Purchaser's liability for termination expenses shall not exceed, in any event, the unpaid balance of the contract price. The compensation described in this Article 11(B) shall be Consultant's sole and exclusive compensation and remedy if the Agreement is terminated, suspended or cancelled for convenience.
- C. **Return of Pre-Paid Funds.** Upon termination of the Agreement under this Article 11 for cause or convenience, Consultant shall return all pre-paid funds received from Purchaser to which Consultant is not entitled.

#### **ARTICLE 12- CHANGES TO SCOPE OF WORK**

Purchaser may at any time, by written notice, make changes altering, adding to, or reducing the scope of the Work, or changing the Specifications, packing and shipping instructions, time and/or place of delivery, quantities, sequencing, or accelerating the Work under the Agreement ("Change Order"). Consultant's performance of additional Work as related to the changes shall in no way be a basis of claims involving loss of efficiency on any Work performed or to be performed under the Agreement. Performance of additional Work shall not be a basis for schedule extensions unless such extensions are agreed upon at the time of award of the additional Work. Such changes shall be initiated by written order of Purchaser and Consultant shall submit the proposed cost or credit to Purchaser for any changes in the Work within fifteen (15) working days after receipt of the written order for Purchaser's approval. No change to the cost or schedule of the Work shall be binding upon Purchaser without Purchaser's written approval. Consultant shall be paid for any additional Work by an amount to be determined, at Purchaser's option, by (a) unit prices, (b) lump sums, or (c) other methods of reimbursement, in each case as designated in the Agreement, or as subsequently agreed upon in writing.

#### **ARTICLE 13 – COMPLIANCE WITH LAWS, REGULATIONS, AND PERMITS**

- A. During the performance of the Agreement, Consultant shall strictly comply with all federal, state and local laws, rules or regulations and executive orders applicable to the Work.
- B. Without limiting the foregoing, and unless exempted under the rules, regulations and relevant orders (41 CFR Chapter 60) of the U.S. Secretary of Labor, in connection with the Work, Consultant agrees as follows:
1. Consultant shall not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin, age or disability. Consultant shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, gender, national origin, age or disability. Such action shall include, but not be limited to, employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Consultant shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the U.S. Department of Labor setting forth the provisions of this nondiscrimination clause.
  2. Consultant shall state, in all solicitations or advertisements for employees placed by or on its behalf, that all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, age or disability.
  3. Consultant shall send to each labor union or representative of workers with which it has a collective bargaining agreement, contract or understanding, a notice to be provided by the U.S. Department of Labor, advising the labor union or workers' representative of Consultant's commitments under the following provisions, as amended from time to time:

- a. Section 202 of Executive Order 11246 (Equal Opportunity);
  - b. Executive Order 11701 (Employment of Veterans);
  - c. Executive Order 11758 (Employment of the Handicapped);
  - d. Executive Order 11141 (Employment Discrimination Because of Age);
  - e. Executive Order 11625 and Public Law 95-507 (Utilization of Disadvantaged Business Enterprises); and
  - f. Executive Order 13496 (Employee Rights Under the National Labor Relations Act), and shall post copies thereof in conspicuous places available to employees and applicants for employment.
4. Consultant and its subcontractors shall abide by the requirements of 41 CFR 60-300.5(a). This regulation prohibits discrimination against qualified protected veterans, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans.
  5. Consultant and its subcontractors shall abide by the requirements of 41 CFR 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.
- C. If this Agreement is a subcontract under a government contract or a federally-funded project, Consultant shall comply with subcontractor flow-down requirements under the Federal Acquisition Regulations (48 CFR Chapter 1), as amended from time to time, which are specified in supplemental terms to this Agreement.
- D. Consultant shall comply with the Department of Commerce Export Administration Regulations ("EAR") in 15 CFR Chapter VII, subchapter C, including 15 CFR Section 734.2 which prohibits the export or release of controlled technology and/or software to foreign nationals within the United States who are not lawfully admitted to the United States for permanent residence. Consultant shall confirm that these regulations either do not apply to Consultant's activities under the terms of the Agreement or that Consultant has procedures to ensure compliance. If Consultant is directly or indirectly employing a foreign national not currently lawfully admitted to the United States for permanent residence to perform work under the Agreement, Consultant warrants to Purchaser that such employment does not violate the foregoing regulations.
- E. Foreign Corrupt Practices Act ("FCPA"). The following provisions shall apply to Consultant (unless it is a foreign concern) if it performs or obtains any of the Work in a foreign country:
1. All payments to Consultant shall be by check or bank transfer only. No payment shall be in cash or by bearer instrument and no payment shall be made to any corporation or person other than Consultant. All payments due hereunder shall be made to Consultant at its principal place of business in the United States, even if Consultant performs or obtains the Work in a foreign country.
  2. Consultant represents that it is familiar with the FCPA and its purposes; and that, in particular, it is familiar with the prohibition against paying or giving of anything of value, either directly or indirectly, by an American company to an official of a foreign government for the purpose of influencing an act or decision in his official capacity, or inducing him to use his influence with that government, to assist a company in obtaining or retaining business for or with, or directing business to, any person.
  3. Consultant represents that none of its partners, purchasers, principals, and staff members are officials, officers, or representatives of any government or political party or candidates for political office. Consultant shall not use any part of its compensation for any purpose, and shall take no action that would constitute a violation of any law of the United States (including the FCPA) or of any jurisdiction where it performs services or manufactures or sells goods. Purchaser represents that it does not desire and will not knowingly request any Work by Consultant that would or might constitute any such violation.
  4. Purchaser may terminate the Agreement for default at any time, without any liability or obligation, if it believes, in good faith, that Consultant has violated this Article. Any action by Consultant which would or might constitute a violation of the FCPA, or a request for such action from Consultant's representative, shall result in immediate termination of the Agreement for default. Should Consultant ever receive, directly or indirectly, from any Purchaser representative a request that Consultant believes will or might violate the FCPA, Consultant shall immediately notify Purchaser's general counsel.
  5. Purchaser may disclose the existence and terms of the Agreement, including the compensation provisions, at any time, for any reason and to whomever Purchaser's general counsel determines has a legitimate need to know the same including, without limitation, the United States government, the government of any country where the Work is performed or obtained, and any regulatory agency with jurisdiction over Purchaser.
- F. Government Authorizations. Unless the Agreement otherwise provides, Consultant shall, at its own expense, obtain from appropriate governmental authorities all permits, inspections and licenses which are required for the Work and comply with all rules and regulations of insurance companies that have insured Consultant in any way related to the Work.
- G. Any costs, fines, penalties, awards, damages or other liabilities associated with any violations of this Article shall be borne and paid by Consultant.
- H. Network Access. If Consultant's employees are given access to Purchaser's information and control systems, Consultant shall be required to sign a Network/Systems Access Agreement governing Consultant's and such employees' use of such systems. The Network/Systems Access Agreement requires that each person given access has passed a background check, is either a U.S. Citizen or holds a valid green card and shall comply with the FE IT Cyber Security Policy.
- I. Information Security. If applicable to its performance of the Work, Consultant shall be subject to the following:
1. Consultant Requirements: Without limiting Consultant's confidentiality obligations under the Agreement, Consultant shall be responsible for establishing and maintaining an information security program (including any relevant subcontractors) that is designed to: (i) ensure the security and confidentiality of Purchaser's data; and (ii) protect against any threats or hazards to the security or integrity of Purchaser's data; and (iii) protect against unauthorized access to or use of Purchaser's data; and (iv) ensure the proper deletion of Purchaser's data; and (v) ensure that all Consultant's subcontractors, if any, comply with the foregoing. If Consultant's information security system is breached, Consultant must timely notify Purchaser of such breach via e-mail and phone call. The

minimum information security requirements will be incorporated into this Agreement as “FirstEnergy Security Requirements for Application Service Providers” and will be a material obligation of Consultant in its performance of the Work.

2. Right to Audit. Consultant’s information security program will be subject to periodic review, as requested by Purchaser. Consultant shall notify Purchaser of any modification to the information security program (including modifications made by subcontractors) for Purchaser’s review and implement any safeguards required by Purchaser.
3. Third-Party Audit. No less than annually, Consultant shall conduct an independent third-party audit of its information security program and provide such audit results to Purchaser. Consultant shall implement any required safeguards as identified by such information security program audit.

J. Codes of Conduct. Consultant shall comply with all requirements of **FirstEnergy’s Code of Conduct (located at [www.firstenergycorp.com](http://www.firstenergycorp.com))** and any governmental regulatory codes of conduct applicable to the Work.

K. NERC CIP Requirements. The following obligations shall apply to each Consultant employee who is authorized as part of the Work to have either electronic or unescorted physical access to Bulk Electric Systems (“BES”) Cyber Systems (which Purchaser shall from time to time identify for Consultant) (“CIP Employee”). Upon request from Purchaser, at any time prior to the start of or during the Work, Consultant shall:

- (a) provide direct evidence (i.e. the actual search criteria and results) verifying that no CIP Employee possesses a criminal conviction; and
- (b) certify that each CIP Employee has completed the training necessary to achieve the North American Electric Reliability Corporation (“NERC”) Critical Infrastructure Protection (“CIP”) certification. (If required, Purchaser shall provide and pay for the training to achieve NERC CIP certification).

Pursuant to a NERC CIP compliant documented personnel risk assessment and training program, Consultant shall provide such evidence and certification confirming that each CIP Employee:

- (y) has either: (i) within the past seven (7) years, submitted to a background check consisting of at a minimum an identity verification (e.g. Security Number verification in the U.S.) and a seven (7) year criminal check that revealed no evidence of a criminal conviction; or (ii) has been subject to a similar seven-year cycle recheck; and
- (z) has received the Purchaser-sponsored Security Awareness training or will receive such training prior to accessing BES Cyber Systems.

Consultant shall inform Purchaser immediately, but no later than four (4) hours after actual knowledge, via email and phone call, if Consultant’s employee having authorized electronic or authorized unescorted physical access to BES Cyber Systems is terminated or when the access rights of a Consultant’s employee to BES Cyber Systems needs to be changed or revoked. Consultant agrees to adhere to current and future NERC CIP compliance regulations applicable to the Work and as required by Purchaser.

L. Gifts and Gratuities/Conflicts of Interest. Purchaser’s employees are subject to conflicts of interest and gifts and gratuities policies, which generally prohibit such employees and/or their family members from giving or receiving gifts, favors, services, or privileges (including travel and entertainment, and discounts that would not be available to the general public) from existing or potential customers, suppliers, or contractors that: (1) have more than a nominal value; or (2) exceed the level of standard business courtesies; or (3) the acceptance of cash, gift certificates, or loans in any amount. The conflicts of interest policy generally prohibits Purchaser’s employees and/or their family members from serving as an officer, director, employee, consultant, agent, of, or owning any beneficial interest in, an organization having a business relationship with Purchaser as a supplier or contractor, if the employee is in a position to influence decisions concerning the relationship. The entire text of these policies may be found within the Supply Chain Section at [www.firstenergycorp.com](http://www.firstenergycorp.com). Consultant and prospective suppliers to Purchaser are expected to be aware of and comply with these policies in their dealings with Purchaser’s employees and their family members. *Any suspected or actual violations of these policies should be reported; and, may be reported anonymously and confidentially by a customer, supplier, contractor, or employee by calling the Employee Concerns Line (1-800-683-3625), 24 hours a day, 7 days a week.*

M. Conflict Minerals. For purposes of this Agreement, “**Conflict Minerals**” means any cassiterite, columbite-tantalite, gold, wolframite, or the derivatives tantalum, tin, or tungsten and any other mineral or its derivatives determined by the U.S. Secretary of State pursuant to Section 13p of the Securities and Exchange Act of 1934 to be financing conflict in the Democratic Republic of Congo (“DRC”) or any country that shares an internationally recognized border with the DRC (collectively, and together with the DRC, the “**Conflict Region**”). With respect to any deliverable Purchaser reasonably determines has been or will be “contracted to be manufactured” or incorporated into a product “manufactured” by Purchaser, in each case, as contemplated by Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “**Act**”), and could contain Conflict Minerals:

1. Consultant shall disclose to Purchaser, in writing, whether such Work does contain Conflict Minerals and, if so, the type(s) of Conflict Mineral(s) the Work contains;
2. Consultant hereby represents to Purchaser that any such Conflict Minerals did not originate in the Conflict Region or, in the alternative, such Work is “DRC conflict free” as defined in the Act and the implementing regulations; and
3. Consultant shall comply with, and support Purchaser’s efforts to comply with, the Act and its implementing regulations (including, without limitation, the Act’s due diligence and reporting requirements), regardless of whether Consultant is a covered issuer under the Act, and comply with Purchaser’s Conflict Minerals Policy.

Purchaser may terminate this Agreement for default at any time, without any liability or obligation, if it believes, in good faith, that Consultant has violated this Article 13(M).

N. Identity Theft. Consultant agrees to perform all duties contemplated herein consistent with reasonable policies, procedures and related controls that are designed to detect, prevent and mitigate the risk of identity theft, and to take appropriate steps to prevent, or mitigate the same if any such events occur. The need for this contractual provision is based on the Identity Theft Red Flags Rule promulgated under the Fair and Accurate Credit Transactions Act of 2003, which provides in pertinent part at 16 CFR Part 681 Attachment A VI (C): A

financial institution or creditor should take steps to ensure that the activity of the service provider is conducted in accordance with reasonable policies and procedures designed to detect, prevent and mitigate the risk of identity theft.

- O. Prevailing Wage. Consultant shall be responsible for determining whether any federal, state, county or municipal prevailing wage law applies to this Agreement, and if one does apply, then Consultant shall comply with the law, as amended, and shall be responsible for all computations related thereto. Further, Consultant will indemnify Purchaser for any claims arising from Consultant's failure to comply with this obligation.

#### **ARTICLE 14 – LIMITATION OF LIABILITY/DAMAGES**

Except as otherwise expressly provided under this Agreement, under no circumstances shall Purchaser, its parent, subsidiaries and affiliates, be liable for any incidental, indirect, special, punitive or consequential damages (including anticipated profits or revenues).

#### **ARTICLE 15 – AUTHORITY OF AGENT**

- A. Authority of Agent. Agent is wholly authorized to perform any action, as agent and representative of Purchaser, included in, related to, or necessary to carry out the provisions of this Agreement, including any Purchase Order, Change Order or Release Order issued hereunder.
- B. Liability of Agent. Notwithstanding the Agent's authority described herein, the Agent is not, nor shall it be construed to be, a party to the Agreement or to any Purchase Order, Change Order or Release Order governed thereby. Under no circumstances shall Agent be liable for any obligations of Purchaser hereunder or for any incidental, indirect, special, punitive or consequential damages (including anticipated profits or revenues) for any controversy or dispute arising out of, related to, or touching in any way this Agreement or any agreement related hereto.

#### **ARTICLE 16 - PROHIBITION OF PUBLICITY**

Consultant shall not refer to the Agreement or reference Purchaser, its parent, subsidiaries and affiliates, directly or indirectly, in its advertising or promotional materials, or in any form of so called "social media" without Purchaser's prior express written consent.

#### **ARTICLE 17 - CONFIDENTIALITY**

- A. Consultant acknowledges that in the course of performing under the Agreement it may have access to and/or be in possession of Purchaser's Confidential Information. "**Confidential Information**" shall include scientific and technical information, formulas, devices, concepts, inventions, designs, drawings, methods, techniques, computer software, screens, user interfaces, system designs and documentation, marketing and commercial strategies, information concerning Purchaser's or any of its affiliates' employees, customers, or suppliers, processes, data concepts, know-how, and unique combinations of separate items that individually may or may not be confidential, which information is not generally known to the public and either derives economic value (actual or potential) from not being generally known or has a character such that Purchaser or any of its affiliates has an interest in maintaining its secrecy. Consultant shall hold in confidence, in the same manner as it holds its own Confidential Information, all Purchaser's Confidential Information to which it may have access pursuant to the Agreement. Consultant shall not use Purchaser's Confidential Information for any purpose other than performance of the Work. Access to Purchaser's Confidential Information shall be restricted to Consultant's employees with a need to know such information in connection with the Work and who are either a U.S. citizen or hold a valid green card. Consultant shall return Data and Confidential Information to Purchaser upon completion of performance of the Agreement.
- B. Consultant shall not use or disclose Confidential Information for any reason or purpose without the prior written consent of the Purchaser. Consultant may use Confidential Information for the sole purpose of the performance of the Agreement for the benefit of the Purchaser. Consultant will take all precautions and actions to prevent sale, transfer, sublicense, use or disclosure of Confidential Information to any third party.
- C. The restrictions set forth in this Article shall not apply to information that: (1) is or has become generally known to, or readily ascertainable by, the public without fault or omission of the Consultant or its employees or agents; or (2) was already known to Consultant prior to the first disclosure of such information to Consultant by Purchaser; or (3) was received by Consultant without restrictions as to its use from a third party who is lawfully in possession and not restricted as to the use thereof; or (4) is required to be disclosed by law or by order of a court of competent jurisdiction; or (5) was independently developed by Consultant through persons who have not had, either directly or indirectly, access to or knowledge of similar information provided by Purchaser.
- D. If Consultant is requested or required (by interrogatories, governmental request for information, request for production of documents, subpoena, Civil Investigative Demand or similar process, or otherwise required by applicable law) to disclose any Confidential Information of Purchaser, Consultant shall provide Purchaser with prompt notice of such request(s) so Purchaser may seek an appropriate protective order and Consultant shall use appropriate efforts to limit the disclosure and maintain confidentiality to the maximum extent possible.
- E. If Consultant breaches or threatens to breach this Article, the parties acknowledge that there may exist no adequate remedy at law, and hereby agree that Purchaser shall have the right to seek temporary and permanent injunctive relief to restrain a violation of this Article, without the necessity of posting a bond. Purchaser's right to injunctive relief shall be cumulative and in addition to its right to seek and obtain other remedies, including monetary damages.
- F. Consultant shall incorporate the above provisions in all agreements with its subcontractors, agents and assigns.

#### **ARTICLE 18 - FORCE MAJEURE**

Neither party shall be liable to the other for failure to perform or for delay in performance due to unforeseen causes beyond its reasonable control, and such causes are without the failure or negligence of the affected party. Such unforeseen causes include, but are not limited to, acts of God, fire, flood, epidemic, strike, work stoppage or other labor difficulty, acts of governmental authority, federal, state, or local laws, orders or regulations, embargo, war, terrorist act, riot, civil commotion and/or insurrection, or by any other event or circumstance of whatsoever

kind or nature not within the control of the affected party which, by exercise of reasonable diligence such party is unable to prevent, whether or not similar or dissimilar to any of the foregoing class of events or circumstances ("**Force Majeure Event**"). For the avoidance of doubt, economic hardship of an affected party shall not be considered a Force Majeure Event.

In the event of a Force Majeure Event, the time for performance by the affected party shall be extended by a period of time equal to the time lost by reason thereof. The affected party will: (a) promptly notify the non-affected party in writing of any causes or circumstances claimed to constitute a Force Majeure Event, the obligations which will be affected by such Force Majeure Event, the measures taken or to be taken to minimize the impact thereof, the schedule upon which such measures will be implemented, the anticipated duration of the failure to perform or delay, and documented evidence supporting the claim; and (b) use reasonable commercial efforts to mitigate the effect of such failure to perform or delay and to remedy the impact on the Work. The non-affected party will review the claim and advise the affected party in writing of the decision regarding the claim for extension of time for performance of the Agreement.

#### **ARTICLE 19 – MISCELLANEOUS**

##### **A. Assignment and Subcontractors.**

1. Consultant may not assign any rights or claims, or delegate any duties under the Agreement, in whole or in part, without Purchaser's prior written consent, which shall not be unreasonably withheld. In the event of any assignment, subcontracting or delegation permitted hereunder, Consultant shall continue to be liable for the performance of its obligations hereunder.
2. If Consultant proposes to subcontract any portion of the Work, it shall submit to Purchaser the name of each proposed subcontractor(s) prior to engaging such subcontractor(s), with the proposed portion of the Work and such information about the subcontractor(s) as Purchaser may request. Purchaser may reject any and all subcontractors at its absolute discretion. Consultant shall not be relieved of any responsibility or obligations under the Agreement by subcontracting any portion of the Work, whether or not such proposed subcontract is approved by Purchaser.
3. This Agreement is binding upon and shall inure to the benefit of the parties and their permitted successors and assigns.

**B. Non-Wavier.** The delay or failure of either party to assert or enforce the strict performance of any of the terms of the Agreement or to exercise any rights hereunder, shall not be construed as a waiver or relinquishment to any extent of its rights to assert or rely upon such terms or rights at any later time or on any future occasion.

**C. Severability.** If any portion of the Agreement is held invalid, the parties agree that such invalidity shall not affect the validity of the remaining portions of the Agreement, and the parties further agree to substitute for the invalid provision, a valid provision that most closely approximates the economic effect and intent of the invalid provision.

**D. Cumulative Rights.** Purchaser's rights and remedies set forth in the Agreement are cumulative and not exclusive, are in addition to any other rights and remedies provided at law, in equity, or under the Agreement, and may be pursued separately or concurrently as Purchaser determines.

**E. Governing Law, Jurisdiction and Venue.** All matters of dispute between the parties, whether regarding, arising from or relating to the Agreement, or arising from alleged extra-contractual facts prior to, during, or subsequent to, formation of the Agreement including, without limitation, fraud, misrepresentation, negligence or any other alleged tort or violation of contract shall be governed, construed, and enforced in accordance with the laws of the State of Ohio for both substantive and procedural matters (without giving effect to conflict of laws principles) regardless of the theory upon which such matter is asserted. The parties expressly exclude the applicability of the United Nations Convention on Contracts for the International Sale of Goods. Any legal suit, action, or proceeding regarding, arising from or relating to the Agreement, may be (and, if against Purchaser, must exclusively be) instituted in a State or Federal Court in Summit County, Ohio. Consultant waives any objection it may have now or hereafter regarding the jurisdiction or venue of any such suit, action or proceeding and hereby irrevocably submits to the jurisdiction of any such court in any such suit, action or proceeding.

**F. Interpretation.** The following principles of interpretation shall apply to the Agreement: (1) paragraph headings and captions are inserted for convenience only and shall not constitute a part of the Agreement and shall not be considered in construing intent, meaning, content or construction; (2) neither Purchaser nor Consultant shall be considered to be the party responsible for drafting any particular provision of the Agreement; (3) the words "hereof," "herein," "hereunder," and words of similar import shall refer to the Agreement as a whole and not to any particular provision hereof; (4) the word "including" means "including, but not limited to" and shall be interpreted as broadly as possible; (5) words in the singular include the plural and vice versa; (6) all references to "days" shall be calendar days (and not merely business days, unless the Agreement so states); (7) any provision hereof that is prohibited or unenforceable shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction and the prohibited or unenforceable provision shall be reformed or modified to reflect the parties' intent to the maximum extent permitted by applicable legal requirements; and (8) if any conflict arises between a term defined in this document and a term (defined or otherwise) contained in another document comprising a part of the Agreement, the conflict shall be resolved in favor of the more specific defined term unless the context clearly indicates otherwise.

**G. Execution and Counterparts.** This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement. Delivery of a copy of this Agreement by facsimile transmission, by electronic mail in "portable document format" ("pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, shall have the same effect as physical delivery of the paper document bearing the original signature.
