchase the good or service from FirstEnergy Companies, and the good or service may be obtained from other suppliers. Your decision to receive or not receive the good or service from FirstEnergy Companies will not influence the delivery of competitive or non-competitive retail electric service to that customer by the FirstEnergy Companies. For Ohio customers, the Public Utilities Commission of Ohio does not regulate this optional service or product and has no authority to investigate complaints about this optional service or product.
